At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Lincoln, Nico, and I did one final powerful energy slash that hit Abby and Blair Sanchez hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Abby and Blair Sanchez were on their last legs and they were really really mangled.

Suddenly, Lincoln formed a massive ball of fire in his left hand, but it grew even stronger by using the powers of The Fire Card, the fire users of TLPS and The MOE, and the mythical creatures of fire, and he fired it at Abby and Blair

Sanchez and it hit them and it exploded and they were both burned to ashes and they were sent to The Black Abyss forever. GOOD RIDDANCE, YOU TWO BANSHEES!

We cheered as we holstered our weapons and powered down.

Me: And that's that.

Suddenly, Amethyst Grapestorm ran up to me and jumped me and she kissed me on the lips, arms, pecs, and twelve-pack abs, and overcome by wild love, I suddenly returned her kiss. Then, she pressed her large nude breasts and chest against my massive hairy pecs and her stomach against my twelve-pack abs causing my nose to bleed, and that alone caused my Mark of The Incubi on my left thigh to glow with intense red light, and I'd gained an extreme increase in my abnormally high sex drive and hyperpuberty, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced my own infinite-times high levels of libido and other sexual aspects was out in full force and my eyes turned from rainbow colors to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of me.

Amethyst Grapestorm: Thank you for rescuing me.

Me: You're welcome.

Suddenly, I pinned Amethyst Grapestorm down to the floor with me on top of her, and with his massive muscular arms still wrapped around her waist, I leaned my head down her face and I kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, I leaned my head to the right side of her trapezius, and I slowly bit her and fed on her blood, and my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as I gained an extremely astronomically huge and massive power boost and I also gained the very same powers as her, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Then, I slowly unlatched my fangs from her right trapezius and the marks sealed up and I kissed the spot where he bit her.

Suddenly, an Elemental Phoenix Necklace of Eternal Love appeared on the neck of Amethyst Grapestorm with amethyst gems on the gold flame-shaped links and amethyst crystal links from her merged Crystal Necklace of The Buddha along with a gold-accented Elemental Phoenix Choker of Eternal Love on her neck and rainbow Phoenix wedding ring on her left pinkie.

Then, I helped her up.

Amethyst Grapestorm: (In Heaven) (Rubs my massive hairy pecs) Now, that...was...so...hot. You're quite a dominant Alpha Male and I hope you're also a dominant Alpha Male and wild beast when it comes to some...intimate moments in the bedroom.

My harem blushed madly.

Sakura Valencia: (Thinking) Oh, you have no idea.

We were back on the ship heading home for Earth.

Me: WHEW! Thank goodness.

Nico: Finally! They're done!

Me: No kidding!

Eli: That was fun though!

Me: It was. And we encountered amazing Kamen Rider and Skylander Gene-slammers of Dark Gale.

Jinora Sakata: You sure did and you guys were so awesome too.

Me: Yeah that was epic.

Gianna Kisaragi: I hope Erin is okay. I miss her.

Me: She'll be all right.

Gianna Kisaragi: She and I are like sisters and we love each other that much.

Me: Wow that is a powerful bond.

Camie: It sure is.

Nico: Nice job Dragonite.

Dragonite: Thanks Nico. That was awesome and fun.

Me: It sure was.

Qin: Yeah!

Poromon: Want some beer?

Dragonite: Oh no thank you. Gives me really nasty explosive diarrhea and it is REALLY NASTY!

Me: YIKES!

Nico: TMI!

Dragonite: Too much information. Got it.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Dragonite: Nice try though pipsqueak.

Poliwag: HEY!

Horsea: We're building somethingg later.

Homer: Beer robots?

Bart: You just love beer robots don't you Home Boy.

Homer: WHY YOU LITTLE!?

He strangled Bart!

Lily tazed Homer.

Horsea: No we are not building beer robots. We'll let you know though.

Homer: Aww.

Poromon: We're going to build a blanket and pillow fort.

Me: Awesome!

Camie: Cool!

Lincoln: While they are doing that I'll tell you guys how I went to Ancient Greece and defeated the Sirens.

Me: Looking forward to that.

Ryan Mitchell: Me too.

Nico: Ryan, this might sound silly but what do you like to do in your free time?

Ryan: I like to help rescue people from buildings and help with Dana in doing medical rescue work.

Me: That's a dangerous job but somebody has to do it.

Nico: Yep.

Ryan: Also I'm preparing to help everyone bring down Bansheera for good.

Carter: It's true.

Me: Whoa this is gonna be brutal. But yeah me and Fire Cobra Eclipse and Vypra are all going to tear that monster apart.

Noah: Yeah! After my day first.

Me: Not sure when that will be but it will be awesome.

Nico: Yep.

Lincoln: Let's take care of The Anothers right now, so we can rescue Allie. (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Weiss.

Weiss: Another Me?

Lincoln: We'll find out soon.

Eli: Right. Whoa, and some of the Anothers are The Avatar of all The Clow Cards, The Avatar of Keroberos, and The Avatar of Yue.

Sakura Avalon: The Avatar of all The Clow Cards, The Avatar of Keroberos, and The Avatar of Yue?! (Thinking) If it's who I think it is, I have a feeling Tory's in for a rough time. (Out Loud) Oh, and Dad and Mom called, a special guest is coming over.

Nico: A special guest? This should be interesting.

Me: Yep. So we got Another Danny Johnson, Twice (MHA), Thousand Eyes, Nick O Teen, Universe 666 Eva and Sartana of the Dead.

Qin: Yep.

Nico: That means Ryan Mitchell, Zenowing, Zhane, Naga Ray, Flint Goldtsuiker and Jiro Momotani are up.

Lola: Cool!

Qin: Awesome!

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Twice (MHA), Thousand Eyes, Nick O Teen, Universe 666 Eva and Sartana of the Dead!

Me: WHOA!

Qin: This will be awesome!

Another Twice: (In a girls voice) It sure will!

Me: Wicked cool!

Leia Lernea: Thanks.

Me: By the way are the rest of the Anothers friendly or hostile?

Briina Breaker: Friendly and powerful and amazing.

Qin: Cool!

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE OF A SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now, we wait

Me: We don't have to wait long!

Qin: COOL!

Varie: Pleasure girls!

Nico: And your friend?

Another Weiss: Someone that wants to kill her father.

Weiss: (GASP) That voice!

She reverted back and was a twin version of Weiss and she had a bunch of NASTY SCARS ALL OVER her body and had white angel wings.

Weiss: Windy!

She went and hugged her!

Windy: Hey sis!

Me: Your sister no doubt.

Weiss: Yep.

Me: My god what happened to her?

Windy: I have scars all over my body because of Jacques Schnee.

Winter Schnee: Our father beat and tortured and slashed her all over the place.

Xenia: HOLY CRUD!

Me: That fucker needs to die!

Lie Ren: On my day. But because it's Weiss's day I have a feeling it's going to be sweet payback on him.

Nico: I have that feeling too.

Kaito: (gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (gets out Kiramager gear) Because we can grant it instead

They got weapons from said teams.

Serenity Avalon: No he didn't for us. But Windy yes.

Windy Schnee: He promised to help me kill Jacques. So he agreed to train me for a while.

Sakura Knudson: I remember that! You and I trained really hard! But you took all his lessons in really well.

Windy Schnee: I sure did and Sakura it's good to see you again.

Sakura Knudson: Same here.

Me: Wow I wonder how many people Swartz took to train?

Sakura Knudson: I honestly don't know but it was a lot.

Sougo got DinoFuryRedArmor while Geiz got KiramaiRedArmor.

Nico: Pretty much all of Remnant's enemies have all been dealt with and they are either in the M.O.E. or in the Black Abyss.

Qin: Yeah.

Windy Schnee: I can see that and I heard about everything you did on Remnant. That was amazing.

Me: It was. Lets separate you girls first.

We did so.

Me: YEAH!

Nico: Nice job!

Gabrelle: Thanks.

Nico: We JUST got done killing a problem related to Quahog

Gabrielle: I heard. What happened with Bertram was crazy.

Giselle: What Quahog did was horrible too. That town deserved to be destroyed. Meg?

Meg: Yes?

She then hugged her.

Giselle: I'm so sorry you went through all that horrible shit.

Meg: It's okay Giselle but thank you for the hug.

Giselle: You're welcome.

Zenowing: Do you girls have any good memories of Nico?

Giselle: We sure do. Mine is where me and Nico went into my family's jewelry shop and I showed him all of our jewelry. Look.

Me: Who's this?

Sakura Avalon: That's Alexander Avalon, he's the elder brother of our family and he like Sarah and Serenity defended me from Tory who always gave me a hard time, and he didn't mess around.

Nico: Uh oh...!

Serenity Avalon: Alex never messes around, he cared about Sakura and hated it when Tory gives her a hard time, and he's a fighter with a kind heart, he doesn't like it when someone messes with his family and family. Me: Wow, so he's a powerhouse of magic and might.

Sarah Avalon: Yep.

Ryan Mitchell: Does it always end with Tory getting flattened like a pancake?

Sakura Avalon: Afraid so. Alex is also a top athlete and he's used wrestling moves whenever Tory tries to give me a hard time.

Li Syaoron: You never told us you had an older brother who actually doesn't give you a hard time.

Sakura Avalon: We don't usually see him that much. Around the time Mom died, Alex had gotten a scholarship to go to New York University, and it meant he wouldn't be around anymore, but he did promise to write to us every day, and he even checks in to see if Tory is giving me a hard time again. And Dad told me he's come over, and we'll need his help against Tharizdurn, The Chained God of Darkness and The Elder Elemental Eye, along with Olhydra, The Princess of Evil Water and The Crushing Wave, Ogrémoch, The Prince of Evil Earth, Imix, The Prince of Evil Fire Creatures, and Yan-C-Bin, The Prince of Evil Air, the four archomentals.

We arrived at Sakura's old house where we met with Professor Avalon and Natasha Avalon.

Professor Avalon: Hey, everyone, we're so glad you made it.

Sakura Avalon: Hey Dad, Mom.

Natasha Avalon: You told everyone about Alexander, right, Sakura?

Sakura Avalon: We did, Mom, and there's someone else who wants to see you again.

Suddenly, Serenity Avalon saw Natasha.

Serenity Avalon: M-Mom..., it's...!

Natasha smiled warmly.

Natasha Avalon: Yes, Serenity.

Serenity ran up to Natasha and hugged her.

Sakura Avalon: Sarah did the same thing when she saw Mom again.

?: Looks like you've made it, Sakura.

We then saw Alexander Avalon, and he matched the picture Sakura had.

Sakura Avalon: Alex, you made it.

Alexander Avalon: Just as Dad and Mom said, and you brought all of Team Loud Phoenix Storm with you along with the person who defeated Yue years ago after the war against The Anti-Fairies.

Me: So, you've heard of me.

Alexander Avalon: Of course, J.D., and like my sister, you became the Master of The Clow Cards.

Suddenly, Alexander Avalon got out a huge crimson red grimoire and the cover and back looked like the ones on my Knudson Book and the Sakura Book that Sakura has, but on the gold ribbon, it had Avalon for the title, and inside the book are The Clow Cards, but the background is crimson red and it had Alexander's name on the bottom.

Me: That grimoire you have, it's like The Clow Book, but it's transformed along with The Clow Cards just like with Sakura and me when we passed The Final Judgement.

Alexander Avalon: Yes, that's correct. This is The Grand Grimoire, it was another creation of Clow Reed, but it was said to have been lost. But, during my first year in New York University, I found the grimoire, and I opened the seal. But, unlike with you and Sakura, the cards didn't escape, and I was able to sign them and transform them into The Avalon Cards and the book into The Avalon Grimoire.

Lincoln: Wow. And I can guess you had to keep it a secret from your roommates.

Alexander Avalon: Yes, I had to. But, when someone tried to attack the school, my secret got out when my white angel wings spread out and I trounced the criminal, and like Serenity said, I was born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, Keroberos, Yue, and the magic of Clow Reed.

Sakura Avalon: We got the call and we saw on the news that Alex was called a hero. The crook was a petty criminal, and he got sent to prison.

Tory Avalon: I was pretty impressed, and Julian, or should I say, Yue soon found out about that book Alex found.

Yue: It'd been a long time since The Grand Grimoire was lost, but Alexander finding the grimoire was indeed unexpected, and it all happened for a reason.

Alexander Avalon: Just like with Sakura finding The Clow Book all those years ago. Now, I believe we have some business.

Lincoln: Right. We better take care of our main targets.

We then flew out, and there we found our targets: Tharizdurn, The Chained God of Darkness and The Elder Elemental Eye from Dungeons & Dragons, along with Olhydra, The Princess of Evil Water and The Crushing Wave, Ogrémoch, The Prince of Evil Earth, Imix, The Prince of Evil Fire Creatures, and Yan-C-Bin, The Prince of Evil Air, the four archomentals, and they're causing havoc.

Tharizdurn: Team Loud Phoenix Storm! You will pay for destroying us!

Lincoln: You deserved it, Tharzidurn, same with Olhydra, Ogrémoch, Imix, and Yan-C-Bin, now we got to take care of you elemental monsters once again.

Alexander Avalon got out a staff that's shaped just like the staff Nick Russell had gotten when he transformed against Octomus, and he also got the Watery Card, Firey Card, Thunder Card, Earthy Card, and Light Card.

Alexander Avalon: Water Card, unleash the raging tide and quench Imix and his flames, Fire Card, arise from the flames and overwhelm Yan-C-Bin, Thunder Card, take to the skies and strike down Ogrémoch, Light Card, shine down and weaken Tharzidurn, and Earthy Card, weaken the tides of Olhydra. RELEASE!

Alexander Avalon raised his staff and The Watery Card, Firey Card, Thunder Card, Earthy Card, and Light Card were released and they did the jobs, and Tharzidurn, Olhydra, Ogrémoch, Imix, and Yan-C-Bin were weakened.

Me: WHOA!

Nico: Awesome...!

Sakura Avalon: Amazing! Alex got them good.

Lincoln: And he weakened them good, but I got a feeling that just made them angrier.

RRGH!

Lincoln kept sucking the planet-sized ball of elements into his body and he sent Tharizdun, Imix, Yan-C-Bin, and Ogrémoch to The Black Abyss after draining their souls of their last bit of energy, and he also sent Olhydra to The M.O.E. When Lincoln was done, he had fire, darkness, water, earth, crystals, and wind gusts surrounding his body, and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate, and we also welcomed Alexander Avalon to the team.

Nico: Well, that was one awesome rescue. Plus, Alex, you really did awesome weakening Tharizdun, Olhydra, Ogrémoch, Imix, and Yan-C-Bin.

Alexander Avalon: It was nothing much, but they were dangerous.

Me: That they were.

Lincoln: But, you weakened them enough, and I was able to absorb them and sent Tharizdun, Imix, Yan-C-Bin, and

Ogrémoch to The Black Abyss after draining their souls of their last bit of energy, and I also sent Olhydra to The M.O.E., so that's done.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long purple hair, blue eyes, massive white angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, purple sleeveless strapless top, purple skirt with Gem-Knight Amethyst, white bridal gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Amethyst and The Gem-Knight Order of Crystal Justice, she has a light greatsword, and with her are the three girls.

Lincoln: (GASPS) Amethyst Rodriguez, Avatar and Gene-Slammer of Gem-Knight Amethyst.

Amethyst Rodriguez: That's right, and I got the girls away from those evil elementals.

Me: Tharizdun and the others were no match for you.

Lincoln: Especially Ogrémoch, you used your own powers against him and really made him mad. (To Amethyst Rodriguez) And it's so good to see you again, Amethyst.

Amethyst Rodriguez: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Amethyst Rodriguez had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Amethyst Rodriguez was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Amethyst Rodriguez: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Amethyst Rodriguez's waist and hugged her, and Amethyst Rodriguez is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Amethyst Rodriguez: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no

Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Amethyst Rodriguez, Avatar and Gene-Slammer of Gem-Knight Amethyst, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amethyst gems and crystals. She's known as The Amethyst Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Amethyst Rodriguez came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amethyst gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amethyst gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Eileen Fravel, Gene-Slammer of Steelswarm Gatekeeper and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Amber's parents and her little sister, Aria, in cold blood, and she swore to kill Eileen Fravel and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Amethyst.

Lincoln with his massive muscular arms still wrapped around Amethyst Rodriguez's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Amethyst Rodriguez: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Amethyst Rodriguez with amethyst gems on the gold lightning bolts and amethyst crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Amethyst Rodriguez: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Amethyst Rodriguez.

Amethyst Rodriguez had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Amethyst Rodriguez's waist, and he leaned down to her face and kissed her on the lips, and with Amethyst Rodriguez's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Amethyst Rodriguez had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Amethyst Rodriguez: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The three girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the three girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the three girls are Reiko Kujirai, Xiaohei, and Yaomay from Kowloon Generic Romance.

Lincoln: Oh whoa, it's Reiko Kujirai, Xiaohei, and Yaomay from Kowloon Generic Romance.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, these girls are cute.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Reiko Kujirai: Yes, we're okay, thanks to you.

Then, when Reiko Kujirai and the other two girls saw who it was that saved them from Tharizdun, Olhydra, Ogrémoch, Imix, and Yan-C-Bin, their faces turned atomic red upon seeing the 12'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Reiko Kujirai: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Reiko Kujirai: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Reiko Kujirai, Xiaohei, and Yaomay with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Well, that was an awesome rescue.

May: We also met another of Sakura's siblings: the only older brother who didn't give her a hard time.

Lincoln: Serenity was so glad to see Alex again, and to find out he like Sakura and J.D. is a Master of The Clow Cards.

Nico: And he really let Tharizdun, Olhydra, Ogrémoch, Imix, and Yan-C-Bin have it.

Me: You said it. Either way, at least, we got rid of Tharizdun, Olhydra, Ogrémoch, Imix, and Yan-C-Bin.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long pink hair with purple streaks, pink eyes, massive pink angel wings, she has on a pink two piece bikini, and in her hand is a greatsword.

Lincoln: (GASPS) Crysta Crystallumaira, Queen of the Crystallumairans of Planet Crystallumaira.

Nico: The only surviving Crystallumairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Crysta Crystallumaira, Queen of the Crystallumairans of Planet Crystallumaira, she's Lincoln's Guardian Angel from the planet of Crystallumaira in The Forbidden Zone. She was the Queen of the Crystallumairans who ruled the planet of Crystallumaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over crystals, gems, and minerals, and the ability to grow even stronger, but she was also born with angel wings, the powers of crystals, gems, minerals, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Crysta Crystallumaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of crystals, gems, minerals, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of crystals, gems, minerals, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Crystallumairans, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them entombed inside crystal prisons for all eternity with the power of Crystallumaira.

Crysta Crystallumaira: And I knew Lincoln absorbed the souls of the male Crystallumairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Crysta Crystallumaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Crysta Crystallumaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Crysta Crystallumaira with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of

Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Crysta Crystallumaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Crysta Crystallumaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Crystallumairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us met Alexander Avalon and Lincoln absorbed Tharizdun, Olhydra, Ogrémoch, Imix, and Yan-C-Bin, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Amethyst Rodriguez saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Amethyst Rodriguez: My God, I was right that Lincoln's really grown into a 12'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Amethyst, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Amethyst Rodriguez: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Amethyst Rodriguez: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm, it was clones of HatePhoenixmon and Ape Destroyer.

Me: Oh crud.

Nico: Clones of HatePhoenixmon and Ape Destroyer, not good.

Alexander Avalon: I'll handle them.

Alexander Avalon flew out and confronted the clones of HatePhoenixmon and Ape Destroyer who only roared at him.

Alexander Avalon: Really? That's all you have to say? Very well.

Suddenly, Alexander Avalon's dark blue eyes turned neon dark blue and he was surrounded by a red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels.

Alexander Avalon: I don't know who sent you, but I'll tell you this, you're not going to hurt anyone, not as long as I'm here to stop you. Time to pay, you constructs.

We were amazed by Alexander Avalon's transformation, but that angered the clones of HatePhoenixmon and Ape Destroyer.

Alexander Avalon: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Elemental Clow Card Magic Cosmic Star Storm Fury Clow Card Magician Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Elemental Clow Card Magic Cosmic Star Storm Fury Clow Card Magician Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You two are the most destructive of the Akumas, but that ends here and now. Time to end it.

Alexander Avalon went after the clones of HatePhoenixmon and Ape Destroyer, and he fired extremely powerful blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels and they exploded as they hit them, and he also hit them on the head with his staff. Then, Alexander Avalon fired a wave of water from his staff and the blast hit the HatePhoenixmon clone and weakened it and it also hit the Ape Destroyer clone.

Suddenly, Lincoln appeared and he morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the clones of HatePhoenixmon and Ape Destroyer, and he began absorbing them and he assimilated HatePhoenixmon's intense fire powers and intense negative energy and Ape Destroyer's intense strength and deadly energy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones, and Lincoln and drained their souls of energy and he let out a loud and massive roar of dominance and power as he pounded his chest like an Alpha Male gorilla.

Lincoln went back inside, and Alexander Avalon also followed.

Alexander Avalon: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Elemental Clow Card Magic Cosmic Star Storm Fury Clow Card Magician Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Elemental Clow Card Magic Cosmic Star Storm Fury Clow Card Magician Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) The deed is done, the clones have been stopped.

Alexander Avalon powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo and large gold Yata no Kagami mirror with gold star ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold star ring-shaped frames around them with embedded orange gems behind the gold rings behind his head, large 105 red and white planets orbiting around his legs and 105 smaller red and white planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized red and white planets orbiting around his wrists and ankles, and massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings are permanent.

Me: That was a great job you did.

Sakura Avalon: That's for sure. But, who's been creating clones of the hypothetical Akumas? Lincoln, did you find out?

Lincoln: I did, and bad news: it's someone from your brother's past, Sakura. Does the name, Nathaniel Blackwood, mean anything to you, Alex?

Alexander Avalon: Nathaniel Blackwood?! Oh no.

Sakura Avalon: Alex, didn't you mention in one of your letters that you had a bully causing trouble in New York University?

Alexander Avalon: Yes, I did, and he was a nasty bully. He destroyed a chemistry lab, sabotaged the sports teams, sold private school information, and all sorts of nasty stuff.

I looked at his crime file, and it matched Alex's accounts.

Me: Geez, his crime profile matches what you told us, Alex.

Alexander Avalon: He was also responsible for a cheating ring that finally got him expelled, and that combined with the other stuff I told you guys got him life in prison.

Nico: Yeesh, nasty isn't a word I'd use for him. But, how was he able to create those clones of the hypothetical Akumas? And through what means did he get that power?

Serenity Avalon: Dark magic?

Kenzie Keroberos: Must be.

Yulia Yue: But, through which means did he get that kind of dark magic?

Alexander Avalon: We'll find out when we go to New York University tomorrow.

Caleb Maxwell had a dark look in his eyes: it'd been years since he entered New York University, and he knew of the dark memories that still haunted him: we knew it wouldn't be easy, especially if the dark memories still haunted him.

We got a shower, and then, Lincoln, Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako are heading to Lake Lamode.

Lincoln snapped his fingers, and the 12'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebakoc were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Hibari: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Hibari, and it's perfect for our first date. Shall we?

Lincoln, Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but thei also released some tension he'd been carrying.

Then, he did the same thing giving Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Tsuiko: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako and he hugged them in his abnormally massive and powerful muscular arms, and Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with five white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako are in your harem, Linky.

Hibari, Tsuiko, Blaire, Akane Kōzuki, and Kebako showed the marks Lincoln made on the right side of their trapezius.

Jenna: You had no trouble at all.

Blaire: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie,

and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem

kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

The mascots were building their fort.

Lincoln: So here's how I battled the Sirens.

It was 1 year before I moved to Michigan and Linoln told us how while he and his family visited the Parthenon, Lincoln found an ancient Greek helmet and he put it on and was whisked back to Ancient Greece back in 450 B.C., and there he met Clydius who looked like a Greek version of Clyde and he might have been Clyde's ancestor and they met and battled the Legendary Sirens of Odysseus and won! They learned a lot about Greek history and also Lincoln battled the legendary Minotaur and the Cyclops! IT WAS REALLY AMAZING! Shockingly the helmet belonged to Rusty's ancestor Rustus the Great! He got back home later and it was amazing!

Me: WHOA!

Nico: THAT'S AMAZING!

Qin: WOW!

Me: You went back in time to 450 BC? That was back almost 2,500 years ago!

Varie: WOW!

Lincoln: I know! I Was really amazed myself!

Maria: Amazing!

Lincoln: I know! That was awesome! And I saw a vase with me and Clydius on it with the challenges we did back then.

Me: That's amazing! And vases have been used as art canvases in Greek history for thousands of years.

Varie: Yep

Ymir: Yeah!

Me: Hmm. I think Clydius and Rustius might be Clyde and Rusty's Greek ancestors from over 2,000 years ago.

Nico: It's very possible!

May: That's right.

Me: Wow! Lincoln you didn't meet Hercules or any of the Greek Heroes of legend back then did you?

Lincoln: No I think this was long after the times of Odysseus and Perseus and before Achilles and all those guys.

Me: I see. But man Lincoln you etched a name for yourself in the history of Greece!

Nico: A boy from the 21st Century accidentally travelling back and facing the Challenges of Greece.

Jessie Knudson: That is crazy but really awesome!

Lincoln: It sure is.

Anna Anyanova: I'm really impressed!

Lincoln: Me too.

Horsea: We're done guys!

We went and saw the blanket fort and it was A BLANKET MANSION!

Me: WHOA!

Winter: So that's your blanket fort?

Poromon: Yep. Welcome to Castle Mascot!

Weiss: Where did you get all those?

Poromon: Oh we have a MASSIVE stash of pillows and blankets for this.

Me: Wow! Just be sure to put them all back when you're done.

Poromon: Will do. Lets show you around.

We went in. It was a PERFECT SLUMBER PARTY CASTLE!

Me: WHOA! What a slumber party castle!

Rarity: I think it's amazing darlings!

POOF!

Rarity got hit in the face with a pillow by Poliwag!

Rarity: OH! IT! IS! ON!

Me: Uh oh!

We threw pillows and bashed each other all over!

Thunderblast: I can play too!

She fired pillows with her launcher and blasted all over.

We laughed and more!

Lisa Loud: PILLOW FIGHT!

WE GOT INTO A MASSIVE FIGHT CLOUD BASHING EACH OTHER WITH PILLOWS!

WE WERE REALLY BASHING EACH OTHER! Thankfully these weren't down feather pillows.

Wideload: You'll never take me alive!

Me: Oh yeah?!

We really let each other have it!

TTG Cyborg then came in frantic and screaming!

Mr. Krabs: WHAT THE HALIBUT IS WRONG WITH YOU BOY!?

TTG Cyborg: SCARY TERI! SHE IS COMING FOR ME!?

Me: Who?

TTG Robin: Scary Teri.

We saw a FIGURE COME IN AND IT WAS SCARY TERI!

Scary Teri is a minor antagonist in Teen Titans Go!, appearing in the episode "Slumber Party". She is a demonic spirit that can be summoned by saying her name in the mirror three times.

She was voiced by veteran voice actress, Tara Strong.

In "Slumber Party", Cyborg told the other Titans that he was afraid of the dark due to a bad experience he had when he was a kid. At a sleepover, some kids forced him into a dark bathroom and closed the door on him so he could play "Scary Teri", which was a game where he looked into the mirror and said "Scary Teri" three times. According to Cyborg, he saw Scary Teri show up in the mirror, which horrified him and scared him to the very day.

The Teen Titans forced Cyborg to get over his fear by shoving him into a bathroom and making him play the Scary Teri game again. Cyborg hesitantly did this and Scary Teri actually showed up and blasted through the bathroom door. She terrified not only Cyborg but the rest of the Teen Titans as well.

Robin led the rest of the Teen Titans into his pillow fort, where they would defend themselves from Scary Teri. However, Scary Teri entered the pillow fort and took on the form of a snake to capture them. The Teen Titans squirmed out of there and Scary Teri took on the form of a pterodactyl, flew ahead of them, and blocked their exit.

One by one, Scary Teri devoured every single Titan, starting with Beast Boy, then eating Starfire and Raven at the same time, and finally Robin. This left Cyborg to be the only one left to defeat her. Cyborg ran into the bathroom and as

Scary Teri chased him down once more, he shouted into the mirror "Scary Teri is not scary!" three times, which banished her back into the mirror again, freeing up his friends to safety.

WE GASPED!

Scary Teri: I will scare you big.

Me: Wait she looks like something out of an old Urban Legend!

TTG Cyborg told us about her and it was crazy!

Me: OH MAN! That is nuts!

Nico: WHOA MAN!

Poromon: This is our fort! Go away!

Nico: YEAH!

Scary Teri: Oh come on! Lets play!

COUGAR ROAR!

A figure came and slashed her all over and we saw that it was a MEGA LIEPARD!

Me: WHOA! Mega Liepard!

She used Fury Swipes and slashed her all over the place!

Me: I think Scary Teri would be perfect for the M.O.E.

I teleported her there.

I went over to the Mega Liepard.

Me: Thanks friend.

I gave her an apple.

Nico: Where did that come from?

Me: It must be one of Dark Gale's work.

Devon: Lets see.

He used his telepathy and gasped!

Devon: It's my sister Callie!

Zoey: WHOA! Callie the Gray Ranger!

Me: WHOA! What animal is she for?

Devon: She is for the Falcon.

Me: Fast and swift.

Devon: Yep. Lets go help her.

We went over.

Devon: Callie it's okay. It's me Devon.

She tried to scratch Horsea but she put her clone in front of her

SLASH SLASH SLASH SLASH SLASH SLASH!

Horsea Clone: YEOWCH! THAT HURT!

Me: OUCH!

YICHIHUAHUAS! THAT IS GOING TO LEAVE A NASTY MARK!

Horsea: HA!

Me: Okay then.

I snapped my fingers and she reverted back. She was a girl with yellow hair and blue eyes and had grey angel wings and had Mega Liepard on her forehead and had the Beast Morphers symbol with a Falcon on her arm as a cutie mark. We wrapped her in a blanket and put her on a pillow chair.

Me: Boy thank goodness she didn't go after Meowth. That would have been a NASTY Catfight. Pun intended.

Meowth: It sure would have been scary.

She woke up to see Horsea smiling at her.

Callie Daniels: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Maria picked her up.

Devon: You all right Callie?

Callie Daniels: (GASP) Devon!

She hugged him.

Callie Daniels: I'm glad you're okay and Zoey, Ravi, Steel, Nate! You're all okay!

Zoey Reeves: I know.

Dr. K: Been a while allie.

Callie Daniels: Dr. K!

She hugged her too.

Me: You know Dr. K of the RPM Team?

Callie Daniels: I sure do. I helped her try to find ways to battle Venjix back in 2009.

Me: WHOA! Well you were turned into a Mega Liepard by Dark Gale.

Callie Daniels: Dark Gale? Who are they?

Me: Oh they were a Pokemon Villain organization we destroyed a while back. What were you doing when you got slammed?

Callie Daniels: I was battling a new roid monster. He looked like a magnetic monster of some kind.

Eli: (GASP) That was Jisyakuloid. He was an unadapted monster and was from the Go-Busters series in Japan.

Me: We never faced that one before.

Callie Daniels: I can tell.

Me: Well we have really good news. Venjix and Evox are both dead and gone for good. We destroyed them. But we got the biggest ever shock. We found out that back in 2009 after Scott Truman and the RPM team defeated Venjix the first time, he hid in Scott's morpher and then 10 years later in 2019 he resurfaced as Evox! We found out that Venjix and Evox were both one in the same!

Callie Daniels: That is absolutely shocking!

Me: I know.

Nico: We actually destroyed him just recently.

Me: Yep. We battled both Evox and Venjix on the RPM world. The world of Scott Truman and his team, it went through Hell.

Callie Daniels: I know. But I'm glad they are both gone for good. But I want to destroy Robo Roxy and Robo Blaze. I want to make sure they never hurt anyone again!

Me: WHOA!

Devon: Callie hates both of them with a massive vendetta.

She showed a nasty scar on her leg!

WE GASPED!

Me: Oh man. How did you get that?

Callie Daniels: Robo Roxy fired a blast that blew a chunk of my leg off. I vowed to kill her for it.

Me: GEEZ!

Nico: That must've really hurt!

Akiza: Well Robo Roxy and Robo Blaze are both in the M.O.E.

Horsea: It's true. Ever since 2020, they've been a great help in all the wars we've been in. Including the Royal Defenders one and against Maleficent this year

Me: Yep. Many awesome adventures. It's best if you see it for yourself.

Callie Devon: Okay. Also I am the Gray Falcon ranger of the Beast Morphers. I have the wings of the Falcon and can fly at over 200 miles per hour and move with intense swiftness.

Me: WHOA! Falcons are known as the fastest bird in the world.

Callie Devon: It's true. (Sees Gentaro and Haruto) Hey are you two Gentaro Kisaragi of Kamen Rider Fourze and Haruto Sohma of Kamen Rider Wizard?

Haruto: That's right!

Gentaro: How did you know?

Callie Devon: I watched the Japanese version of us the Go-Busters and saw you guys help them out and that was so awesome!

Me: I remember that! Fourze and Wizard helped them out back in 2012!

Nico: Yeah! That was awesome!

Me: The Sentai Teams and the Kamen Riders have helped out each other for a long time. Been that way for a long time.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her white and yellow clothes and a falcon sword and Devon gave her Wristcom/Morpher to her.

Callie Daniels: I look amazing!

Me: You sure do.

Headstrong: Looks like this fort has to go now. Shame, really.

Poromon: I know.

Me: Hey no sweat. You guys can build it again when you have a slumber party for real.

Poromon: You're right.

He pulled out the bottom pillow and then...

CRASH!

Me: AVALANCHE!

We ran and got buried in pillows!

We popped out!

WE LAUGHED!

Me: At least we didn't get buried in snow and rocks.

Poromon: True.

Poromon then got out a grave saying RIP Castle Mascot

Me: RIP Castle Mascot.

We went back to the living room.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Remnant's genius, Arthur Watts, but we also saw another figure, and to our anger, it was that racist bastard, Jacques Schnee, he's back yet again for revenge on us! When we saw it, we knew it meant trouble!

Lincoln: YOU MISERABLE NO-GOOD TWO-FACED RACIST SCUMBAG! YOU DARE TO COME BACK FOR MORE! (ROARS IN ANGER)

Me: Oh crap!

Nico: Oh Hell no! You got to be fucking kidding me!

Eli: Please tell me that was not who I think it is!

Lincoln: It is!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it was Remnant's genius, Arthur Watts, but I also saw another figure, and to our anger, it was that racist bastard, Jacques Schnee, he's back yet again for revenge on us!

EVERYONE GASPED!

Weiss: So, not only are we facing Arthur Watts, but my so-called father's back for more?! Unbelievable!

Lie Ren: I'm up for killing him for good and throwing him in The Black Abyss but...!

Lincoln: No worries, we'll kill him once again and banish him to The Warp until your big day, Lie Ren. But, Arthur Watts, he's going to The M.O.E., that is after we beat him down, and I still want a crack at Jacques yet again, he's done so much harm to too many innocent people including two of my future wives, Weiss and Winter, along with his ex-wife, Willow. I already tore Adam Taurus apart for what he did to Yang and Bella, now it's Jacques' turn to suffer.

Me: Let's make that piece of shit regret ever coming back!

Nico: Yep. Alright, team, let's get to Remnant and take down Arthur Watts.

Lincoln: And get more payback on Jacques Schnee and send him to The Warp until Lie Ren's big day.

The Previous Group came.

Silver Samurai: Can me, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Hydrax go with you guys?

Nico: Yes you all can come with us.

Skinner: Awesome!

Xenia: YEAH!

Weather Vane: Nico, which Gene Slammer do you think you'll meet next?

Nico: Numbers 18 and 17 next.

Me: WHOA! Wouldn't it be a huge coincidence if they were the sisters of Androids 17 and 18?

Goku: (LAUGHS) That would be a huge coincidence.

Nico: I agree there Kakarot.

Vegeta: That would be quite a coincidence.

Android 18: That would be cool though.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up

even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Beast, the main antagonist of the 1983 British-American cult classic sci-fi/fantasy film Krull, and he's back for revenge on us. When we saw it, we knew it meant trouble!

Me: HOLY SHIT! Was that?!

Lincoln: The Beast, the main antagonist of the 1983 British-American cult classic sci-fi/fantasy film Krull, and he's back for revenge on us. Been a long time since I dealt with him.

Caleb Maxwell: I remember him all too well when I saw Krull back in 1983 when I was 18, he's a giant omnipotent monstrous alien who commands an enormous and apparently unlimited army of Slayers and Changelings, he's conquered and enslaved many worlds, and he's really powerful.

Lincoln: We faced him on my rescue long ago, and I sucked out his Power Bestowal, flame blasts and fireballs, Creating objects and illusions, Creating portals, and Omnipotence and sent him to The Black Gates.

Gianna Octavia Cooper: And now, he's back for more. I hope you're ready to absorb him again, Lincoln.

Lincoln: That I am, Gianna.

Nico: This is gonna be an epic fight to remember. Alright, team, let's go, time to take down the criminal genius, Arthur Watts.

Lincoln: And get justice for the Schnee name by destroying Jacques Schnee and sending him to The Warp until Lie Ren's big day, and once we get done with them, our showdown with The Beast will begin.

Gianna Octavia Cooper: You made a huge mistake coming back, and now, you're gonna regret coming back from the dead.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Remnant to take down Arthur Watts and send him to The M.O.E. and get justice for the Schnee name by destroying Jacques Schnee and sending him to The Warp until Lie Ren's big day, and once we get done with them, Gianna Octavia Cooper and Lincoln are going to destroy The Beast and send him to The Black Abyss after Lincoln absorbs him and sucks out all his powers.

We were off to Remnant.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14059.2: The U.S.S. Valorous Phoenix is en route to the planet Remnant for another amazing adventure and we're going there to battle Arthur Watts as well as Jacques Schnee. We're going there to also make sure that Jacques Schnee's name is forever destroyed as a traitor and beyond.

Me: This is gonna be good.

Mole Man: Lets call Abis Mal.

Me: Good idea.

We did so.

Abis Mal appeared.

Abis Mal: I'm here guys!

Me: Awesome!

Ymir: By the way guys how did you guys meet Ruby Rose and friends?

Me: Well that was a really awesome adventure. It was back in 2020 after the Great War with The Royal Defenders.

I went over what happened to chapter 1181 in Loud House Revamped. When it was done everyone that hadn't heard about it was shocked!

Camie: WHOA! So that's how you guys met! Man that was awful they were forced to be fugitives!

Ruby Rose: I know!

Weiss: But the team and Lincoln all have been there for all of us.

Xenia: It's true.

Emerald Sustrai: It was awesome.

Me: It sure was.

Khybon: We should use a Frost Blade here

Me: Good idea.

Varie: I agree.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Remnant.

Grodd: So, where should we go? Vale, Mistral, Atlas, or Vacuo?

Nico: Well...

Weiss: First we'll go to my mansion and then look for any evidence that might be useful to bring down Jacques.

Winter: Good idea.

We got to landing. We landed outside of Atlas. We got out and went to the Schnee mansion.

Block Man: Feels good to be home, huh?

Ruby Rose: It sure feels great!

Me: Awesome.

Qin: Yep.

We arrived at the Schnee house and went in.

Weiss: I missed my home.

Winter: Feels good to be back.

Willow: Yep.

We walked around.

Me: So what are we looking for?

Weiss: Any evidence that can prove that Jacques is a monster.

Me: We already know that. But okay.

Yang: Let's search in Weiss' room!

Atomic Skull: Well...okay.

Me: Okay then.

We went to Weiss's room and looked around and it was amazing.

Me: Nice room.

Weiss: Thank you. It's pretty.

We looked around and saw pretty clothes. But we found books on magic and more.

Me: Books on magic. Wow.

Weiss: Yeah I've been studying on the art.

Me: I see.

We then checked Jacques and Willow's room. We looked around and found all kinds of business records.

Me: Look at all these business records. Turns out he was raking in money left and right.

Ruby Rose: Whoa!

Me: Yeah.

Qin: Look here guys!

We saw a book she got from under his mattress.

Qin: This is a diary.

She read it and we read it too and we found out that he had orchestrated NUMEROUS AND TERRIBLE ATTACKS on various cities all over Remnant and was destroying towns all over and killing people left and right and building Dust Mines for more and more business and money so the Schnee name can be all powerful. Also we saw that he was had a MASSIVE AND TERRIBLE HATRED towards all Faunus and wants to kill them all and rid all of Remnant of them because they are scum of the planet! He was also responsible for all sorts of terrible atrocities that destroyed COUNTLESS Lives all over Remnant all just to satisfy his greed!

WE WERE SHOCKED AND APPAULED!

Flash Man: No offense, Salem, but he's worse than you

Salem: None taken but yes he sure is.

Me: At least we got rid of Tyrian Callows.

Xenia: Yeah.

Weiss: This makes me really mad!

Me: I know. But at least we got all the evidence we need here. Now we can show everyone on Remnant what he is.

Nico: Yep.

We then went to Atlas and went to see General Ironwood.

We arrive and saw him.

General Ironwood (to a few soldiers): Now, I need you to sort the weapons in alphabetical order and-

Skinner: Hey there, General.

General Ironwood: Welcome back Team Loud Phoenix Storm.

Me: Hello General Ironwood. Sorry to come by like this but we have some new evidence that we found on our old "Friend" Jacques Schnees.

General Ironwood: What did you find out?

Weiss: It's all right here in his diary.

He got to reading it and when he finished HE WAS UTTERLY HORRIFIED!

General Ironwood: This is not good! Assemble a press conference. We need to tell everyone on Remnant.

They nodded.

General Ironwood then told everyone on Remnant and when they found out about everything they were shocked! But even more so, they were outraged! They now wanted to make sure that Jacques Schnee gets sentenced to death for his crimes!

General Ironwood: On the bright side, anything you don't do to him today, you can do next time

Me: That's exactly what we are going to do. We're going to wait till Lie Ren's day to shine and then we're going to unleash the ultimate extent of our fury on him. It won't be for a while but tell everyone to be patient till then.

General Ironwood: Understood.

Suddenly, Lincoln wound up getting a serious nosebleed as blood gushed out of his nose!

Lincoln: WHOA!

Me: Lincoln, you okay? Uh oh, hot hypothetical Akuma babe alert?!

Lincoln: Yep, her name is Crystalschnee, the Hypothetical Akuma of Weiss Schnee and a deadly and powerful master of crystals and magic. She is a powerful master of the art of magical seduction and uses her crystal to bring her targets to be her slaves. She was made because of the terrible abuse she had to endure at the hands of her evil father Jacques Schnee and she vowed to make that monster pay by unleashing her army of slaves onto him and tear him apart.

Lincoln took out his sketchbook and we saw her: she's a seductive bikini babe with long white hair, blue eyes, and wearing a two-piece blue bikini and she is coming out of a huge beautiful crystal cluster.

Me: (WHISTLES) First, Rose Seducer, Flametaurette, Stormbikini, and Blake Cat, and now, it's Crystalschnee's turn.

Lincoln: I'll let her pull some of her seductive poses. (Smirks) But, that's when I use my bodybuilding poses on her and use my own art of seduction against her.

Nico: Fighting fire with fire? This should be good.

Divebomb: I bet Rarity loves her style

Rarity: Oh indeed I do darlings. This will be so fun to see.

Me: It sure will.

We got a move-on, and we heard Jacques' screams of pain from a distance and we saw many of his own men turning against him.

Nicole: Wow, Jacques really went too far in hurting Weiss! And all that karma is coming back to bite him right in the ass.

Caleb Maxwell: That's going to be the least of his problems once I get done with him, I'll gouge his eyeballs right out of his eye sockets, I'll pull his brain out of his head through his nose, and I'm gonna turn him inside out and let the vultures pick at his organs!

WE ALMOST BARFED!

Nicole: Lincoln, I hope you finish Jacques off and fast!

Lincoln: I'll do just that, but someone needs to keep Caleb restrained.

Then, we saw a crystal appear out of nowhere, and finally, we saw Crystalschnee emerge from the crystal.

Nico: Whoa! Now, that's an entrance!

Rarity: Indeed. Weiss, is that you?

Crystalschnee: Yes, it's me, Rarity, and I know why you're here. But, first. (Did a seductive pose) Like what you see, Linky?

Lincoln nodded and he held on trying not to go wild, but then...!

SUDDENLY, A MASSIVE WALL OF RAGING WILDFIRE APPEARED BEHIND LINCOLN!

Then, Lincoln proceeded to do the bodybuilding poses he used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that caused Crystalschnee's nose to gush out blood!

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, Weiss?

She was really swooning over him especially when he started showing off by flexing his muscles.

Crystalschnee: (Thinking) (Swooning) What a handsome and manly wolf hunk.

Lincoln: (Smirks) (Thinking) Gotcha!

Then, Lincoln pounced on Crystalschnee and pinned her to the ground with him on top of her.

Me: Whoa!

Nico: He's got her beat!

Nicole: Beaten at her own game of seduction by Lincoln.

Crystalschnee: (Thinking) Oh man, he got me good!

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally massive sex drive, hyperpuberty, and genes he'd inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Suddenly, Crystalschnee began to wrap her legs around Lincoln's waist, and and he wrapped his massive muscular arms around her waist and then, he leaned down to her face and they kissed each other on the lips deeply and passionately and it got seriously intense as she placed her hands on his massive hairy pecs.

Then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Crystalschnee with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Crystalschnee: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be, you got me good and beat me at my own game of seduction. Who could've guessed the boy I met long ago would grow up into a 12'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Crystalschnee: (Smirks) Well, well, someone's a little...aroused.

Then, Lincoln let go and he carried her bridal style.

Lincoln: You'll have time for a little...intimacy later on tonight at the hot springs in my room, I promise.

Weiss: And that's indeed a promise.

Me: Whoa baby!

WE LAUGHED HYSTERICALLY!

Hydrax: Weiss, is that you?

Crystalschnee: Yes it's still me Hydrax.

Me: Those crystals on you are absolutely beautiful and breathtaking.

Weiss: My akuma is one of the most beautiful I've ever seen.

Crystalschnee: I'm glad you think so.

Abis Mal: Boy I would love selling them for some good money in Agrabah.

Crystalschnee: I'm sure you would Abis Mal.

Abis Mal: You still need to calm down.

Crystalschnee: Just a few more minutes.

Then Lincoln and Crystalschnee got to making out more.

We laughed!

Me: Okay you two lovebirds.

Crystalschnee: Sorry. Shall we?

Me: Ladies first.

Crystalschnee: Thank you.

She fired crystal clusters at us and I smashed them all ov with my incredible strength!

Ben turned into Diamondhead!

Diamondhead: DIAMONDHEAD!

He fired crystal shards and smashed her all over.

I fired a sonic howl blast with Yenaldooshi's power and smashed her down!

Abis Mal charged at her and smashed her down.

Crystalschnee: My turn.

She grew HUGE CRYSTAL Clusters and they went at us.

I fired a sonic boom blast and knocked her down.

Me: YEAH!

She was down.

Crystalschnee: I give.

Me: Good. Now you can be with Lincoln all you want.

Lincoln: Yep, Now, let's go teach that so-called father of yours a lesson he'll carry with him to The Warp and take down Arthur Watts. With Crystalschnee's hypnotized men still attacking Jacques, I'm sure Arthur is also getting dealt some serious pain as well.

Nico: I can already guess it.

Yang: I wanted to go in Weiss' room some more.

Divebomb: To embarass her?

Me: Okay guys enough.

Nico: Lets get a move on.

We then went after Arthur Watts and Jacques Schnee.

We then saw Arthur Watts and Jacques Schnee fighting against Jacques Schnee's mind-controlled men who were still under Crystalschnee's control.

Nico: Wow, those two jerks are still getting clobbered big time. Let's get them.

Illusion Card, appear before Jacques Schnee and Arthur Watts and make their worst fears come to life. Release!

Alexander Avalon fired an illusionary fog from his staff and it appeared surrounding Jacques Schnee and Arthur Watts, and it showed their worst fears ever: for Jacques Schnee, it's Weiss, Winter, and Willow showing up to attack him, and they showed him no mercy, and for Arthur Watts, it's us who were back to send him to Hell for good. We heard their screams echoing.

Sakura Avalon: Wow.

Serenity Avalon: Using the Illusion Card to make their worst fears come to life, really good.

Nico: That was really awesome. Okay, let's get them.

Suddenly, the spirits of Weiss' mother and sister appeared along with the heroes of Remnant and they attacked Arthur

Watts and Jacques Schnee with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon which sent those two dickheads flying into a wall! Then, the spirits converged and then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared!

Nico: Hello!

Me: Been a long time since we last saw you, Arthur Watts.

Arthur Watts: You! You're gonna pay for...!

Suddenly, he saw Salem back to normal.

Arthur Watts: Salem?!

Salem: I'm no longer The Dark Queen of The Grimm, Arthur, I've since been freed from the curse and since redeemed myself.

Me: That's right, she redeemed herself.

Nico: And you also have some nerve showing up here yet again, Jacques. By the way, your "family" and Lincoln have a few not-so-pleasant things to say to you.

Then, Lincoln, Weiss, Willow, and Winter approached, and they proceeded to beat the shit out of Jacques Schnee!

POW! WHAM! SLAM! SMASH! BLANG! KRACKOW! COW MOOS! SEAL BARKS! HORSE WHINNIES! CAR HORNS! PIG SQUEALS! LION ROARS! ELEPHANT TRUMPETS! BULL ROARS!

BLARGA FLARGA!

Me, Nico, Ruby Rose, Blake Belladonna, Yang, and all of Remnant: OH MAN! THAT'S JUST BRUTAL AND REAL UGLY!

Lincoln: EAT BOOT, RACIST ASSHOLE!

KRACKOW! WRESTLING BELL DING!

LINCOLN KICKED JACQUES SCHNEE SUPER HARD IN THE CROTCH WITH HIS LEFT FOOT, AND HE REDUCED IT TO PRIMORDIAL SLOP!

POW!

THEN, HE PUNCHED HIM SUPER HARD IN THE MOUTH AND KNOCKED OUT ALL HIS TEETH!

Lincoln: Say bye to your teeth!

Weiss: That's for every last one of your crimes, you heartless monster!

Winter: And it's gonna get worse for you.

FINALLY! SQUELCH! CRACK!

Jacques Schnee: (SCREAMS OF PAIN)

LINCOLN RIPPED OUT JACQUES SCHNEE'S LEFT EAR AND HE ALSO BROKE ALL OF HIS FINGERS!

Jacques Schnee was severely mutilated beyond any recognition!

Me: HOLY FUCKING PITS OF VIOLENCE!

Nico: DAMN! THAT WAS BRUTAL!

Willow: And this...!

SLAP! RIP!

SHE SLAPPED HIM HARD IN THE FACE AND SHE RIPPED OFF HIS NOSE!

Willow: This is for abusing me, Weiss, and Winter for so many years! Consider this a divorce, you piece of crap!

Me and Nico: THAT'S TELLING HIM, WILLOW! SCREW YOU, JACQUES, YOU PIECE OF SHIT!

Jacques Schnee: (Mumbling) WHY, YOU LITTLE!

Arthur Watts: (to us) Don't bother with him. He's not your main problem at the moment.

Calamitous: From one smart mind to another, I have to agree.

Me: Same here. But Weiss and family are going to get some well deserved payback on him.

Arthur Watts: I see. Its been a long time J.D.

Me: Almost 4 years.

Arthur Watts: I heard how you all have been doing it all since we last fought. Even killed Xehanort and Galactus.

Me: That's right. And as you can see, we've gotten massively and infinitely more poweful since then as well as increasing in numbers too.

Arthur Watts: I can see that. Congratulations are in order then for completing your biggest mission.

Me: Indeed. Now we have a new big baddy out there. Anti-Monitor.

Arthur Watts: Yes I know.

Me: Good good.

Watts: Let's see if you can deal with this. (presses button)

Turrets appeared on the ceiling as they fired at us.

I deflected the lasers and gun blasts all over the place.

Magnet Man: Let me handle this.

He fired magnet blasts and destroyed the turrets.

Me: Impressive turrets.

Watts: Thank you.

Watts: But that was just the warmup.

He pushed another button and the area began to shape itself into some sort of arena.

Goliath: What the?

Me: An Arena huh? This is new.

Qin: Nice setup.

Watts pulled out his pistol.

Watts: (fires at us) 20. (fires again) 19.

Ultra Humanite: It appears he's counting his shots that he has left

Me: We've also learned some new tricks too! SNOW BLAST!

I used the Di-Gata power and fired a blast of ice and blasted Watts all over and covered him.

Me: I haven't forgotten that one.

Watts broke out of the ice

Watts: (fires at us) 17. (fires again) 16.

LaGrange: He's still counting!

Me: FLAMING VORTEX!

I used the Di-Gata power and fired a vortex of fire and he dodged it all over.

Watts: How did you do that?

Me: The Di-Gata power. We learned it on the planet RaDos.

Watts: Impressive. I admit I skipped 18. (fires at us) 15. (fires at us again) 14. (fires at us again) 13.

Catzi: I knew you were forgetting a number!

I fired waves of blue fire and blasted him down.

Me: Lets see if you can last against my blasting skills.

I pulled out my blaster and fired at his feet.

LASER FIRE!

I MADE HIM DANCE LIKE A SISSY GIRL!

Me: You're quite a dancer! Nice moves!

As soon as he stopped dancing, Watts fired at us again.

Watts: (fires at us) 12. (fires again) 11.

Aria Blaze: He just doesn't stop counting!

Me: I know! Also we not only learned some new tricks but we have some new toys as well. Watch.

I flicked the switches for Universe 666 Salem, Universe 666 Cinder Fall and Remnant and got a CRYSTAL DUST SWORD!

Me: THE CRYSTAL MAGIC DUST SWORD OF REMNANT!

Watts: Impressive. Lets see it top this. (Fires at us) 10.

I deflected the blast back and it turned the blast into a bunch of watermelons and they hit Watts!

KRASPLAT!

He got splattered all over in watermelon!

Watts: (Wipes the watermelon off) That was quite amusing. (fires at us again) 9.

Snake: (fires back) You're not the only one with a gun, dude!

He fired his guns.

I fired waves of energy and blasted Watts all over.

Snake fired his gun again but Watts jumped to avoid it and landed on top of Breakdown

Breakdown: HEY! Get off of me!

I teleported and jumped him and grabbed Watts and smashed him down.

He went at me and punched and kicked at me and I blocked all his moves.

Me: You are good without guns Watts.

Watts: Thanks! You've gotten stronger and faster since we last met.

Emerald Sustrai: He's not the only one!

She formed an illusion of NIGHTMARISH KRABBY PATTIES ATTACKING HIM!

SpongeBob screamed in fright!

Poromon: THAT AIN'T THE ONLY THING THAT IS SCARY! YOU WANNA SEE SOMETHING SCARY?! SCARIER THAN KILLING KIDS!? Well (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Me: A nightmare you never want to experience!

Nico: Yep!

Me: Including this one! NIGHTMARE STYLE NINJA ART: RAMPAGE OF THE MURDEROUS PINK PONY!

I fired a wave of darkness and it formed into Pinkie Pie with a Joker Grin and she punched and pulverized Watts all over the place with intense savagery!

Nico picked up his gun and and fired 5 of its' bullet at Jacques

BANG BANG BANG BANG BANG!

They hit him in his back.

Me: Nice shooting Nico. But at least let them transform and have their fun first.

Nico: Sorry.

Callie Daniels: Watch this!

She spread her wings and flew fast as a falcon and Watts had lasers fire but they missed her every time!

Nico: WHOA! She is fast!

Devon: Oh yeah!

Callie then did a DIVEBOMB STUNT!

She was doing a MACH 10 SONIC BOOM!

Me: UH OH DUCK!

We ducked and then she flew past Watts and blasted him down with intense speed at 7,100 miles per hour!

Qin: WHOA! THAT WAS INTENSE!

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Jacques Schnee and Arthur Watts and we all found ourselves not only in Heaven, but also, in space.

Jacques Schnee: YOU ALL WILL HELP ME KILL THESE CRETINS RIGHT...

CHOMP!

HE SCREAMED IN AGONY AS HE HAD A HUGE CHUNK OF HIS STOMACH TAKEN OUT BY TERROR TOOTH FROM EPISODE 13 OF TURBO!

Terror Tooth was a ravenous spiked snapping turtle monster who served as the main antagonist of the episode "The Millennium Message".

Terror Tooth is first seen in the monster army when Divatox rallies her monsters and Piranhatrons to attack Earth and destroy the Turbo Rangers to avenge the destruction of Maligore.

After the Blue Senturion is made to see the Turbo Rangers as enemies, he attacks Tommy but Kat tries to convince him that they aren't evil. Not wanting her to convince the Blue Senturion, Divatox asks Porto if he has a "spare monster" to eat her. Porto then points out Terror Tooth who is gnawing on some electrical wires in the Subcraft so she sends him to attack Kat. However, Tommy rescues her and the other Turbo Rangers blast the monster before Kat is given her Turbo Wind Fire to blast and badly injure Terror Tooth.

After the Blue Senturion's programming is restored, Divatox fires the torpedoes to give Terror Tooth a giant appetite so the monster grows and grabs the Blue Senturion to eat him.

Seeing this, the Turbo Rangers summon the Turbo Megazord which punches back Terror Tooth and shoots him with the Headlight Blaster. Although Terror Tooth survives, he is shrunk back down to human size so some Piranhatrons appear to help him.

The Rangers and Blue Senturion arrive and shoot him with the Senturion Synergizer and Auto Blasters which knocks down Terror Tooth who immediately teleports away.

Shortly after, once a detonator within the Senturion explodes and seemingly kills him, Terror Tooth returns as a giant with additional armor and a new visor. The Turbo Rangers use the Turbo R. A. M. against him but he is unfazed and he pulls out a giant cleaver which he uses to smack them down.

Before he can cut them apart though, he is suddenly struck by laser blasts from the new Robo Racer piloted by the Blue Senturion who is still alive. After shooting Terror Tooth more, he turns his Zord into Battle Mode which is able to beat down the monster.

Although it restrains Terror Tooth with a handcuff, the monster blasts him with lightning but a second attempt to do so fails due to the Racer Zord's riot shield. The Robo Racer then pulls out its Synergizer and unleashes a devastating hail of laser blasts that obliterates Terror Tooth.

A year later, Terror Tooth is seen amongst the's forces who invade the Phantom Ranger's home planet in the United Alliance of Evil's invasion of the universe. How he returned is unknown but, when Zordon's Energy Wave washes over the planet, he and the rest of the Machine Empire are reduced to dust.

T.J.: Terror Tooth!

Terror Tooth: Long time rangers.

Me: My what UGLY Teeth you have! But I remember you! You were sent to attack the rangers to prevent Blue Senturion from being reprogrammed back to good.

Terror Tooth: That's right! Good memory. And BLECH! JACQUES TASTES LIKE ROTTEN CHUM AND BAT GUANO!

WE LAUGHED HYSTERICALLY!

Terror Tooth: Watts didn't give you order. But Jacques did!

Me: He was about to but you took a good bite out of him!

Terror Tooth: I sure did.

Qin: That was awesome!

Dark Spicer: Yep. And I have 2 new aliens for you.

Me: Lets see them.

He turned into a purple Tholian creature with red crystal wings!

Flarecrystal: Meet Flarecrystal!

Shanan: WHOA! A Tholian Hybrid! Nice!

Deadpool: That's from Star Trek!

Flarecrystal: It sure is! (charges at Yang)

She jumped and fired waves of intense fire and blasted him down!

Me: Nice one!

He then turned into a black and blue Andorian creature with ice angel wings and had a cold aura!

Coldharm: This is Coldharm!

Shanan: An Andorian Hybrid! Nice!

Ruby: That's cold!

Coldharm: I know, right? (charges at Ruby)

He fired a blast of ice and I teleported and I fired a blast of fire and the blasts collided and a massive steam cloud came out!

Me: Steamy! Andor is a cold world though. Good choices!

Dark Spicer: Thanks!

Nico: Lets get it on!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

---

Mojo Jojo was first.

Mojo (to Jaune): Nico's rescue was on Criam for the final time. I hope something different is next!

Jaune: Oh there was! Instead of scumbags from J.D.'s past and one of Universe 666 Nico's minions, we battled Abby Sanchez, the bully who bullied Luan and one of the two who turned her into the monster prankster, has come back from The Black Gates for revenge on us yet again, and Blair Sanchez, Abby's evil spiteful cousin who hated us every last one of us with a blazing passion and wanted to kill us all for always protecting Earth and everyone on it and the entire universe just to slake her own hatred. They were responsible for breaking out all the scumbags from prison and kidnapping all those girls.

THEY GASPED!

Mojo: I was not expecting that!

Morph Moth: No it was completely different this time! Also now we're done with Criam thank goodness.

Miti: And we rescued all the girls too. Also Abby and Blair broke all those scumbags out of prison and kidnapped those girls to piss us off and kill us!

Ape Man: Oh man!

Acid Breath: I'm glad they a destroyed! Wait wasn't Abby Sanchez the one that bashed Eddy on his head with those bowling balls and caused Dark Eddy to form?

Jaune: That's her!

Acid Breath: I KNEW IT! I'm just glad she is gone too. And so is the monster of her creation Dark Eddy.

Twilight Sparkle: Yeah no kidding! Now we stopped them forever and banished them all to the Black Abyss.

Stellar Sparkle: Thank goodness for that.

Harmony Sparkle: Yeah that was intense!

Starshine Sparkle: Yeah! That's more dark chapters of many of our pasts gone.

Spyro: Specifically Luan's past.

Mojo Jojo: Thank goodness for that! Now lets do it for I, MOJO JOJO, am ready for action!

Jaune used the Vistamp of Mojo Jojo and the Townsville World Gear and they fired waves of energy and magic and smashed them down.

Hydros (to Azulongmon): The Anothers were the gene-slammers of Breaker the Magical Warrior and Hydra's Servant. Nico, Ryan's team, Ghostface's team, and the others did good battling them.

Azulongmon: They sure did and it was a most amazing and fun battle too.

MegaKabuterimon: It sure was. We also met Dark Gale gene-slammers for Mega Yveltal, Mega Lunala and Mega Deoxys.

Hydros: WHOA! 3 powerful Legendary Pokemon!

Sara: Yeah! And we got an amazing surprise from them! The Mega Deoxys was Gianna Kisaragi and she is Gentaro's sister and has an amazing mastery of power over the stars and the powers of space.

Hydros: WHOA! What monster was she fighting when she got slammed?

Zaigo: WHOA! That is incredible!

Sara: But here is the big shocker! The Mega Yveltal gene-slammer was Stacy Storious and she is the sister of Storious of Kamen Rider Saber! But she hates her brother with every fiber of her being! She vowed to make sure he suffered the worst kind of punishment ever and that is turned to a stone statue and placed on a planet she doesn't like and blow it up with it on it and obliterate him.

THEY GASPED!

Hydros: HOLY CRUD! I don't blame her! After all the shit he did to the Saber Riders and on Megan's big day in 2022, he deserves to be destroyed by her! Talk about Bad Blood to the infinite power!

Evil Star was next.

Evil Star (to Tommy): The Mascots built a fort of blankets. Where did they get them all?

Tommy: J.D. had a massive stash of pillows and blankets tucked away in a cabinet under the floor for stuff like this and it was fun! They built a fort of pillows and blankets and that was cool!

Breaker: It sure was. Also they had a HUGE PILLOW FIGHT and the Loud kids all joined in too. They bashed each other all over with pillows all over!

Elastigirl: It sure was and we did not use Down feather pillows thankfully.

Rarity: We haven't had that much fun since the time me and Applejack had a slumber party with Twilight?

Evil Star: Really?

Rarity: There was a nasty storm outside and me and Applejack were stuck with Twilight till it passed.

Erica Tala: That sounded like fun. Also me and Lilja hit Applejack really hard and she looked like she was mashed up by a stampede of cows.

THEY LAUGHED!

Sapphire Ocean: That was fun though. The Mascots all had a lot of fun.

Rarity (G5): We sure did darlings.

Dioptase Angel Belle: The fort was cool too! And we even battled Scary Teri.

Evil Star: Who is she?

Dioptase Angel Belle: She's an Urban Legend that TTG Cyborg found out about when he had a slumber party. But this was long before he got his cybernetic body. When Victor Stone before he became Cyborg had a sleepover once, some kids forced him into a dark bathroom and closed the door on him so he could play "Scary Teri", which was a game where he looked into the mirror and said "Scary Teri" three times. According to Cyborg, he saw Scary Teri show up in the mirror, which horrified him and scared him so bad to that very day. She is a malevolent demonic figure that scares you REALLY BAD!

THEY GASPED!

Evil Star: Oh man! That is terrible!

Dioptase Angel Belle: I know! Legends say that if you are look at a mirror with a candle in a dark bathroom and you say her name 3 times, she will appear and SCARE YOU THAT BAD! But the fort was a perfect battle site for her. Because it was like a pillow mansion. Also we sent her to the M.O.E.

Dark Spicer: WHOA! Just like how you guys were shocked at how Venjix and Evox were both one in the same and how he resurfaced after 10 years!

Rainbow Dash: That was MASSIVELY shocking for us! But she was glad that Venjix and Evox are both destroyed for good. Also we learned that Callie is very close friends with Dr. K for the city of Corrinth!

Pyrrha: I sure am. I'll never forget that lots of us fought each of Salem's forces back then including Arthur Watts.

Blast Hornet: Yeah that was amazing!

Ravi Shaw: I remember it was Tecna, Dante Vale, Jaune Arc, Carly, Misty Tredwell, Bai Tza, Starfire, Tara, Juvia Lockser, Azulongmon, Vegeta, Bulma, Tien, Krillin and the Riddler that battled him back then. That was when we started out with helping Ruby and friends.

Sheila Kelsall: (Australian Accent) That was intense mates!

Fluttershy: Yes it was. But it was fun too.

Lilja: (Icelandic Accent) I agree there. I can't believe that Salem went through all that back then.

Sólrún: (Icelandic Accent) Yeah that was horrible! All she wanted was her love back and the gods punished her for it. That's so unfair.

Daffodil Bloom: Yeah that was awful that happened!

Bluebell: I agree there!

Fluttershy (G5): Yeah that was crazy.

Tornado Bolt: One of these days we'll have to do a rescue for Nico where we battle the very gods of Remnant themselves and destroy them for cursing Salem in my opinion with a fate worse than death!

Seabreeze: (Swedish Accent) Ja I agree there! No one should ever suffer like she did!

Stealth Elf: I agree there myself! Salem was just asking for her love back.

---

Dr. Light was next.

Dr. Light (to Kairi): Jacques Schnee is here because of justice that needs to come for Weiss. Though personally, I think he's a minor annoyance right now.

Kairi: Well in my opinion, since it's Weiss's day to shine, it wouldn't be fair for her if she didn't have some form of justice for her, Winter and Jacques ex-wife Willow. And the only way to do that is to have Weiss and her friends and family punish Jacques for all the years of pain and abuse they suffered under his tyranny.

Dr. Light: You're right on that. That does make a lot of sense.

Shanti: I agree too. What Jacques did to Weiss, Winter and Willow is absolutely horrible!

Dr. Light: Remind me again. What was it that lead him to be such an awful monster. What crimes has he done?

Kairi: A more accurate question is what HASN'T he done? He did it all. Abuse of power, terrorism, treason, murder, hate crimes, arson and more. Also we found an old diary in Weiss's home that belongd to Jacques and it showed the full extent of his treachery and how far Jacques was willing to go to bring all of Remnant to its knees. We found out that he was orchestrating a massive attack on Beacon that would have left all its citizens dead and killed. Also he was going to destroy all the Hunter Academies and cities in Remnant to make way for new Dust Mining Companies under him. And he was going to kill all of Blake's people and beyond to erase Faunus everywhere because he views them as vermin! He was a menace to all of Remnant in general!

We showed all of that to everyone on Remnant and now the entire planet is after him to mount his head on a pike!

They gasped in shock!

Dr. Light: OH MAN! Jacque Schnee was a true terror! Finding that diary proved to be the ultimate nail in his coffin.

Pinkie Pie: That is for sure! That party pooper has no right to call himself a father or a business man!

Maud Pie: (Monotonously) I'm glad we're going to make sure he pays too. Arthur Watts is going to you guys.

Optimus Prime: Oh yes we do. But the beating he received from us is going to be the least of his worries.

Ravenoid: Yeah that is for sure!

Yugito: What Jacques did is horrible! But when that day comes, I do have a suggestion on how we can make sure Karma does its job. We can bring him to trial and then kill him in front of everyone on Remnant.

Nico: This is only the beginning of his karma.

Me: And he's gonna see that karma really is a bitch.

Lincoln: I can't wait for that day to come. Now, there's one last thing to do and one last loose end to tie up: The Beast.

We then turned our attention to The Beast who was still in suspended animation.

Time to die, you evil Alien Dark Lord!

Lincoln, Gianna Octavia Cooper, Nico, and I went after The Beast, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at The Beast, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Gianna Octavia Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Gianna Octavia Cooper, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making The Beast even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Beast and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound The Beast.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of The Beast and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Beast and he began absorbing him and assimilating The Beast's Shapeshifting, Power Bestowal, Flame blasts and fireballs, Object Creation and Illusions, Portal Creation, and Omnipotence, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of The Beast and he also sucked out all the energy remaining in The Beast's soul and he banished him soul to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Gianna Octavia Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Gianna Octavia Cooper: It's over for you, Leader of The Slayers, and to this we say good riddance. Thanks for helping me get rid of that evil Alien Dark Lord, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Gianna.

Me and Nico: Our pleasure, Gianna.

Suddenly, Gianna Octavia Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gianna Octavia Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Gianna Octavia Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Sigurbjorn, you transformed and you guys really let that evil Alien Dark Lord have it.

Me: That's for sure, he didn't stand a chance against us back then, and he didn't stand a chance even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Aquamarine.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Aquamarine.

Catherine Diamantis: There's only one person who matches this: Aquaria Aquamarine, Avatar and Gene-Slammer of Gem-Knight Aquamarine, and you guys are going to love meeting her, Aquaria Aquamarine, Avatar and Gene-Slammer of Gem-Knight Aquamarine, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Aquamarine gems and crystals. She's known as The Aquamarine Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Aquaria Aquamarine came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Aquamarine gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Aquamarine gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Lilith Grimm, Gene-Slammer of Steelswarm Genome and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Aquaria's parents and her little sister, Aurora, in cold blood, and she swore to kill Lilith Grimm and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Aquaria lost both her parents and her little sister, Aurora, and Lilith Grimm killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She don't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Radioactive Man: I'm going to help Pyrrha against Cinder.

Me: Yep and we're going to make sure she pays.

Dr. Light: But at least Watts is with us now.

Me: Yep.

Greiger: We'll continue where we left off with Jacques in the future.

New Wave: But for now, we celebrate.

Me: Good idea.

Evil Lyn: (to Weiss) Know any good restaurants in Atlas?

Weiss: Plenty of good ones.

Me: Okay then.

Nico: Great job today everyone. Boy that was fun.

Weiss: (To the viewers) Soon Jacques wil die. Be patient.

Me: Yep.

We went to a good restaurant in Atlas and it was a great luxurious one too.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it. We took down Arthur Watts and sent him to The M.O.E.

Anna Anyanova: And sent Jacques Schnee to The Warp until Lie Ren's big day, and we're just getting started. Now that all his crimes have been made public, all of Remnant is out for his blood, and soon, we'll have him brought to trial and publicly executed for his crimes.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Alexander Avalon was out in the city and looking out into the skies.

Alexander Avalon: Tomorrow, we're heading after Nathaniel Blackwood, and we'll put a stop to him for good, but I have a bad feeling that a darker villain is going to show his face and kill Nathaniel and reveal a much more sinister plot, but we'll be ready.

Alexander Avalon went back inside, but what he said will soon be proven true tomorrow.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to New York specifically New York University, and we're going to take down

Nathaniel Blackwood, Alexander Avalon's hated archenemy, he was a nasty bully, but nasty doesn't come close to it, he destroyed a chemistry lab, sabotaged the sports teams, sold private school information, and all sorts of nasty stuff, but he was also responsible for a cheating ring that finally got him expelled, and that combined with the other stuff he told us and all that got Nathaniel Blackwood life in prison. We'd found out he was responsible for creating clones of the hypothetical Akumas through means of dark magic, but before we take him down, he's going to wind up getting killed by Alecto Slytherin, the racist descendant of Salazar Slytherin, as part of an insidious plot: he created The Dark Clow Book, a dark magic version of The Clow Book, and he's going to release The Dark Clow Cards into the world and into the hands of villains: both new and familiar when we went after The Clow Cards years ago when we first met Sakura and her friends. We're going to have quite an adventure in the coming days, but once those Dark Clow Cards are taken down and drained of their powers and dispelled forever, we're gonna make sure Alecto Slytherin pays for this when we kill him in the near future and send him to The Black Abyss forever thus wiping out the racist legacy of Salazar Slytherin forever.

And we're going to meet Aquaria Aquamarine, Avatar and Gene-Slammer of Gem-Knight Aquamarine, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Aquamarine gems and crystals. See you all next time.

DAY OF THE CATS

Blake Belladonna's day to shine and we're going to battle Nyancy Chan

---

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a blood red planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over blood, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Sanguisaira, a red planet of blood in The Forbidden Zone that was inhabited by powerful warrior angels called The Sanguisairans, the males were not only natural born fighters and had incredible superhuman strength, but had powers over blood, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Crystallumairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: I already know the drill.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Naturaira once inhabited by The Sanguisairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Sanguisaira, wow, it's a planet of blood alright.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Sanguisaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a blood red gem surrounded by angels carved on it, and then, the blood red gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of blood red souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Sanguisaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Sanguisaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over blood, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blood red aura with blood surrounding him and the rainbow, white, golden

yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over blood, and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Sanguisaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Sanguisaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and

the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Sanguisaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Sanguisaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and

massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Sanguisaira, it was a planet of blood.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) The Infernairans laid waste to The

Sanguisairans, and there truly is no end to the terror they'd wrought throughout the universe

Lincoln: Arpina's former people were absolute monsters.

Blake woke up to see Meowth staring at her.

Meowth 2: Morning Blake!

Blake: Oh morning Meowth.

Meowth: Time for breakfast!

Blake: Be right there.

She went and got dressed and went to the table,

Me: Morning Blake.

We got her salmon benedict and eggs.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras,

rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Cobra Commander, and he and his minions are on a volcano planet known as Mayon.

Me: HOLY SHIT! It's Cobra Commander!

Nico: So, that's why we weren't able to find them, they're on this volcano planet, Mayon!

Snake Eyes: To hide there on that planet, they truly are afraid of death.

Me: Boy we haven't faced Cobra in a while. Last time was back in 2019.

Nico: I know.

Lincoln: The only one who's afraid of death is Cobra Commander, but I have an idea: we'll take down his minions and send them to The Masters of Evil, they'll have a much better employment, but as for Cobra Commander, we're going to kill him, and I know a certain beast that lurks on that planet and he'll be glad to have deep fried snake for dinner. (Smirks)

Me: You know what kind of beast lurks there, Lincoln?

Nico: I'm afraid to even ask that question!

Lincoln: That'll be revealed very soon. I've already contacted General Abernathy, he and the others are on their way.

Just then, they arrived.

General Abernathy: We just got the message. So, Cobra Commander and his lackeys are hiding out on a volcano planet.

Nico: Yep. This is gonna be one battle that'll spell the end of Cobra for good.

Lincoln: What we began all those years ago, this is where it finally ends for Cobra Commander. Alright, now let's finish breakfast and head for Mayon.

Nico: Right.

We finished breakfast, and we headed to Mayon to help Cloudy Quartz unlock her Rainbow Power, take down Cobra Commander's lackeys and send them to The M.O.E., but as for Cobra Commander, we're going to destroy him for good and send him to The Black Abyss forever.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14061.1: The U.S.S. Valorous Phoenix is en route to the volcanic planet of Mayon located in the Andromeda Galaxy and we're going there to battle Cobra Commander and his lackeys. Last time we battled Cobra was back in 2019. First time in 5 years we faced them. Our mission is to kill Cobra Commander and send his lackeys to the M.O.E. The M.O.E. Is with us for this one too.

Hayley Urania: I sure do. It was over in Point Pleasant, West Virginia and we proved that the legend of the Mothman was all totally real.

Nico: Yep.

Ymir: Boy that is so cool that you know all about that. It's amazing how you all know so much about such legendary creatures.

Me: It sure is.

Zak Saturday: Just like how me and my family do all that too.

Me: Yep. You should have seen all the legendary creatures we have encountered with the Saturday Family. So many legendary creatures of all kinds.

Qin: Yep.

Hayley Urania: That is for sure. I think it's so amazing too.

Me: Yeah.

Qin: So much fun.

Nico: He sure did and man we got to use the Di-Gata on him. We haven't done that in a while.

Me: It sure has been a while.

Poromon: He counted his shots

Me: He sure did! It was all fun though. Been 4 years since we fought him last. But also as a bonus victory we got justice for Weiss and her family.

Nico: Yep. Well half of the justice is done though.

Me: Not until Ren's day though. But also that was funny how Terror Tooth took a big bite out of Jacques!

Nico: I unloaded some of the bullets onto him!

Me: You sure did.

Qin: Nice shooting.

Nico: Thanks.

Lincoln: Weiss's Akuma was a Crystal Girl too.

Weiss: I looked awesome. Lincoln and Crystalschnee really got...

Nicole: Weiss we don't need to hear that.

Weiss: Sorry.

WE LAUGHED!

Krusty then came in.

Krusty: GUYS! I need a Forget-Me-Shot now!

Me: Whoa! Okay.

Laney: What's that?

Me: I'll show you.

I got my stuff ready.

Me: You start with a splash of Jägermeister, then add Slow Gin, Triple Sec, Quadruple Sec I don't know how that is possible, Gunk from a dog's eye which is disgusting, Absolut Pikl vodka, the Red stripe from Aquafresh toothpaste and the funniest ingredient the Venom of the White Louisiana Loboto-Moth.

I mixed said ingredients and pulled out a jar full of the little white moths.

Me: Come on sweetie.

I tapped its proboscis lightly and a drop of venom came out of it and fell in the drink and turned it light green and it fizzed.

Me: You stir it with a home pregnancy test till it turns positive.

2 stripes for positive came on it.

Me: And viola! The Forget-Me-Shot. (Season 19 Episode 9)

Nico: Whoa! That is a REALLY unusual drink.

Homer: I had one of those once.

Poromon: Can we have some?

Me: No this stuff is really potent. It erases everything you did from over the last 24 hours to this week.

Poromon: Nevermind then!

Me: Yeah. What do you need it for Krusty?

Krusty: I owe $1,000,000.00 to a bunch of nasty Ghost Pepper Hot Sauce Loan Sharks and they want to smash my face in with hot sauce!

Me: Say what!?

Nico: That is crazy!

Eli: Boy there's loan sharks now for everything these days.

I gave it to Krusty and he drank it and everything he did was erased over the last 24 hours.

Krusty: WHOA! What am I doing here? Better get back home.

He went back home.

We then heard NASTY FIGHT NOISES!

Me: OOH! Ouch and they beat him up anyway.

Nico: Geez!

Me: I know and to be honest I never even knew there were loan sharks like that.

Nico: Yikes.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a very scary volcanic world.

Me: WHOA! So that's Mayon.

Nico: Yep.

Poromon: Whoa!

Me: Yeah.

We got to landing.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive

and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Gali heard a Pokémon cry

Gali: Look guys!

We saw a Popplio!

Me: Cool a Popplio!

Qin: Aww so aborable!

Popplio: This place is horrifying and too hot.

Gali: I know. Here.

She gave her water and apples and she liked it.

Popplio: Ahh thanks!

Lana (Pokemon): Now my Popplio has a little friend.

Me: Yep.

Poromon: That's right.

Me: Yep. (LAUGHS)

But then a super spicy Tamato berry flew right into my mouth and I ate it.

KRABBBBBBBBOOOOOOOOOOOOOOOOOMMM!

MY FIRE AURA EXPLODED OUT WITH INTENSELY POWERFUL FORCE!

Me: WHOA!

Nico: JEEZ!

I saw a Super Spicy Tamato Berry.

Me: A Super Spicy Tamato Berry?

Meowth: OH MAN! Those are lethal!

Nico: Where did that come from?

Me: I don't know but it's good!

I ate it and it was INTENSELY NUCLEAR SPICY!

Nico: WHOA!

Laney: I think they came from that!

We saw a Mega Tropius!

Me: WHOA! A Mega Tropius! It was giving me Tamato Berries.

Nico: Where did it come from?

Me: Must be one of Dark Gale's work.

Shoichi: Let me see.

He used Telepathy and gasped!

Shoichi: That's my sister Erika!

Me: WHOA!

Shoichi: You'll be shocked when you hear about her. Lets go!

We went over ot her.

Shoichi: Erika it's me Shoichi!

She then fired numerous Tamato Berries and one of them landed in Horsea's mouth and then...

EXPLOSIVE BLAST OF FIRE!

SHE BLASTED FIRE OUT OF HER MOUTH AND BLASTED MARIA! She was boiling from that!

She used Razor Leaf on Horsea but she put her clone in front of her.

SOME OF THEM LANDED IN MY MOUTH AND MY FIRE AURA EXPLODED OUT INTENSELY!

SLASH SLASH!

The clone got cut but Horsea's mouth was REALLY ON FIRE!

Horsea: MY MOUTH IS REALLY ON FIRE!

Me: BOY THOSE BERRIES ARE LETHAL!

Nico: NO SHIT!

Me: Yeah! Okay then.

I snapped my fingers and she reverted back. She was a girl with blue hair, blue eyes, blue wolf ears and a tail and had blue angel wings. She had Mega Tropius on her forehead and had the Kamen Rider Agito Symbol with a Moon with wings and 2 wolves on it on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: WHEW! Man that was good spicy fruit.

Horsea: (Wheezing) SPEAK FOR YOURSELF!

She woke up to see Horsea's smiling face

Erika Tsugami: (Groans) Huh? A Horsea?

Horsea: You hit my clone! (Gets mad) BUT YOU MADE MY MOUTH GET SET ON FIRE!

Maria picked her up.

Erika Tsugami: Sorry. Whoa where am I? This place is hot.

Me: You're on the volcanic planet of Mayon.

Shoichi: And it's hot too sis.

Erika: Shoichi!

She hugged him.

Erika: Boy it sure is hot here.

Me: Yeah. You were turned into a Mega Tropius by Dark Gale.

Erika Tsugami: Dark Gale?

Me: Oh. They were a Pokemon villain organization we destroyed a while back. What were you doing before you got slammed?

Erika Tsugami: Well I was battling the Jellyfish Lord.

Me: You mean Hydrozoa Ignio. That one was intensely shocking and powerful.

Kadma: I know. It sure was.

Erika Tsugami: Yeah he was.

Me: Yeah. We helped the Agito Riders beat all their monsters and they are in the M.O.E. Overlord included.

Erika Tsugami: What!?

Vypra: He learned a big lesson and is under my command.

Me: Long story on that.

Shoichi: It's true.

Maria: Yeah.

Horsea: And the fire hit Maria.

Erika Tsugami: Sorry.

Me: What Kamen Rider are you for on the Agito team?

Erika Tsugami: I am the Wolf Agito Rider, Kamen Rider Wolfen. I've become a wolf girl because I absorbed the power of the Wolf Lord in me.

Me: We never saw that one.

Erika Tsugami: That's because he was a Lord with a heart. He saw me dying and transferred his power and life energy into me and it's how I got wolf ears and a tail and the powers of the wolf and the night and the wolf moon.

Me: Wow!

Shoichi: Yeah that was awesome.

Me: Yep.

Horsea: Haven't gotten hit in a while

Me: At least it was with food this time.

Horsea: True.

Nico: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes and an Agito Sword and Shoichi gave her Rider Belt to her.

Erika Tsugami: I look amazing.

Me: You sure do.

Horsea: That was really hot!

Me: You're not kidding. But man did they supercharge me.

Nico: They sure did!

Lincoln: (Sensed for Cobra Commander) AHA! Gotcha! I just spotted Cobra Commander, he's 20 yards away, and he's pretty pissed off with what we just did.

Nico: Time to end this for good.

We then took off to kill Cobra Commander and send him to The Black Abyss forever.

We were flying in the air, and there, we saw Cobra Commander raging like a lunatic!

Cobra Commander: (ENRAGED SCREAM) DAMN THAT TEAM LOUD PHOENIX STORM! THEY'VE DEFEATED ALL OF COBRA'S OPERATIVES! I'VE GOT TO GET OUT OF THIS PLANET AND FAST OR I'M NEXT!

Cobra Commander decided to run away!

Lincoln: He's trying to get away!

Lincoln fired balls of rainbow fire that hit Cobra Commander and he got burned badly, but he got back up.

Me: Stubborn, isn't he?

Alexander Avalon fired a blast of fire from his staff and it formed into a massive wall of fire that cut off Cobra Commander's escape, and he was unable to escape. We used our power to make the wall of fire even stronger than ever, and Cobra Commander was already fleeing the wall of fire.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLE!

Alexander Maxwell and Tyler Maxwell charged at Cobra Commander, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive warhammer and he even shot at him with his machine guns, while Alexander Maxwell slashed at them with his massive greatsword and shot at him with his guns.

Caleb Maxwell: Son of a...!

We landed.

Me: Cobra Commander. So we finally meet after 5 years. You and I have some catching up to do for the last time!

I unsheathed my sword!

Cobra Commander: It took you this long to find me?

Nico: We had other things to worry about, alright?!

Me: Now that we're fighting you in person, we have a lot of catching up to do. Lets dance!

He unsheathed his sword!

Cobra Commander: COBRA!

Me and General Hawk: YO JOE!

We went at him and I clashed with him!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

I kicked him in his face and punched him and slashed him across his chest!

Me: Storm Shadow is much more honorable than you jerk!

Cobra Commander: So he DID betray me!

Nico: That was a clone we killed!

Me: That's right! To make it look like we killed him but also set him on the path to redemption!

I clashed more.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Me: But 5 years ago you and your lackeys would have given us an amazing challenge. But now here we are 5 years later and we are far more powerful than ever!

KROW!

I kicked him in his face and Lord Drakkon fired energy blasts and blasted him all over the place!

Poppilo charged at him and blasted him all over with Aurora beams.

Me: Take that!

Cobra Commander: I FUCKING HATE ALL OF YOU!

Our auras flared flared up intensely!

I clashed more with him and kicked him in his face and punched him in his stomach and punched him in his face!

The punch knocked his mask off and it REVEALED HIS FACE AND IT WAS HORRIBLY SCARRED AND DISFIGURED AND HE HAD 8 EYES!

WE GASPED IN SHOCK AND DISGUST!

Me: GOOD GOD!

Qin: WHAT THE FUCK!

Me: What the fuck happened!?

Cobra Commander: It's the reason why I never take off my mask okay!?

Nico: I can see why!

Me: Looks like someone splashed you with acid and left you to die.

Cobra Commander: Yes they did!

Me: Well let me put you out of your misery!

I slashed him.

Poromon pecked him!

POINK POINK POINK POINK POINK POINK!

Deadpool: Boy you have had it worse than me!

Deadpool revealed his face and it was as scarred and disfigure as him!

Cobra Commander: You too!?

Deadpool: I didn't get chemicals burns like you did. I was diagnosed with cancer and my accelerated healing factor made it permanently part of me. Hence why I'm like this.

Rayman fired a barrage of purple energy fists that attacked Cobra Commander with swift fury and brutality, and we landed.

Me: I was surprised as to why we weren't able to find you on Earth, you and the rest of your lackeys fled to a volcano planet, but that was a stupid move.

Nico: Especially since you're on a volcano planet.

Cobra Commander: Curses! I thought you fools wouldn't look here!

Lincoln: We've gone to planets like this before, and even if you were to flee to another planet, we would find you in less than a second.

Cobra Commander: (ENRAGED SCREAMS) GUARDS!

Cobra Commander's soldiers came out numbering in the septillions, and then, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and their shirts ripped off and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 50'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of soldiers, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the soldiers began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the soldiers except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

That alone pissed off Cobra Commander big time!

Me: GET HIM, LINCOLN! TEAR HIM TO PIECES!

Then, Lincoln fired five massive balls of fire from his left hand and they orbited around Cobra Commander, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Nico: WHOA!

Me: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Suddenly, we heard a loud howl, and we saw an army of 30'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Cobra Commander, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER! THIS IS THE END OF COBRA ONCE AND FOR ALL!

Lincoln, Nico, and I did one final powerful energy slash that hit Cobra Commander hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Cobra Commander was on his last legs and he was really really mangled.

Then, Lincoln grabbed Cobra Commander by the throat with his left hand.

Lincoln let out a sharp whistle, and then, we saw something heading this way: it was a giant black wolf with a neon orange mane, neon orange eyes, and it was fierce!

Lincoln threw Cobra Commander to the beast who proceeded to eat him, and he belched out the spirit of Cobra Commander, and he got sent to The Black Abyss. We cheered as we holstered our weapons and powered down, and Lincoln petted the beast.

Fluttershy: Goodness! What is this wolf?

Shanan: (GASPS) Sweet sardines! That's a Mayonian Wolf, it's a giant wolf with powers over the lava of Mayon, and it has a voracious appetite. But, you've tamed it, Lincoln?! Wait, don't tell me you've come here to Mayon before!

Lincoln: I guess the secret's out. Yes, I've been here before to do a lot of training, and I also bathed in a pool of lava, but that ended with me sucking the pool of lava into my body like a sponge and I did some lava surfing before in the volcano.

Me: No wonder I felt the temperature of the place rise like crazy that one time!

Nico: Yikes, that's even stronger than Nuova Shenron's Armor!

Alexander Avalon: Let's get out of here.

We got back home to Earth Omega, and Alexander Avalon summoned a powerful rainstorm to cool us down.

Me: Ahh. That's better.

Maria: I could've doused everyone with water, but you summoning a rainstorm helped greatly.

Alexander Avalon: We're gonna need a lot of water.

We had lots of glasses ready and Maria filled them with water, and we drank.

Me: Ah, much better.

Nico: You said it. But, we're finally rid of Cobra Commander forever, and his lackeys are now in The M.O.E.

Lincoln: And we can officially say this: Cobra is dead and gone forever!

WE CHEERED!

Me: That's for sure!

Nico: That was intense!

Me: It sure was. But now Cobra is a forgotten memory.

Nico: It sure is.

Qin: Yeah!

Duke: Thank goodness.

Me: This more than makes up for it.

Qin: After 5 years.

Ymir: Yeah! It sure does.

Nico: Nice job, Poppilo!

Poppilo: Thanks Nico. That was fun!

Poromon: Yep. Want some beer?

Poppilo: Oh no thanks. Gives me gas.

Nico: Oh boy.

Poromon: Okay.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poppilo: Nice try though pipsqueak.

Poliwag: HEY!

Me: Well you guys want to go to the beach later today?

Poliwag: We sure do!

Me: Awesome!

Camie: Cool!

Ymir: Always up for the beach.

Dina: Same here.

Universe 666 May: Me too.

Me: Cool!

Zuria: I'm game too.

Me: Awesome! Okay then.

Hypnotick: Always love going to the beach.

Nico: Oh, Hypnotick, what do you like to do in your free time?

Hypnotick: I work as a conservationist for rare kinds of butterflies and moths and help save them from extinction.

Me: Good job there.

Nico: Yep.

Qin: Cool.

Nico: Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Blake Belladonna.

Blake: Another Me? But, that's...!

Lincoln: You had a personal day to shine when Yang's day came to get rid of Adam Taurus, Blake, this is your official day to shine.

Eli: Lincoln's right. Whoa, and one of The Anothers is The Avatar of The Windy Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Me: So we got Another Cy-Bugs (Wreck It Ralph), Mothmonsterman, Frost Giant (Disney Infinity), Lunge Fish, Mothman (Monster Legends), Moonhaze (Monster Legends) and Chameleon (Kung Fu Panda 4).

Qin: Yep.

Nico: So Hypnotick, Hayley Urania, Athena Rollins, Gypsy Moth, Morph Moth, White Moth (The Tick) and Kitten (Teen Titans) are up.

Qin: That's right.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed

them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on

his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Mothmonsterman, Frost Giant (Disney Infinity), Lunge Fish, Mothman (Monster Legends), Moonhaze (Monster Legends) and Chameleon (Kung Fu Panda 4)

Me: WHOA!

Nico: This will be intense!

Another Mothmonsterman: (In a girls voice) It sure will.

They reverted and were the gene-slammer of Poison Butterfly and the Avatar of the Windy Card!

Nico: (GASP) Xylii Lepidopterra!

Lincoln: And Winona Windy! Wow!

Winona Windy: Good to see you again Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Winona Windy, Avatar of The Windy Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of the winds, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Windy Clow Card, and the magic of Clow Reed. She's The Wind Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Winona Windy is a master of the powers of The Windy Clow Card and she's a powerful master of wind and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Winona Windy came to Royal Woods where she met Lincoln, and she taught him how to master the powers of wind, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Windy Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of the wind, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Windy Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan and it always ended with those five getting blown back into their rooms.

Me: WHOA! Awesome to meet you.

Winona Windy: Same here.

Xylii: Good to see you again Nico.

Nico: You too.

Me: Yeah! By the way girls are the rest of the Anothers friendly or hostile?

Xylii Lepidopterra: Friendly and Tara is going to get an amazing surprise from it.

Tara: WHOA! I wonder what it is?

Me: We'll find out soon.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE OF A SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: BACKUP TIME! (TURNS DIAL) GHOSTFACE FORCE 6!

She summoned Danny Johnson, Twice (MHA), Thousand Eyes, Nick O Teen, Universe 666 Eva and Sartana of the Dead!

Qin: YEAH!

Camie: Awesome!

Nico: And now, we wait.

Me: We don't have to wait long!

We saw Another Cy-Bugs and Blake!

Me: Whoa!

Xenia: There they are!

Qin: Cool!

Another Cy-Bugs: (In a girls voice)

Brion, Gabrielle and Tara gasped and so did Nico!

She reverted back and it was the gene-slammer of Megarock Dragon!

Tara: (GASP) TYRA!

Gabrielle: TYRA!

Brion: TYRA!

They went and hugged her.

Nico: Tyra Megarock Markov!

Me: Tara's sister no doubt! WOW!

Tyra: That's right.

Tara: Oh sis we missed you.

Tyra: Same here Tara. I heard about everyone that happened to you. You did great marrying Beast Boy and also killing Slade.

Shanan: She made the ultimate sacrifice to kill Slade the first time though. It was awful. I vowed horrible vengeance on Slade and make sure he pays for his crimes. But Slade is gone for good now.

Nico: Yep.

Tyra: Good. I'm glad our father is gone too.

Me: Yeah and your mother is safe too.

Nico: Oh right I forgot that too. But yeah.

Tyra: I also have all of the Cy-Bug's powers and more.

Cy-Bug: Nice!

Nico: And your friend?

Another Blake: (MEOW) Someone that loves her big sister.

Blake gasped and her ears twitched with her tail wagging.

Blake: That voice!

Another Blake reverted back and was a younger version of Blake!

Blake: (GASP) Catnip!

She went over and hugged her.

Blake: Oh Catnip. Good to see you.

Catnip Belladonna: You too sis!

Blake: Guys this is my sister Catnip.

Me: She is adorable.

Blake: She sure is.

Kaito: (Gets out Hurricaneger gear) Did Swartz promise you anything?

Zocks: (Gets out Gaoranger gear) Because we can grant it instead

They got weapons from said rangers.

Tyra Megarock Markov: No he didn't. I used my powers to trap him in a crystal cluster and we ran.

Me: Wow!

Camie: Dazzling.

Ymir: Yep.

Sakura Knudson: That explains why we found him in a crystal like that.

Me: Too bad he didn't shatter like that.

Sougo: (Gets out Ninja Storm Ridewatch) Slade didn't even last that long after Anti Monitor revived him.

Geiz: (Gets out Wild Force Ridewatch) We killed him in mere days

Sougo got out NinjaStormRedArmor while Geiz got WildForceRedArmor

Shanan: Yeah and I avenged Tara too.

Tyra: I heard. Thank you.

Shanan: You're welcome.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets dance.

Nico: (Gets out Cy-Bugs Ridewatch) I will hatch and destroy!

May: (Gets Out Frost Giant's ridewatch) Cold and strong!

Universe 666 May (Gets out Lunge Fish's ridewatch) Lunge and eat!

Maria: (Gets out Mothman's ridewatch) The Red Eyes of The Dark!

Hayley Urania: (Gets out Mothmonsterman's ridewatch) Time for some pain!

They used the powers of Cy-Bugs (Wreck It Ralph), Mothmonsterman, Frost Giant (Disney Infinity), Lunge Fish, Mothman (Monster Legends), Moonhaze (Monster Legends) and Chameleon (Kung Fu Panda 4) and blasted the Anothers all over the place.

Poromon: Nice!

Nico: Yep.

Then Burn Dinorex, Goliad, Glitch (Monster Legends), Plesio (Mega Man) and Murkey came!

Me: WHOA!

Nico: Nice team Burn Dinorex.

Burn Dinorex: Thanks Nico!

Qin: Cool!

Me: That means Gravity Man and his team are up next.

Gravity Man: That's right!

Nico: Yep.

Then swirls of ice and water appeared out and out came Number 18: Heraldry Patriarch and Number 17: Leviathan Dragon.

Me: WHOA! Number 18: Heraldry Patriarch and Number 17: Leviathan Dragon!

Qin: COOL!

Number 18: (In a girls voices) It sure is!

Number 17: (In a girls voice) And we're ready for some fun!

Nico: (GASP) Arianna Lazuli and Lexxi Lapis!

Androids 17 and 18 gasped!

They reverted back and they were both girls with blue hair and blue eyes and had blue clothes and wings and had Numbers 18 and 17 on their foreheads and arms and skirts and shirts and had deadly swords. And Lexxi had a no sign over the Red Ribbon Army symbol.

Lexxi Lapis: Good to see you Nico.

Arianna Lazuli: Same here. (To Androids 18 and 17) Long time no see Lapis and Lazuli.

Android 17: Wow you too sisters.

Android 18: Same to you.

Me: WHOA! What a Coincidence!

Goku: (LAUGHS HYSTERICALLY AND FALLS DOWN!) WHAT A SHOCKING COINCIDENCE!

Me: Yeah!

Lexxi Lapis: We got this.

Arianna Lazuli: 18 ICE BURSTS!

Lexxi Lapis: 17 STORM STRIKERS!

They fired waves of energy and water and ice and smashed the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Poromon: My mind is blown!

Goku: Mine too!

Nico: Same here Kakarot!

Lexxi Lapis: I know.

Me: Wait you hate the Red Ribbon Army too? Master Goku told me and all of us how he defeated them all. But shockingly he let Dr. Gero live.

Lexxi Lapis: Yeah and that was a terrible mistake. Letting him live was not acceptable and he was out for revenge on Goku and vowed to destroy him and the Earth and the Universe.

Me: I know.

Lexxi Lapis: Yep. We found out that Dr. Gero took our siblings Lapis and Lazuli and turned them into androids built to kill Goku. So to make sure that we were ready for him, we used the Dragonballs. 10 years ago we wished upon Shenron and got the powers of the Shadow Dragons and these magical swords imbued with their powers times 100,000,000,000,000. These are the only weapons with the power capable of destroying him.

Arianna Lazuli: It's true.

Me: WHOA! What is your power levels at because of it?

Arianna Lazuli: 19 Sextillion.

WE GASPED IN SHOCK!

Me: INCONCEIVABLE!

Nico: WHOA! That is amazing!

Lexxi Lapis: Yep.

Me: WOW! Do you girls have any good memories of Nico?

Arianna Lazuli: We sure do. Mine is where me and Nico took down most of Frieza's men on the planet of Shik and that was amazing.

Nico: Yep.

Me: WHOA! Vegeta said that was one of the planets they conquered for him.

Nico: Yep.

Lexxi Lapis: Mine is where me and Nico killed more of Frieza's men on the planet Konats and that was awesome.

Me: Wow!

Lola: COOL!

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Lexxi Lapis: Same here.

We'd found out he was responsible for creating clones of the hypothetical Akumas through means of dark magic, but before we take him down, he's going to wind up getting killed by Alecto Slytherin, the racist descendant of Salazar Slytherin, as part of an insidious plot: he created The Dark Clow Book, a dark magic version of The Clow Book, and he's going to release The Dark Clow Cards into the world and into the hands of villains: both new and familiar when we went after The Clow Cards years ago when we first met Sakura and her friends. We're going to have quite an adventure in the coming days, but once those Dark Clow Cards are taken down and drained of their powers and dispelled forever, we're gonna make sure Alecto Slytherin pays for this when we kill him in the near future and send him to The Black Abyss forever thus wiping out the racist legacy of Salazar Slytherin forever.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in New York University, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to take down Nathaniel Blackwood, Alexander Avalon's hated archenemy.

Alexander Avalon: I knew that nasty bully would be back here.

Me: If that's the case, that asshole better be ready to pay.

Hypnotick: That's for sure.

Suddenly, we picked up on a dark presence.

Let's go.

We rushed to the student dorms, and we felt the dark presence coming from the room. Then, we kicked the door in, and we saw a man with black hair, red eyes of hatred, and dressed in an orange prison jumpsuit: it was Nathaniel Blackwood!

Me: SURPRISE, ASSHOLE!

Alexander Avalon, Yulia Yue, Serenity Avalon, Sarah Avalon, and Yue fired crystals at Nathaniel Blackwood, and he got hurt big time. Then, Yue approached Nathaniel Blackwood.

Yue: We know you were behind the creations of the hypothetical Akumas, but you don't have any magical powers. So, you turned to someone who's an expert on black magic, and he gave you that power. Tell us who are you working for.

Nathaniel Blackwood: SCREW YOU, ANGEL! DIE!

Keroberos: Then, we need to make him listen through brute force. Let's take the fight outside and away from the campus grounds.

We teleported to an area outside New York University and into Queens, New York, and Alexander Avalon went after Nathaniel Blackwood, and he fired extremely powerful blasts of red and gold, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels and they exploded as they hit him, and he also hit him on the head with his staff. WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Nathaniel Blackwood and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at them with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON NATHANIEL BLACKWOOD! HE WAS REALLY GOING APESHIT ON HIM!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before we kill you.

Then, Andre Lupeau went after Nathaniel Blackwood and he fired extremely powerful blasts of dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at them with his silver-plated guns.

Then, Abaddon Aeternus went after Nathaniel Blackwood and he fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, demons, dragons, vampire bats, wolves, phoenixes, and angels at him, and he even slashed at him with his massive greatsword which really hurt like Hell!

Nathaniel Blackwood: THAT'S IT! I'M GONNA RIP YOU ALL APART!

Eli: BRING IT!

Nathaniel Blackwood: DIE!

?: AVADA KADAVRA!

Suddenly, a blast of green magic hit Nathaniel Blackwood and he got killed.

Mathias Ravenclaw: There's only one person I know who'd do something like this! You better get out of the shadows right now, Alecto Slytherin, you damn snake!

We then saw a familiar figure come out, it was Alecto Slytherin, the racist descendant of Salazar Slytherin and Mathias Ravenclaw's old enemy.

We powered down.

Me: So, you've finally slunk out of the shadows, Alecto Slytherin! Now, we can end you for good.

Alecto Slytherin: Think again, you murderers of Salazar Slytherin! That pathetic human failed his part! I should've never given him those powers!

WE GASPED!

Yue: So, you were the one behind giving Nathaniel Blackwood those powers, there was only one kind of forbidden magic that could be responsible for that: the dark arts of Salazar Slytherin.

Alecto Slytherin got out a black and green book: it was a dark version of The Clow Book and inside it are dark versions of The Clow Cards.

Keroberos: That's...!

Alexander Avalon: A dark version of The Clow Book, and inside it are dark versions of The Clow Cards.

Alecto Slytherin took out The Dark Windy Card.

Alecto Slytherin: And with this, I shall finally fulfill what Voldemort and The Death Eaters had set out to do! Dark Windy Card, awaken!

Suddenly, a blast of dark wind appeared around Alecto Slytherin as the Dark Windy Card appeared and the other Dark Clow Cards were scattered all over the world!

Mathias Ravenclaw: You goddamn snake! Take that!

Mathias Ravenclaw fired a blast of sapphire blue magic from his staff that hit Alecto Slytherin and he fled, and Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Windy Card and he began sucking out all her wind powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large

orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Windy Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Let's end this! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Windy Card, and the light destroyed it and the card was rendered blank, and in the place of the Dark Windy Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: WHOA! That's some really strong hatred!

Mathias Ravenclaw: Hatred? (Snaps Fingers) Of course! Alecto created The Dark Clow Cards using his dark magic, but he also made the Dark Clow Cards even stronger using the black onyx spheres that acts as a power source: and that power source is his excessive hatred for humanity. Whenever Lincoln grabs and sucks the Dark Clow Card spirit dry of their magical powers and when Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon perform their spell, it destroys the Dark Clow Card spirit for good leaving the card blank, and in the place of the Dark Clow Card spirit is the black onyx sphere.

Me: I get it, and when that happens, it releases the negative energy that was building up inside it and we suck it in and it makes us stronger than ever.

Mathias Ravenclaw: Exactly. But, now we got to deal with the other Dark Clow Cards. That snake, so that fool was just a patsy.

Alexander Avalon: But, now we know just how Nathaniel got those powers, he was used as a pawn by Salazar Slytherin's descendant, he used him for a patsy.

Tory: But, now, we know what must be done. Lincoln, when we find the Dark Clow Cards, you need to suck out their elemental and magical powers.

Alexander Avalon: And me, Sakura, Sarah, and Serenity can use the spell to dispel the dark spirits, but what about the blank cards?

Suddenly, the blank card went into The Dark Clow Book and it went into Lincoln's hands.

Yue: I believe we know what'll be done when this mess has been cleaned up, Alex. But, you and I and all of us have noticed for some time now: Tory's powers are returning, but they're now far stronger than ever.

Me: Tory did say he had the same powers as Sakura.

Alexander Avalon: But, I thought he transferred them to you, Yue, to help you and Julian, and he wasn't able to sense if Sakura was in trouble anymore.

Yue: Yes, that is true. But, ever since Tory joined Team Loud Phoenix Storm years ago, suddenly, I felt his own powers return to him, even stronger than ever.

We returned home to The World Tree Estate. Suddenly, massive white angel wings grew and sprouted out of Tory's back.

Sakura Avalon: Whoa!

Alexander Avalon: Your powers are also evolving, Tory, this means we're gonna need all the help we can get now. (Closed his eyes) Alecto Slytherin's going to pay for what he did, when I find him. (Eyes open with ferocity) He's finished, I'm going to tear him apart.

Serenity Avalon, Sarah Avalon, and Sakura Avalon: Uh oh...! When he gets that ferocious look in his eyes, that means trouble!

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long aqua blue hair, blue eyes, massive white angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, aqua blue sleeveless strapless top, aqua blue skirt with Gem-Knight Aquamarine, white bridal gloves, aqua blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Aquamarine and The Gem-Knight Order of Crystal Justice, she has a light greatsword, and with her are the six girls.

Lincoln: (GASPS) Aquaria Aquamarine, Avatar and Gene-Slammer of Gem-Knight Aquamarine.

Aquaria Aquamarine: That's right, and I got the girls away from that bully and that dark wizard, but this means, we got a mess to clean up.

Me: But, we know what needs to be done to clean this mess up.

Lincoln: And Tory and Alex pretty much figured what needed to be done. (To Aquaria Aquamarine) And it's so good to see you again, Aquaria.

Aquaria Aquamarine: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Aquaria Aquamarine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Aquaria Aquamarine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Aquaria Aquamarine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Aquaria Aquamarine's waist and hugged her, and Aquaria Aquamarine is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar,

Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aquaria Aquamarine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in

muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Aquaria Aquamarine, Avatar and Gene-Slammer of Gem-Knight Aquamarine, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Aquamarine gems and crystals. She's known as The Aquamarine Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Aquaria Aquamarine came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Aquamarine gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Aquamarine gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Lilith Grimm, Gene-Slammer of Steelswarm Genome and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Aquaria's parents and her little sister, Aurora, in cold blood, and she swore to kill Lilith Grimm and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Aquaria.

Lincoln with his massive muscular arms still wrapped around Aquaria Aquamarine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large

orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Aquaria Aquamarine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Aquaria Aquamarine with aquamarine gems on the gold lightning bolts and aquamarine crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Aquaria Aquamarine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Aquaria Aquamarine.

Aquaria Aquamarine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Aquaria Aquamarine's waist, and he leaned down to her face and kissed her on the lips, and with Aquaria Aquamarine's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Aquaria Aquamarine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Aquaria Aquamarine: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The six girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the six girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the six girls are Natsuko Hirose, Memmeln, and Destiny Heartwarming from Zenshu and Yua Asahina, Chihira Sarashina, and Shiori Kirigaya from Isekai Enkou.

Lincoln: Oh whoa, it's Natsuko Hirose, Memmeln, and Destiny Heartwarming from Zenshu and Yua Asahina, Chihira Sarashina, and Shiori Kirigaya from Isekai Enkou.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, three of them are wrestlers and the other three are voluptuous babes.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Yua Asahina: Yes, we're okay, thanks to you.

Then when Yua Asahina and the other five girls saw who it was that saved them from Nathaniel Blackwood, their faces turned atomic red upon seeing the 12'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and four large orbiting gold Yata no Kagami mirrors on each corner with The

Natsuko Hirose: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their

blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Natsuko Hirose: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Natsuko Hirose, Memmeln, Destiny Heartwarming, Yua Asahina, Chihira Sarashina, and Shiori Kirigaya with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: I can't believe what happened. Alecto Slytherin killed Nathaniel Blackwood, who created the clones of the hypothetical Akumas, and he unleashed the Dark Clow Cards out into the world.

May: And all for his scheme to fulfill Salazar Slytherin's "work". But, we found out how to put a stop to this madness. But, this won't be easy.

Lincoln: No, it won't, The Dark Clow Cards will no doubt be in the hands of villains of clones of the hypothetical Akumas, and we'll also be facing familiar old foes from when we first met Sakura and her friends along with two more old villains from two years ago.

Nico: That won't stop us, all we got to do is force them out.

Me: And let you suck them dry of all their powers and magical powers, and let Alexander and his siblings dispel the weakened spirits, and I hope you have some plans for the blank cards, Lincoln.

?: He always has a plan in place.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long blood red hair, blood red eyes, massive blood red angel wings, she has on a blood red two piece bikini, and in her hand is a greatsword.

Lincoln: (GASPS) Saria Sanguisaira, Queen of The Sanguisairans of Planet Sanguisaira.

Nico: The only surviving Sanguisairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Saria Sanguisaira, Queen of The Sanguisairans of Planet Sanguisaira, she's Lincoln's Guardian Angel from the planet of Sanguisaira in The Forbidden Zone. She was the Queen of the Sanguisairans who ruled the planet of Crystallumaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over blood and the ability to grow even stronger, but she was also born with angel wings, the powers of blood, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Saria Sanguisaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of blood, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of blood, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Sanguisairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them drained completely dry of blood with the power of Sanguisaira.

Saria Sanguisaira: And I knew Lincoln absorbed the souls of the male Sanguisairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Brittney and The Goths of Darkness also heard about that planet when Lincoln 2 of The Ebonwu Squadron told them. And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Saria Sanguisaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Saria Sanguisaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Saria

Sanguisaira with blood red gems on the gold lightning bolts and blood red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Saria Sanguisaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Saria Sanguisaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Sanguisairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Windy Card of all its powers and he and all of us drove off Alecto Slytherin after he'd unleashed the other Dark Clow Cards into the world after killing Nathaniel Blackwood, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Aquaria Aquamarine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Aquaria Aquamarine: My God, I was right that Lincoln's really grown into a 12'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Aquaria, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Aquaria Aquamarine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Aquaria Aquamarine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel

wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw who it was that triggered the alarm, it was a clone of DarkMoon.

Lincoln: Oh man, that's a clone of DarkMoon, the Hypothetical Akuma of Sailor Moon and she is a master of light. She was made because of Queen Beryl and what she did to destroy the Moon Kingdom and vowed to destroy that monster forever for her crimes.

Lincoln got out his sketchbook, and we saw what she looks like: she looks like The Moon, but it had a scary face and a moonlight aura surrounding it.

Yue: This is no doubt another of Alecto Slytherin's clones. I shall deal with her.

Yue flew out and confronted the clone of DarkMoon.

Yue: I knew it wouldn't be long before Alecto Slytherin would seek to retaliate against us, but that was a fatal mistake.

Suddenly, Yue's ice blue eyes turned neon ice blue and he was surrounded by a silver and dark blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, crystals, elements, magic, mythical beasts, phoenixes, and angels.

Yue: Alecto Slytherin has caused enough pain and suffering for the very last time, and sending you, a clone of the hypothetical Akuma of Sailor Moon to attack us, I can already tell he's getting desperate to end us. Well, this'll send him a message that we're through playing his games.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF YUE WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! Yue on has on a Ring of The Phoenix with dark blue gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Corps ring on his left ring finger, but then, we saw he also had on the Green Lantern, Red Lantern, Yellow Lantern, Orange Lantern, Indigo Lantern, White Lantern, Black Lantern, and Star Sapphire

We were amazed by Yue's transformation, but that angered the clone of DarkMoon!

Yue: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Elemental Clow Card Moon Light Crystal Magic Cosmic Star Storm Fury Clow Card Moon Angel Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Elemental Clow Card Moon Light Crystal Magic Cosmic Star Storm Fury Clow Card Moon Angel Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to end this at once.

Yue went after the clone of DarkMoon, and he fired extremely powerful blasts of silver and dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, crystals, elements, magic, mythical beasts, phoenixes, and angels and they exploded as they hit her, and he also hit her on the head with his staff. Then, Yue fired a wave of darkness from his staff and the blast hit the DarkMoon clone and weakened it.

Suddenly, Lincoln appeared and he morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of DarkMoon, and he began absorbing her and he assimilated DarkMoon's powers of light, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone, and Lincoln and drained her soul of energy and he let out a loud and massive roar of dominance and power as he pounded his chest like an Alpha Male gorilla.

Lincoln went back inside, and Alexander Avalon also followed.

Yue: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Elemental Clow Card Moon Light Crystal Magic Cosmic Star Storm Fury Clow Card Moon Angel Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Elemental Clow Card Moon Light Crystal Magic Cosmic Star Storm Fury Clow Card Moon Angel Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) The deed is done, the clone has been stopped, and this'll no doubt anger Alecto Slytherin.

Yue powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo and large gold Yata no Kagami mirror with gold crescent moon ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon ring-shaped frames around them with embedded dark blue gems behind the gold rings behind his head, large 105 silver and dark blue planets orbiting around his legs and 105 smaller silver and dark blue orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized silver and dark blue planets orbiting around his wrists and ankles, and massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings are permanent.

Nico: Yue, that was some impressive work. That no doubt will anger Alecto Slytherin.

Yue: Yes, there's no doubt.

Alex the Lion: I've also been thinking. It's been years since we took down DuBois, there's no doubt she and Dave the Octopus are also back for revenge, and they're among two of the villains we faced when we were searching for The Clow Cards.

Lincoln: And there's also Evil Carol Pingrey. But, I'm not letting that monster live again, I should've killed long ago, a rapist like that doesn't deserve to live.

Nico: You'll get your chance to kill her, Lincoln. That is if your harem doesn't kill her first.

Caleb Maxwell: There have been many rape cases only involving men as the perp, and rarely many rape cases involving women as the perpetrator. If we see that bitch, I'll impale her on The Empire State Building and let her blood run down the sides of the building!

THUNDER CRASHES! CAT YOWLS! SCREAMS OF FEAR! DEMONIC LAUGHTER!

WE FREAKED OUT AND DID WILD TAKES GALORE!

Eli: Caleb, you're gonna make one of us barf like crazy one of these days!

Alexander Avalon: Is he always like that?

Sakura Avalon: Normally, he's a calm person easy to hang out with, but if you're an enemy of his and you also anger him, it never ends wells.

Cage Blunt: That's an understatement. Caleb lost everything he held dear to him so many years ago: his innocence, his friends, his future, his conceptions of law and order, and finally, his life, and he's one person no one dares to anger.

Caleb Maxwell: I'd since brought an end to the darkness that haunted me, Cage, but all this made me into who and what I am: someone who wanted blood and vengeance and has taken so many lives in the process as well.

We got a shower, and then, Lincoln and Pomni the Jester Drone are heading to Emerald Coast, and joining them are Cherri Bomb and Sir Pentious and Braeden Carnes, Sunny Tennyson, and Zatanna (Justice League Action).

Lincoln snapped his fingers, and the 12'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Braeden Carnes and Sir Pentious were in swim shorts.

And Pomni the Jester Drone was dressed in a purple two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for her, purple sandals, and she had her weapons holstered in case of trouble, and Cherri Bomb, Zatanna (Justice League Action), and Sunny Tennyson were dressed in colored bikinis.

Plus, we found out Pomni the Jester Drone had feelings for Lincoln, and he also had feelings for her and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, but they had to watch out: Alecto Slytherin had sent a clone of the musclebound Timmy Turner from when he wished he was the strongest guy on the beach after them.

Braeden Carnes: We're here in Emerald Coast, this is so awesome!

Lincoln: It is, but now that Alecto's back, he's now out to ruin our dates and kill us.

Cherri Bomb: Second he does, we'll blow that shithead up!

Lincoln, Pomni the Jester Drone, Cherri Bomb, Sir Pentious, Braeden Carnes, Sunny Tennyson, and Zatanna (Justice League Action) dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Pomni the Jester Drone also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving Pomni the Jester Drone a deep tissue massage, and when he was done with that, she relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Pomni the Jester Drone got an extremely massive and deep atomic red blush on her faces when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Pomni the Jester Drone: (Swooning) What a handsome and manly wolf hunk.

Suddenly, they felt tremors on the ground, and they saw the clone of the musclebound Timmy Turner from when he wished he was the strongest guy on the beach.

Braeden Carnes: Looks like trouble's arrived.

Braeden Carnes fired a blast of fire that knocked the musclebound brute down, and then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the musclebound Timmy Turner clone and he began absorbing him and he sucked out and absorbed his extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

At the same time, the clone of the musclebound Timmy Turner began shrinking in height and muscle mass as his extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone was being sucked out of him and was being pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the musclebound Timmy Turner clone except for his beach shorts, and Lincoln sucked out every last bit of energy from the clone's soul and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Pomni the Jester Drone and he hugged her in his abnormally massive and powerful muscular arms, and Pomni the Jester Drone placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of her.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Pomni the Jester Drone with purple gems on the gold lightning bolt links and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lily the Mermaid: Wow, now Pomni the Jester Drone is in your harem, Linky.

Pomni the Jester Drone showed the marks Lincoln made on the right side of her trapezius.

Jenna: You had no trouble at all.

Pomni the Jester Drone: Unfortunately, we did.

Braeden Carnes: Alecto Slytherin sent a clone of the musclebound Timmy Turner from when he wished he was the strongest guy on the beach.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, Braeden knocked that big hulking brute down and I used my Cell stingers and stabbed them into his chest, and then, I sucked out his extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone and assimilated it into my body. Then, I sucked out every bit of energy from his soul.

Timmy Turner: Uh, I hope your speedo didn't rip apart when you absorbed that hulking brute.

Selene Arcangela: Our fashionistas had it custom made to accommodate any sudden muscle growth effects.

Pomni the Jester Drone: But, our date went smoothly, and I not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had me swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and I was really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck,

and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the next Skylanders adventure.

Nico: Who's next?

Me: Next up is Nightshade and Luna Nightstorm, Haiku, Maggie, Princess Luna, Moonlight Raven, Knight Mare, Blackout, Shadow Man, Shade Man, Carly Atlas and Misty Tredwell are next.

Nico: WHOA! Dark!

Me: I know.

Luna Nightstorm: Also this is going to be a really amazing one. We're going to the Midnight Museum and this museum is not like anything you know. This is a museum that is home to many of Skylands most dangerous Dark Magic artifacts.

Nico: WHOA! This is gonna be dangerous to see.

Nicole: Yep.

We went into the Simulator and it activated and we were in the Midnight Museum!

We were shocked to see what it was.

The Midnight Musuem is a museum of Darkness that exhibits many ominous artifacts, including the prized Dark Eye of Tomorrow. It is guarded by Spyclopters, which will transport the Skylander to the nearest drop area if they are caught. The Dark Doom Raider, Nightshade, threatens to steal the Dark Eye from the heavily guarded museum and use it to steal everything in Skylands.

Me: WHOA! What a terrifying place.

Brittney: Boy it sure is the kind of place perfect for the Goths of Darkness.

Lucy Loud: I agree there.

Haiku: Me too.

Luna Nightstorm: This place has security as tight, dangerous and powerful as Fort Knox in Kentucky. Getting into this place is almost virtually impossible.

Me: WHOA!

Qin: I know.

Nico: Be on the lookout.

Me: Lets follow Noir Spiderman's example.

We stayed one with the shadows and the darkness and crept around the place. We then saw the Dark Eye of Tomorrow.

Luna Nightstorm: That's what we're here for, The Dark Eye of Tomorrow. Nightshade is planning to use that to steal all the loot in all of Skylands.

She then grabbed it and jumped back.

Me: Where is Nightshade?

We saw a figure jump down and landed in front of us. It was Skylands most Notorious Thief, NIGHTSHADE!

A charismatic ninja thief, Nightshade is by far the most famous burglar that Skylands has ever known. Very smooth, charming, classy, and old-school cool. He was born rich and doesn't need the treasure he steals. He only does it to show off how awesome he is. When the Core of Light was destroyed and the Dark Realm was cut off from the rest of Skylands, Nightshade was rumored to have finally retired from the game. But now that the Midnight Museum is set to host one of Skylands' rarest treasures, the Dark Eye of Unvisibility, everyone knows it's only a matter of time before Nightshade resurfaces for one last, big heist.

Nightshade snuck into the high security Midnight Museum to steal the Dark Eye of Unvisibility in order to have the power to steal everything in Skylands. The Skylanders attempted to retrieve the Dark Eye before it could fall into the wrong hands, but Nightshade beat them to it and snatched the artifact before making his escape. After the Skylanders defeated the security forces of the museum, Nightshade was cornered by the heroes and engaged them in a fight. During the battle, the Doom Raider used the shadows of the pillars to inflict damage to the Skylanders and created shadow clones of himself to confuse and harm them. Despite this advantage, Nightshade was defeated and accepted capture with dignity.

After his capture, the Skylanders took him back to the Midnight Museum for his Villain Quest with Tessa, called "A Crown Without a King". She explained to them that a long time ago Nightshade had stolen the King of Woodburrow's crown, and she required the thief's assistance to get past the security system that was surrounding it to steal it back. Once he did, Tessa decided that since Woodburrow no longer has a king, he could keep the crown and maybe put it to good use. She awarded Nightshade her thanks, a new outfit, and the Bat Hat, which must have been the King of Woodburrow's crown.

Although only mentioned, Nightshade's stash of stolen treasures were placed within the Sensei Dark Realm before his incarceration.

Nightshade appears as a trappable villain that can arrive in the player's kingdom. Upon being trapped, he will help the player by causing invaders to drop more Gold upon defeat.

Nightshade took the opportunity of Wolfgang battling the Skylanders in Bone Grave Village and stole the Book of Dark Magic, escaping with a taunt. For better or worse, the next portal took the heroes straight to his home, the Mansion of Gloom, where he challenged them to find and defeat him for the artifact. However, it was simply a ruse to send the book to Luminous, as the one he had on display was a fake.

Nightshade: I am right here my good man.

Luna Nightstorm: Hello Nightshade. Long time no see.

Nightshade: Ah Luna Nightstorm my good maiden it is good to see you again.

Luna Nightsorm: Same to you. I'm sure you heard how many of us were found and captured by Dark Gale and turned into gene-slammers.

Nightshade: Ah yes indeed. And I'm glad that you all defeated them.

Me: I take it you're after one of the artifacts here.

Nightshade: Indeed I am.

He held up Darkness sword.

Luna Nightstorm: The Sword of The Dark Nocturnal Eclipse!

Me: What does that do?

Luna Nightstorm: It's a powerful sword of darkness that can fire darkness flare blasts as strong as a Solar Flare from the Sun. And it has immense power that is said to Rival that of even Kaos himself.

Me: WHOA! That is amazing power!

Nico: Can you please give that back?

Nightshade: I'm afraid it is mine my good man. But if you want to get it come get it.

Me: With pleasure.

Nightshade: But not here. Where we fought the last time for the Dark Eye of Tomorrow.

Luna Nightstorm: I know where that is. Follow me guys.

We followed Luna and got to an arena area.

Nightshade: This will be fine.

Me: Nice spot. Okay then.

Luna Nightstorm: Lets bring it on! STEAL IN THE DARK!

Knight Mare: NOWHERE TO HIDE!

Blackout: DARKNESS FALLS!

We were ready!

Nightshade jumped onto a nearby rooftop

Luna turned into a dark star and teleported and kicked him down.

Nightshade then formed shadow clones!

Me: Shadow Clones huh? You aren't the only one!

I made 20 clones!

We fired waves of darkness and energy and blasted him.

Nightshade: Impressive my friends.

Me: We're getting warmed up.

Luna teleported and kicked the sword out of his hand and caught it!

Luna Nightstorm: You taught me how to use the darkness to steal from criminals of all kinds. Now it's time to use the shadows to stop and trap you!

Princess Luna: Lets show him the night!

Nightshade: Aren't you forgetting about Blastertron and the others?

Nico: We're saving them for later down the road. We're going after the Doom Raiders first.

Me: Yep. And then after Luminous I have something fun planned. It's a surprise.

Pinkie Pie: OOH! Looking forward to that one.

Me: You'll see soon.

Nightshade: Ah I see you want to get the good competition out of the way.

Me: That is correct.

Nightshade: Good strategy.

Me: Thanks. Now lets get it on!

Luna Nightstorm, Haiku, Maggie, Princess Luna, Moonlight Raven, Knight Mare, Blackout, Shadow Man, Shade Man, Carly Atlas and Misty Tredwell: DARKNESS FLARE BLAST!

They fired waves of intense darkness and it hit Nightshade and he was knocked down in a massive fiery explosion!

NIGHTSHADE DEFEATED!

Me: And he is down!

Princess Luna: Now I as Princess of the Night Trap you!

She held up a Black trap and a black vortex formed!

Nightshade: Well, Princess Luna, I suppose it's in your hands now.

He got sucked in.

Nightshade: "Oh, I guess I couldn't really elude capture forever. Well, it appears I'll be going away for a bit. I shall endure this capture sequence with dignittttyyyyyy...!"

Nightshade got sucked into the trap!

Nightshade: "Ha! No jail can hold the great Nightshade!" (attacks the Trap's interior but fails) "Well except this one, apparently."

NIGHTSHADE TRAPPED!

Princess Luna: And as Princess of the Night you are hereby ordered to be good from now on.

Nightshade: "Well I suppose I could be persuaded to switch sides."

Me: Indeed. We later came back.

WE CHEERED!

Me: All right! 9 down and 1 to go.

Nico: Now to get this back to the Museum

Me: Good idea.

We put them back.

Nico: Wow! What a battle of darkness.

Luna Nightstorm: Yes it was.

I made a copy of the sword and she got to keep that one.

Qin: That was intense and amazing.

Me: Yep.

We came back home.

Me: Wow! Now all we have is Sunscraper Spire.

Nico: Yep and what's your surprise J.D.?

Me: Ah ah ah. No spoilers. Besides you're going to love it.

(BANJO KAZOOIE TREASURE HUNT COVE PLAYS)

We were at the beach and having lots of fun and more!

Blake: Another day at the beach.

Lincoln: So fun!

Ymir was dressed in an awesome sky blue bikini.

Universe 666 May was in a red bikini.

Universe 666 May: We're all ready to have some fun.

We got to building sandcastles, surfing, treasure hunting, volleyball and more!

Allura: This is so relaxing

Laney: It sure is.

Allura: Usually I'm all about living in the ice and cold but not this time.

Carly Atlas: It sure is fun.

Qin: I agree.

Camie: Yeah!

We were all having so much fun.

Sam S.L.: I agree too. Especially with Luna too.

Luna saw Sam in a smoking hot blue bikini and glowed bright red and she caused part of the water around her to boil.

Luna: Wow Sam is smoking dudes!

Triggerhappy: She sure is.

Sam S.L.: I sure am!

Ymir: So much fun. I never had it under my master.

Me: Well now you are Ymir. Ymir listen to me. You're no slave. You're no god. You're just a person. You don't need to serve anyone. You can be the one to choose.

Ymir: You're right. And I choose to be free and be with you J.D.

Me: That is the spirit!

Applejack, Rainbow Dash and Rarity came back with all kinds of treasures they found in the ocean and the water and on the beach. It was amazing!

Me: WHOA! You girls found a haul!

Applejack: We sure did! Who knows what we'll find.

Sureshot: Let's find out.

We got to looking and found lots more treasure and all kinds of stuff.

Nico: WHOA! Look at all this!

Xenia: I know!

Maria: Let me see

Maria looked in the pile of treasure and it was full of stuff.

Maria: Boy look at all this! Most of it belongs in a museum.

Camie: It sure does.

Varie: Yeah!

Qin: Hey look there.

We saw a figure coming and it was a MEGA SERPERIOR!

Me: WHOA! A Mega Serperior!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

The Red Lion told Cole something.

Cole: That Mega Serperior is my sister Serena!

WE GASPED!

Taylor Earhart: Oh my! I wondered what happened to her!

Cole: The Red Lion told me she vanished a while back.

Me: Oh boy. Lets go help her!

We went over.

Cole: Serena it's okay. It's me Cole.

She used Vine Whip and I grabbed the vines and held them.

Me: Nice try.

Cole: Okay then.

We blasted her all over. I snapped my fingers and she reverted back. She was a girl with teal blue hair and blue eyes and had teal angel wings and had Mega Serperior on her forehead and had an Elephant with the Wild Force Symbol on her arm as a cutie mark. We wrapped her in a blanket and brought her to our spot.

Me: There we go.

Cole: She's also the Teal Elephant Ranger and is a strong one.

Me: Whoa! That is amazing!

Qin: COOL!

She woke up.

Serena Evans: (Groans) What happened?

Cole: Are you okay sis?

Serena Evans: (GASP) Cole!

She hugged him.

Serena Evans: I'm glad you're okay! Taylor, Merrick, Max, Danny, Alyssa! Kendall!? Whoa! It's great to see you.

Taylor Earhart: Same here.

Me: You were turned into a Mega Serperior by Dark Gale.

Serena Evans: Dark Gale? Who are they?

Me: Oh they were a Pokemon Villain organization we destroyed. Also what were you doing when you were turned into a Mega Serperior?

Serena Evans: I was fighting a weird monster. He looked like a purple narwhal org.

Eli: (GASP) That was Lost Highness Rakushaasa!

Me: That's a Gaorangers exclusive monster. That's from the Gaorangers movie Hyakujuu Sentai Gaoranger vs. Super Sentai.

Eli: YEAH!

Me: That was a Japanese monster you faced.

Serena Evans: Oh wow! That is crazy.

Me: It sure is.

Nico: We actually destroyed Master Org recently

Me: Yep and you're looking at his killer. Me. You should have seen what happened. It was an EXTREMELY Explosive battle.

Lola: Yeah it was intense!

Me: I went apeshit ballistic on him and unleashed the ultimate extent of my power on him.

Gira: It's true. We felt J.D.'s energy all the way from Chikyu and saw him battling Master Org.

Me: Yep.

Serena Cole: Then that must mean our parents are...

Me: Well I have a bit of a surprise on that one. During one of our previous adventures back in 2022 I resurrected your parents to fuck around with Master Org. Victor Adler is in prison where he belongs. Master Org was forever destroyed.

Cornelia: I shined that day.

Serena Cole: Oh wow!

Me: Yeah.

Serena Cole: How's Princess Shayla?

Me: She's doing great. We inform her all about the appearance of new zords and more.

Isabel: I help with all that and it's amazing.

Me: Long story.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue and teal clothes and had a deadly hammer and a morpher and sword and the

Elephant Zord Crystal.

Serena Cole: I look amazing.

Me: You sure do.

We later went back home.

As we were walking home we saw THOUSANDS upon thousands of cats walking somewhere.

Me: Where'd all the cats come from?

Nico: So many of them.

Volcana: Strange. Where are all the cats going?

Me: Looks like they are heading to the park.

Nico: It's probably nothing.

We went into the estate.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails

even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase

Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Nyancy Chan, Lincoln's future wife and Ben Tennyson's old enemy, and she's causing trouble again. When we saw it, we knew it meant trouble.

Lincoln: Uh oh...! Nyancy, I knew you couldn't stay out of trouble.

Me: Ooh boy.

Nico: Oh boy.

Eli: Was that...?

Lincoln: Yep. I'll get the alarm.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Nyancy Chan, one of my future wives and Ben's old enemy, and she's causing trouble again.

EVERYONE GASPED!

Ben: Seriously? I knew she couldn't stay out of causing trouble again.

Me: Wasn't she that cat girl criminal that caused you to go on a crime spree as Rath?

Ben: Yep that's her.

Gwen T.: If she's back at it again, we better get to Bellwood and take her down.

Lincoln: Before we do, J.D. and I got something.

Lincoln and I got out anti-mind control rings for cats and we put them on the cat members of the team.

Lion-O: What's with the rings?

Lincoln: Nyancy has the power to put cats under her mind control, and she'd no doubt use that on the cat members of the team. I also told Vypra about this, and she put them on the cat members of The M.O.E.

Nico: Good thinking.

Ben: I still remembered when she mind-controlled me as Rath and I helped her in her crime spree. Oh, I've got a few words for her!

Lincoln: Ben, don't be too harsh, she's not only one of my future wives.

Lincoln lifted Rainbow Kat up with his left arm.

Lincoln: She's also Rainbow Kat's mother and my son as well.

Kevin: Looks like he pulled out the parent card for this.

Gwen T.: We'll make sure of that, Lincoln. Besides, she won't try to control Blake or her Meowth, after all, Blake's also in your harem too.

Lincoln: Right, and she and Blake get along well along with Blake's Meowth. But, in any case, we still got to stop her.

Nico: Right, Lincoln. Okay, let's get going to Bellwood. If she wants a battle of the cats, fine.

Lincoln: I've already got something to take her down and out.

The previous group came.

Hydros: Can me, Mojo Jojo, Rowdyruff Boys, Evil Star, Dark Spicer, Radioactive Man, Dr. Light, Greiger, New Wave and Evil Lyn go with you guys?

Boomer: Maybe the cats are having a meeting?

Me: No it's the work of Ben's old enemy Nyancy Chan.

Dr. Light: That cat girl!? Oh man!

Nico: Yep and yes you all can come with.

Heckyl: Nico, which Gene Slammers do you think you'll meet next?

Nico: Numbers 16, 15. 14 and 13 next.

Me: WHOA! Shock Master, Gimmick Puppet Giant Grinder, Greedy Sarameya and Embodiment of Crime next.

Nico: Yep. Since we are getting close to the Numbers being done thought I would speed it up.

Camie: I see.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras,

rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Yuga Khan, the father of Darkseid, he's been resurrected and he's out to destroy the world. When we saw it, we knew it meant trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Yuga Khan, the father of Darkseid. He's out to resurrect The Old Gods and get revenge on his son, Darkseid. We got to stop him, Yuga Khan is The Old/New God of Evil, and once, he was the Ruler of Apokalips, before Darkseid killed him and took over.

Sheila Melbourne Cooper: I hope you're ready to absorb him, Lincoln.

Lincoln: That I am, Sheila.

Nico: This is gonna be an epic fight to remember. Alright, team, let's go, time to take down Nyancy Chan.

Lincoln: And have her recruited to The M.O.E., and once we get done with her, you're next, Yuga Khan.

Sheila Melbourne Cooper: Old and New God of Evil, you have run free for too long, this is where you meet your end once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Bellwood to take down Nyancy Chan and send her to The M.O.E., and once we get done with her, Sheila Melbourne Cooper and Lincoln are going to destroy Yuga Khan and send him to The Black Abyss after Lincoln absorbs him.

We were off to Bellwood.

We arrived.

Butch: Here we are.

Evil Star: Let's call Nergal

Me: Good idea.

Nergal came.

Nergal: Hey guys!

Me: Hey Nergal.

We arrived at the Bellwood Park and we saw that it was crawling and overrun with so many cats!

Me: Look at all the cats!

Qin: So many of them!

Nico: How are we going to lure her out?

Sideshow Bob: Perhaps with roses?

Me: Or we can use a lot of fish.

Nico: That works.

Shaggy: Like I haven't seen this many cats since the Moonscar Island Plantation.

Qin: Wow!

Ed: So many kitties!

Ed pet them all.

Ed: Aww Kitties are so soft and cuddly like chickens.

Eddy: I feel like I'm forgetting something.

Radioactive Man: What would that be?

Eddy: No idea.

TOILET FLUSHES!

Ed got watery eyes and then he sneezed!

Ed laughed as the cats went into his shirt.

Ed: They sure are cuddly!

Then he sneezed again!

Ed: (SNEEZES AGAIN!)

ELEPHANT TRUMPET!

Me: Bless you Ed!

Edd: Ed are you catching a cold? Colds are highly contagious and I'd be so peeved if I caught your cold.

Me: I don't think it's a cold Double D.

Ed: I feel funny. Ah... AH!

He plugged his nose.

Ed: AHCHOO!

He sneezed and his eyes inflated out!

Ed: I sneezed.

But then he got UGLY PURPLE SPOTS APPEAR ALL OVER HIM!

Ed: (GASP) I'M MUTATING!

HE THEN HAD HIS BODY INFLATE ALL OVER!

Me: What the hell is going on with Ed!?

Edd: I'm concerned.

Eddy: I've been concerned about Ed from the very first day I met him!

HE THEN INFLATED ALL OVER LIKE A BALLOON AND HIS WHOLE BODY WAS A BLIMP!

Me: Uh guys look!

We saw Ed!

Ed: HELP I AM A BLIMP!

Leni: ED WHAT THE HECK HAPPENED!?

Stalker: What just happened?

Eddy: Now I remember!

Me: Ed what are you allergic to this time?

Eli: I think I know. All these cats.

Qin: Ed allergic to cats? No way!

Lincoln: He didn't have that problem around Cliff.

Nico: Yeah!

Eddy: Lets poke a hole in him and let the air out.

Edd: The pressure could cause him to explode!

Poromon: I'll do it!

Greiger: Go for it.

Poromon was about to peck Ed with his beak.

Nico: POROMON! (IN SLOW MOTION) NOOOOOOOOOOO...

POINK!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

HE EXPLODED AND ED SPLATTERED ALL OVER THE PLACE AS A MASSIVE PILE OF BODY PARTS AND BLOOD AND GUTS!

Me: OH SICK!

Flamefeather: Poromon, what did you do?!

We gathered all of Ed's pieces up and put him in a wagon.

Ed: Ahh! No more itching. Thanks Poromon.

Sakura Haruno: (SCREAMS) ED'S JUST A HEAD WITHOUT A BODY AND HE'S TALKING!

Nico: GEEZ!

Me: (LAUGHS) I remember Sakura saying that in 150,000 years when Kakashi Sensei buried Sasuke up to his head like that.

Nico: Deja-vu.

Me: Boy Ed you REALLY EXPLODED THERE!

Nico: No shit!

Ed: But at least I'm not itching anymore.

Eddy: (LAUGHS) That was funny!

Evil Lyn: Poromon, do you have anything to say about this?!

Poromon: Well sorry!

Me: We can put him back together guys.

Ed: Yeah!

Mevya saw some cats having a fish barbecue

Mevya: Some of the cats are having a fish barbecue!

Gatomon: FISH!

Qin: Uh oh.

?: Strawberry Starfruit milkshake J.D.?

I saw a cat girl in a maid uniform with black angel wings.

Me: Oh why thank you very much.

I drank it.

Me: (SLURPS) Ahh! Delicious.

Lincoln: Oh my gosh you're Blake's second Akuma Nyan Maid. The 2nd Hypothetical Akuma of Blake Belladonna and she is a cat maid girl and loves all things cats do and also she is a maid girl so she will serve you in every way like one. She was made because of Jacques Schnee's predjudice against her kind and promised to poison him with a cyanide laced martini.

Me: WHOA! But she makes really good milkshakes though.

Nyan Maid: I sure do.

Blake: I look amazing as a cat maid.

Ghuul: You sure do.

Blake: Yeah.

Me: And I think I can help you with that promise.

I pointed to Jacques Schnee from her world sitting on a bench.

I made a blue hawaiian martini.

Me: There. Now for my secret poison.

I pulled out a black bottle with a dropper and it had a skull and crossbones on it.

Me: This is my a poison I call Cyanothalium Cobalt Thorium Nitroglycerin Compound Number 72. It's a VERY HIGHLY unstable and explosive compound me and Lisa made and it will explode at the slightest jostile.

I pulled the top off and it had a glowing neon blue glow.

Me: 5 drops.

I put them in and gently stirred them in.

Me: Now be careful. It's HIGHLY Unstable.

Nyan Maid: Okay.

I gave it to her.

Nico: What are you gonna do?

Me: You'll see.

I snapped my fingers and went as a butler in a nice tuxedo.

Everyone was hiding behind a wall.

New Wave: Blake? Is that you?

Nico: Shh. Watch.

Jacques drank the martini all down in one gulp.

Nico: He drank it fast.

Then he fell down unconscious.

Nyan Maid: Wow that's fast.

Me: Now watch.

I grabbed him and me and Nyan Maid threw him at a brick wall of an abandoned building 500 yards away.

We jumped and ducked behind the wall and when he hit it...

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

THE EXPLOSION BLEW THE ENTIRE BUILDING APART IN AN INSTANT INTO FLAMING RUBBLE!

When the explosion faded, the entire building was gone and Jacques Schnee from Nyan Maid's world was sent to the Black Abyss!

Me: WHOA!

Nico: WHOA IS RIGHT! That is a deadly explosive!

Eli: That was awesome!

Me: Got to finally test it out.

Nyan Maid: It sure was awesome!

Nico: Yep!

New Wave: Is that you Blake?

Nyan Maid: Yes it's me. I'm still Blake. And hey Linky.

Linky: It's her all right.

Nyan Maid: All yours.

Lincoln made out and marked her like he did with Crystalschnee.

Nyan Maid: That was fun. I'm all yours in bed Linky.

WE LAUGHED!

Me: You guys better stop before Nicole kills you.

Nicole: Yeah.

Nergal: Will you please calm down now?

Nyan Maid: I'm all better now. Thanks. Sorry we have to fight.

Nergal: I know.

Me: Lets see if you like this.

I spun my Magisword Bracelet.

LASER POINTER MAGISWORD!

I fired a laser pointer beam on the ground and she followed the red dot.

Nico: (LAUGHS) Cats really do love the laser pointer.

Lincoln: They sure do.

Nergal charged at her and grabbed her with his tentacles and then...

ZAAAAAAAAAAAAAAPPPPPPPPP!

Ed: Zappity Zap Zap!

Nyan Maid: My turn!

She hacked and then fired hair balls!

Me: LOOK OUT!

She hit Ren!

Ren Hoek: I'm covered in hairballs!

He then jumped onto Nyan Maid and slapped her all over!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Ren Hoek: YOU FILTHY DOG AND YOU FAT BLOATED IDIOT! YOU WORM! YOU STUPID!

Stimpy: At least he's not hitting me.

Gatomon charged at her.

Gatomon: LIGHTNING PAW!

She slashed and smashed her down.

Nyan Maid: Okay I give!

She waved a white flag.

Me: Okay then.

Qin: That was a REALLY Funny one.

Sheep Man: Mevya, how are you feeling about some of the cats having a fish barbecue.

Mevya: Scared but the cats wouldn't want to eat me.

Gatomon: Oh no? I would!

Kari: Gatomon that's enough.

Gatomon: Sorry.

Nico: Now we got a cat girl the bring down.

We then saw Nyancy Chan and an army of mind-controlled cats and she's at it again.

Nico: Okay, time to free those cats from Nyancy's control.

Me: Right, Yue.

Suddenly, the spirits of the felines appeared and they attacked Nyancy Chan with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared!

Lincoln: Got you red-handed, Nyancy.

Nyancy Chan: Yipe! Looks like you caught me with my paws in the cookie jar. But, I ain't out yet.

Nyancy tried to control the cat members of TLPS, but she failed.

Nyancy Chan: What the?

Nyancy Chan tried once more and seemingly, Meowth, Gatomon, and Garfield were under her control.

Dr. Light: Oh boy.

Nyancy Chan: That's better. Garfield, do some pushups and situps! Gatomon, eat Mevya! And Meowth, kiss James' Inkay!

Mevya: OH YOU ARE NOT GOING TO EAT ME!

James: THAT IS SO WRONG!

Gatomon: I don't think so!

SLASH!

She slashed her.

Garfield: I am too lazy for pushups.

Meowth: And another thing we ALL have these.

He pointed to the anti-mind control rings on them.

Me: Nice try Nyancy.

I used the Laser Pointer magisword on her and she followed the laser like any cat.

Me: What's that red dot.

Hornet Man: It's a laser pointer.

Me: Yep.

Cat: Also you should know better than to use us cats.

Yugito Nii: Because our claws will come for you!

James' Inkay: (SCREAMS IN FRIGHT AND HORROR)

Dark Spicer turned into Furi.

Furi: Here's your warning: Your ass is about to be kicked!

Me: Oh come on you can do better than that!

Rita Fox: Like this! LEMME TELL YA SOMETHIN NYANCY CHAN! YOU ARE NOT GONNA CONTROL CATS ON OUR WATCH! NOT WHILE WE'RE PRESENT!

Me: Hope you have 9 lives because you're going to need them!

The cats still under Nyancy Chan's control decided to chase Mevya.

Blackfire: Run, Mevya! Run like the wind!

Numbuh 5: J.D.!

She gave me a catnip blaster!

Me: Suck on catnip!

I fired catnip bombs and they hit the cats and exploded! They danced like it was a party!

Me: You like catnip Nyancy!?

I fired catnip and she danced stupidly!

Nyancy Chan tried to control Furi.

Brick: Well, we're dead.

But then...

KRASPLAT!

A MASSIVE HAIRBALL HIT NYANCY AND IT CAME FROM THE GIANT FLUFFY CAT AND BILLY!

Billy: WOOHOO! The Fluffy Cats Rule!

Mandy came out of the hairball and she was REALLY covered in hair and spit!

Mandy: This is why I hate cats!

Kevin Levin: Trying to control Furi and Rath is one thing. But you do NOT try to have Mevya eaten!

Tomahawk Man: Kevin is protective of Mevya just like his car!

Kevin smashed her with a metal fist and a mace ball!

Serena Evans: Lets do it guys!

Nyancy grabbed Mevya and was about to lick him.

Mojo: Nyancy, I would advise you not to-

Nyancy licked Mevya.

Mojo:-do that.

SHE THEN VOMITED!

Mevya: HA! I am not a normal fish! I am from Pisciss!

Me: That's right! Also Nyancy lets see you do this.

I used the powers of Katastrophe from Power Rangers and summoned Cat Themed Putties!

Kat Hillard: (Australian Accent) I've never seen Cat Themed Putties before!

Me: It's something new I wanted to try. Also I thought it would look awesome. ATTACK!

They attacked Nyancy all over!

SMASH BIFF WHAM BASH!

Nyancy: Well, at least I can still do this.

Nyancy tried to control the Putties and Furi.

But she failed!

Me: Nice try! The Putties only obey me. Also you can't control them. They are clay monsters.

Furi: And I have anti-mind control measures too!

Nico: YEAH!

Nyancy Chan: (to Mevya) I don't know why I thought you would taste good!

Gatomon: Welcome to my world!

Mevya: I taste like rotten onions!

Me: YUCK! Also you think you are the only one that had cat problems, Ronnie Anne here knows how that feels!

I drenched her in tuna salad.

Me: Here Kitty Kitty Kitty!

I whistled and then THE MASSIVE GANG OF ALLEY CATS THAT RONNIE ANNE AND HER FAMILY HAD TROUBLE WITH APPEARED OUT OF NOWHERE AND MAULED NYANCY!

Me: Don't even bother Nyancy! I used my magic to make sure all the cat members of the M.O.E. Don't get controlled by you!

Garfield: And I wouldn't do any pushups or situps even if you paid me!

Jon: She has the right idea though...

Me: Jon you know that Garfield is the laziest cat ever.

Jon: You're right.

Nyancy was REALLY SCRATCHED UP!

Me: Also you know what cats are also good at being known for? Being cute!

Mallow Mokey: Lets see how cute you are against me. Especially because I'm the gene-slammer of the cutest duel monster known.

Nyancy: Oh really?

Mallow made a cute face! Nyancy was blown back by it.

Rarity: My goodness! She's trying to out-adorable her!

Nyancy made a cute face.

But Mallow wasn't moved and she made a cuter face!

Rainbow Dash: It's almost too cute!

Mallow made a bunch of really cute faces! Nyancy made a bunch of really cute faces too.

Pinkie Pie: OH I CAN'T HANDLE THE CUTENESS!

Mallow made her cutest ever face!

Nyancy Chan: NO! I'M TOO CUTE FOR THIS!

She exploded into the sky from Cuteness overload and exploded as a bunch of fireworks!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR. NOW, THE BATTLE TO TAKE DOWN NYANCY CHAN WAS ON!

Lincoln, Blake Belladonna, Nico, and I and the rest of us went after Nyancy Chan and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and

Mythological Animals at Nyancy Chan, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Blake Belladonna, Nico, and I and the rest of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Nyancy Chan and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Nyancy Chan and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Ed Cowart: All right, I'll take it easy on you.

Ed Cowart proceeds to insult Nyancy Chan.

Ed Cowart: Sorry to break it to you, but Blake's the first cat girl to join Lincoln's harem, that and you're a catgirl that may compete with Blake, Taokaka, and even Felica of Darkstalkers and one last thing?

Ed Cowart put Nyancy Chan and Lincoln in different rooms as to prevent perverts from seeing them. Then, he put sweet rose scented make up on Nyancy Chan, then he painted her nails with nail polish that smells various sweet fruits, and he finished by dressing Nyancy Chan in a pink and purple bikini for Lincoln to see, Then, he put Nyancy Chan in the same room as Lincoln, and as soon as Lincoln sees Nyancy Chan looking like that, he ended up having a nosebleed and the rooms are completely soundproof.

Ed Cowart turned to see Nicole cracking her knuckles and Caleb Maxwell had his guns raised and he had a bloodthirsty deranged look in his eyes. A few minutes later, Lincoln came out covered with kiss marks and same with Nyancy Chan.

Caleb Maxwell: (GROWLS) You got lucky, Ed.

Nicole: You said it.

Horsea squirted ink and blinded her.

Qin fired blasts of lightning and electrocuted her.

Me: Lets see you control this infernal cat!

Blossom: Lets form FURIOUS FIERY FELINE!

The Powerpuff Girls flew at her and ignited and formed into a cat made of pure fire! They went and rubbed against Nyancy and she screamed in pain as she was burned to a crisp!

Me: NASTY BURNS!

Qin: Yikes!

Then Captain Cold, Man Ray, Cantwell, Common Cold, Cluemaster, Mysterio, Major Disaster, Key, Springfield Bullies, and Motor Ed came.

Nico: Captain Cold, Man Ray, Cantwell, Common Cold, Cluemaster, Mysterio, Major Disaster, Key, Springfield Bullies, and Motor Ed.

Nyancy was burned too bad to make orders.

Me: I think she is too badly burned to bark orders at you. Er meowing rather.

Captain Cold: (to Mevya) She tried to lick you, didn't she?

Mevya: She sure did and I taste REALLY HORRIBLE!

Cantwell: Some cats don't realize how bad you taste.

Cantwell: Until it's too late

Me: Yep.

Common Cold: (to Nico) We heard you fought Cobra Commander.

Nico: We sure did. Made up for 5 years of missing battles with Cobra.

Man Ray: (to Gali) You should take care of that Popplio

Gali: I will.

?: That is for sure.

A figure came and it was MOLE NEJIRE From episode 12 of Megarangers!

This subterranean-combat Nezire Beast builds a machine to attract a piece of a heat-guiding meteor to Tokyo in order to use its energy to destroy the city in one blow. Managing to overpower Mega Black, but losing a fragment of the meteor, the Mole Nezire falls back and later abducts Mr. Ooiwa and Mega Black. With Mega Black regaining his composure, he saves Ooiwa and fights the Mole Nezire as the others arrive and destroy Mole Nezire's base. Mega Black then breaks the Mole Nezire's claws off and was about to kill him when Bibidebi intervenes and bites the Nezire Beast. With Mega Black piloting Galaxy Mega, the Mole Nezire is easily destroyed by the Galaxy Lance attack.

Eli: Mole Nejire! I remember oyu! You were sent to attract a piece of a heat-guiding meteor to Tokyo to blow up the city in one fell swoop!

Mole Nejire: That's right Eli! Good memory.

Eli: Thanks.

Me: An unadapted one. Awesome!

Mole Nejire: Yep. Too bad I wasn't in America.

Andros: That would have been awesome to see though.

Mole Nejire: I probably would've been a powerful opponent

Me: You sure would have been.

Qin: I agree there.

Lola: Yeah!

Nico: Yep. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Qin, Dialga, Vixen, Theo Martin, Lily Chillman, R.J., Dominic, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Volcana and Torch Man VS Captain Cold, Evil Blizzard Man, Mophead (Sailor Moon), Boba Fett, Praxina, Mephisto, Weather Machine Monster and Superfriends Captain Cold (Theme including Dialga) - Nico's rescue was on Mayon and we destroyed Cobra Commander

---

Captain Cold was first

Captain Cold (to Qin): Nico's rescue was on Mayon. He destroyed Cobra Commander.

Qin: It was intense! But it wasn't just Cobra Commander. All of lackeys too! We faced Dr. Mindbender, Baroness, Destro, Tomax, Xamot, Firefly, Major Bludd, Wild Weasel, Copperhead, Serpentor, Cobra-La, Colobulus, Zartan, Zandar, Buzzer, Ripper, Torch, Monkeywrench, Buck McCann and Black Out! It was 24 intense matchups and it wast awesome. The Loud Kids and some of us battled them and it was awesome!

Captain Cold: WHOA! That was intense!

Dialga: It was!

Vixen: We haven't battled Cobra or his men since 2019 and Cobra Commander was REALLY PISSED about us having Storm Shadow betray him.

Twilight Sparkle: But it was REALLY awesome too.

Captain Cold: WOW! That was intense and I should know because I helped Qin and Roadblock in battling Firefly

Qin: You sure did! And that was some of the most fun ever!

Captain Cold: To be honest, I hated Cobra Commander. He hated EVERYTHING and everyone!

Stellar Sparkle: I know! What an unpleasant guy!

Harmony Sparkle: Yeah no kidding there! But it was awesome too!

Starshine Sparkle: I agree there.

Spyro: And this more than makes up for time lost when we first battled Storm Shadow back in 2019.

Captain Cold: Boy it sure does! Now we've seen the last of Cobra and we ended the terror of G.I. Joe's public enemy number 1. Lets do it!

Qin used the Vistamp for Captain Cold and the Ice World Gear and they fired waves of energy and magic and smashed them down.

Gali, Water Hazard, Sailor Saturn, Destiny the Whale Shark, Dory, Nemo, Bailey, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite Aurora, Fire Skylanders, Rico the Robot and Heckyl VS Man Ray, Swamp Witch, Evil Skarr, Scythe 2.0, Pinface, Mandy the Merciless, Manta Bayarsh and Barnacle Man (Theme including Water Hazard) - The Anothers were the gene-slammers of Megarock Dragon and Poison Butterfly

Man Ray was next.

Man Ray: (to Gali) The Anothers were the gene-slammers of Megarock Dragon and Poison Butterfly. Nico, Hypnotick's team, Cy Bug's team. and the others did good battling them

Gali: We sure did and they were really cool too! We found out that the Megarock Dragon gene-slammer was Tyra Markov and she is Tara, Brion and Gabrielle's sister which was really amazing.

Man Ray: WHOA! Makes me wonder how many siblings Tara really has!

Gali: I know! Nico and Beast Boy said the exact same thing. She even asked where Slade was and Shanan said that she killed him forever. She even told her how much she wanted nothing but to make sure he suffered for all the HORRIBLE things he did that lead to Costing Tara her own life.

Water Hazard: Yeah that was awful that happened to Tara. Also we met a Mega Tropius gene-slammer and her name is Erika Tsugami and she is Shoichi's sister. We were shocked but also we found out that she is the Wolf Agito Master and the Wolf Agito Rider named Kamen Rider Wolfen which was really amazing.

Man Ray: WHOA! That is something! How did she react to the Overlord being with us?

Sailor Saturn: She took it well. She was shocked at first but took it well.

Sunset Shimmer: The Lords of Agito really put up an amazing fight on Kadma's missions.

Firestorm Shimmer: Yeah that was awesome from what I heard.

Sunset Shimmer (G5): Yeah that was amazing.

Pipsqueak: (British Accent) It sure was!

Chalcanthite Aurora: (British Accent) I agree there!

Sunburn: What an eventful rescue! And also the gene-slammers of Numbers 18 and 17 were also the sisters of Androids 18 and 17! Funny thing is that J.D. mentioned it would be a HUGE Coincidence if they were the sisters of them.

Man Ray: That is a VERY SHOCKING coincidence!

Sunburn: It is! Also we found out that they HATE Dr. Gero with a vengeance and want to make sure that he pays not only for wanting revenge on Goku for destroying the Red Ribbon Army but also for Dr. Gero turning their siblings into androids which to them was an ABSOLUTE CRIME against humanity! 10 years ago, They called upon Shenron on the Dragonballs and for their 2 wishes, they wished for all the powers of the Shadow Dragons and Omega Shenron as well as Weapons capable of Destroying Dr. Gero and his monster creations with powers stronger than him times 1,000,000,000,000.

Man Ray: WHOA! That is gonna be amazing and powerful! That will be an epic battle of the ages! Lets do it!

Gali used the Vistamp of Man Ray and the Water World Gear and they fired waves of fire and water and smashed them down!

---

Cantwell was next.

Cantwell (to Lisa): I heard Lincoln's rescue was at New York University. How was it?

Lisa Simpson: It was really intense! We battled Alexander Avalon's old enemy Nathaniel Blackwood and it was an amazing battle! But in the end before we could deliver the fatal blow, Alecto Slytherin, the direct descendant of Salazar Slytherin that menacing racist and genocidal pureblood supremacist wizard and the mortal enemy of Mathias Ravenclaw came and killed Nathanial. He even called us MURDERERS of Salazar Slytherin!

Cantwell: Man those jerks and monsters of Slytherin just can't take a hint!

Chloe Terryington: (British Accent) Indeed! But this was a shocking adventure though!

Johnny Test: Yeah but it was a really awesome and action packed battle too.

Applejack: It was a good battle though.

Apple Star: It was a rip snorting good fight!

Wolf Moon Bloom: Yeah it was!

Apple Bloom: It sure was!

Flashwing: You got that right!

Cantwell: WHOA! You guys had a fun time. Lets do it!

Lisa Simpson used the Vistamp of Cantwell and the School World gear and they fired waves of earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

---

Common Cold was next.

Common Cold (to Robin): Today was The next Skylanders Adventure. Who went this time?

Robin: Well Luna Nightstorm, Haiku, Maggie, Princess Luna, Moonlight Raven, Knight Mare, Blackout, Shadow Man, Shade Man, Carly Atlas and Misty Tredwell went and we went to the Midnight Museum. It was a Museum that is home to some of Skylands most dark and dangerously ominous artifacts. It's kind of like a museum for everything Dark Magic.

Common Cold: WOW! Sounds like the kind of museum the Goths of Darkness and Raven would like.

Robin: I know. And they went there to stop Nightshade, Skylands most notorious thief and the Dark Doom Raider from stealing the Dark Eye of Tomorrow and stop him from stealing all the most valuable things in all of Skylands in one fell swoop.

Speedy: The Midnight Museum has security as tight and dangerous as Fort Knox and Nightshade knew how to get around all the security like it was no problem to him. He was that crafty and that good.

Common Cold: Amazing!

Dark Magician Girl: It was! We had a lot of fun on that one too.

Rarity: It was sure indeed fun there darlings and everyone had fun on that one.

Erica Tala: It was scary seeing the Midnight Museum like that.

Sapphire Ocean: It sure was!

Rarity (G5): But that was number 9 of the Doomlanders down.

Dioptase Angel Belle: We just have Luminous at Sunscraper Spire to beat.

Sweetie Belle: It sure will be interesting! But J.D. said he has something awesome planned for after that.

Gill Grunt: He said that after the Sunscraper Spire is done it's going to be a surprise.

Common Cold: Looking forward to it! (SNEEZES)

Robin: Bless you.

Common Cold: Thank you. Lets do it!

Robin used the Vistamp for Common Cold and the Mucus World Gear and they fired waves of snot, water, ice, jewels and lightning and smashed them down.

---

Cluemaster was next.

Cluemaster (to Aang): You guys went to the beach for some fun. What did you do there?

Aang: We did all kinds of fun stuff. We played volleyball, surfed, hunt for buried treasure and even built sandcastles.

Cluemaster: Awesome! Glad you all had fun. Also Krusty came back to HQ all beat up and drenched in hot sauce with his eyes burned out! Care to explain that?

Aang: Well it's a really crazy story! Krusty needed J.D. to make a drink to forget a nasty deal he owed to a bunch of Ghost Pepper Hot Sauce Loan Sharks. So J.D. made a Forget-Me-Shot.

Cluemaster: What's in that?

Aang: Well it's on this video J.D. made for it.

He showed the video on his phone.

Me: You start with a splash of Jägermeister, then add Slow Gin, Triple Sec, Quadruple Sec I don't know how that is possible, Gunk from a dog's eye which is disgusting, Absolut Pikl vodka, the Red stripe from Aquafresh toothpaste and the funniest ingredient the Venom of the White Louisiana Loboto-Moth.

I mixed said ingredients and pulled out a jar full of the little white moths.

Me: Come on sweetie.

I tapped its proboscis lightly and a drop of venom came out of it and fell in the drink and turned it light green and it fizzed.

Me: You stir it with a home pregnancy test till it turns positive.

2 stripes for positive came on it.

Me: And viola! The Forget-Me-Shot.

Cluemaster: Wow! That is a very unusual drink. And no doubt it makes you forget everything that happened to you over the last 24 hours to a week right?

Aang: That's right.

Cluemaster: WHOA! That is crazy. And it made Krusty forget that deal no doubt. But he came back beaten up anyway.

Flik: I know! That was nuts! Poromon and the mascots wanted some but J.D. said it would make them forget everything they did in the last 24 hours to a weeks.

Cluemaster: And J.D. said no to them no doubt.

Bounce Man: Yep but they changed their minds later on and I had no idea that Ghost Pepper Hot Sauce Loan Sharks existed like that.

Cheerilee: We found out that Krusty took $400,000.00 in hot sauce from them and owes them $1,000,000.00 in all that plus interest!

Cluemaster: Boy there is practically loan sharks for everything now these days. Poor Krusty. Also I think I heard you guys met a Mega Tropius gene-slammer on Mayon.

Rainbow Dash: You bet we did and it was awesome! Her name is Erika Tsugami and she is Shoichi Tsugami's sister and also is known as Kamen Rider Wolfen and is a deadly member of the Agito Riders.

Comet Thunder: She has all the powers of the Wolf and the Wolf Moon and the night and is a REALLY Formidable and powerful rider.

Sprite Thunder: She was shocked at first because of the Overlord being in the M.O.E. But got over it quickly because of it.

Thunder Rainbow Zoom: Yeah that is for sure.

Scootaloo: It sure was.

Cluemaster: Wow! That is amazing! Also I heard you guys met a gene-slammer for Mega Serperior too.

Scootaloo: We sure did and her name is Serena Evans. She is the Cyan Blue Elephant Ranger and also HATES Master Org with a vengeance too and she is also Cole Evans sister. She was extremely shocked to find out that J.D. went ballistic with the full extent of his power on him and it was explosive!

Whirlwind: Yeah that was intense!

Cluemaster: I'll never forget hearing about that! But that is amazing! Lets do it!

Aang used the Vistamp of Cluemaster and the Mystery World Gear and they fired waves of wind, rainbows, lightning, storms and weather and smashed them down!

Mysterio was next.

Mysterio (to Yusei): It's Blake's day to shine. And which Heartless robots should I use?

Yusei: Wily Cat Heartless.

Mysterio: Good choice for cats.

He summoned said robots.

Yusei: Also yes it is Blake's day to shine and as you can see we're facing Nyancy Chan. She is one of Ben's enemies and she tried to take over Bellwood and also had Ben as Rath go on a crime spree with her.

Mysterio: Sounds like she has the same powers as Allura does.

Yusei: She sure does. Except she doesn't have powers over ice and cold. But thankfully we came up with a plan to counter that. Lincoln and J.D. made a bunch of anti-cat mind control ring bands and now the cat members of the team can't be controlled by her.

Jet Warrior: Yeah and Allura is REALLY Putting up a good fight with her too. Same with Rath and Cheetor and all the cat members of the team.

Chuck Chicken: That is for sure and it's cool dudes.

Fluttershy: J.D. used Allura's powers and got her to hit herself which was really funny.

Lilja: (Icelandic Accent) (LAUGHS) It sure was!

Sólrún: (Icelandic Accent) You got that right!

Daffodil Bloom: Yeah it was really funny! He even made her eat chum. Which she liked. Lana thought that was really cool and funny.

Fluttershy (G5): I agree there.

Tornado Bolt: You got that right and I have never laughed so hard.

Seabreeze: (Swedish Accent) Ja it was awesome and funny.

Stealth Elf: Yeah that was cool.

Mysterio: How Purr-fect! (LAUGHS)

THEY LAUGHED!

Mysterio: Yeah! Lets do it!

Yusei used the Vistamp of Mysterio and the Illusion World Gear and they fired waves of stars and leaves, grass, flowers, weeds, wood and energy and smashed them down.

Major Disaster was next.

Major Disaster (to Tyler): Nyancy Chan is going to be put into our ranks. No harm in recruiting cat members.

Tyler: You don't have very many members that are cats. Katnappe will get along great with Nyancy.

Articuno: I agree there. Nyancy is also in Lincoln's harem too. So that makes her part of the Redemption Squad too.

Major Disaster: That is true as well.

Kagero: Yeah that is for sure and it will be awesome.

Pinkie Pie: Rarity loves cats too and she has Opalescence and she gets along great with Nyancy.

Maud Pie: (Monotonously) Yes that's right.

Citrine Pie: You got that right!

Pinkie Pie (G5): Yeah you got that right!

Featherweight: I agree too!

---

Key was next.

Key (to TJ): Blake's 2nd Akuma is a Catgirl Maid. What can it do?

T.J.: She is really cute! And also she is pretty much a maid girl that tends to your every need. She gave us smoothies and drinks as we were talking and she looked so adorable. Even Lincoln thought so too. He even marked her. Also her name is Nyan Maid and she was made because of the prejudice of Jacques Schnee against the Faunus of Remnant and she vowed to give him a Cyanide Laced Martini if she sees him!

THEY GASPED!

Key: WHOA! That is intense! And coincidentally you guys defeated him and threw him into the Warp yesterday.

Sonic Duck: We sure did.

Supernova Zap: Yeah that was intense. Also she made us really delicious strawberry ice cream milkshakes too.

Key: I can see that. Wow.

Starlight Glimmer: She also looked really amazing and cool as a maid and we loved her like she is part of the family.

Moonlight Glimmer: Yeah that is for sure!

Starlight Glimmer (G5): Yeah that was cool! Also we had her give Jacques Schnee from her world a cyanide nitroglycerin laced martini and when he was unconscious we threw him into a wall and then BOOM! He exploded in a NASTY amount of blood and guts.

Key: GRUESOME! But that is fitting for him too.

Cozy Glow: You said it!

Raven Bishop: Boy no kidding! That was crazy and cool though.

Hex: Yeah no kidding!

Key: I agree there! Lets do it!

---

The Springfield Bullies were next.

Dolph (to Sam): Ben faced Nyancy Chan before.

Kearney: She can control cats, right?

Sam S.L.: Yes she can do that. She tried to take over Bellwood and even controlled Rath and use him to go on a crime spree. But Ben stopped her before and sent her to jail.

Heatblast: Yeah that was crazy. But thank goodness J.D. and Lincoln made those anti-mind control rings for cats to stop her from controlling the cat members of the team.

Autumn Blaze: I agree there and that was so awesome and cool!

Princess Celestia: It sure was!

Dawn Eclipse: Katnappe and Nyancy will get along great with each other. They both are cats and use their powers to fight like cats and control cats.

Princess Celestia (G5): Yeah that is really amazing.

King Solar: It sure is.

Solar Eclipsa: Also the Crazy Old Cat Lady that the Kids Next Door know and the Crazy Cat Lady from Springfield would get along great with Nyancy too.

Amber Morning: I agree there too.

Spotlight: I agree there.

Jimbo: That we can agree on. Some of the cat members of the team are not for those allergic to cats. Lets do it!

Sam used the Vistamp of the Springfield Bullies and the Punching World Gear and they fired waves of energy and light and smashed them down.

Yang, Wheel Gator, Zipp Storm, J.P., Cyber Dragon, Number 17: Leviathan Dragon, Meteor Black Dragon, Princess Luna, Dusk Eclipse, Princess Luna (G5), Moondust, Snowdrop, Children of the Night, Dark Skylanders, Knight Man and Tomahawk Man VS Motor Ed, Roller Ghoster, Serpentina, Universe 666 Nega-Chin, Bomberman Gang, Carrie Beff, Taxi Cab Monster and Gaskette (Theme including Wheel Gator) - Nyancy Chan is also part of Lincoln's harem too

---

Motor Ed was next

Motor Ed: (to Yang) Nyancy Chan is also part of Lincoln's harem too. Did she try to control Blake and her Meowth?

Yang: No thank goodness she didn't because she knows how much Blake and Meowth are loved by Lincoln too. But also we found out something really crazy about all this. We found out that Ed is allergic to cats!

Motor Ed: WHAT!? Seriously Ed is allergic to cats too!? He seriously needs to see a doctor about his allergies!

Yang: That's exactly what we told him! When he was around all the cats with Nyancy we saw him Sneeze explosively and then he got UGLY purple spots all over him and then he swelled up like a balloon and his feet, arms and legs did too! He was a huge blimp! He couldn't scratch himself too!

Serpentina: He didn't have that problem with the Loud's cat Cliff!

Wheel Gator: No I think it's because of him being around so many cats all at once.

Zipp Storm: Man he's allergic to bunnies, then eels, then Butterscotch Pudding and now cats! Man Ed has a LOT of allergy problems!

Motor Ed: You're seriously telling me!

Princess Luna: It's just hard to imagine that Ed is allergic to so many things like that.

Dusk Eclipse: What next? Being allergic to soap?

Princess Luna (G5): Yeah!

Moondust: Eddy even suggested that we poke a hole in him and let the air out but Double D said he would explode.

Ed: Jimmy cracked corn and I don't care!

Motor Ed: JEEZ! Ed you seriously need to know what you are allergic to.

Lincoln and his harem fired a massive fragrance catnip at Nyancy Chan who alongside Blake Belladonna immediately jumped in and started making out with Lincoln.

We cheered as we holstered our weapons and powered down.

Nico: And that is that.

Me: You said it.

Lincoln: And we saved Bellwood from being taken over by cats. Now, there's one last thing to do and one last loose end to tie up: Yuga Khan.

We then turned our attention to Yuga Khan who was still in suspended animation.

Yuga Khan: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU!

Lincoln blasted Yuga Khan with rainbow, white, golden yellow, and blue energy blasts and elemental forces.

Sheila Melbourne Cooper: Okay, that's it, I've had it up to hear with you! Now, it's time for you to pay.

Suddenly, Sheila Melbourne Cooper's dark blue eyes turned neon dark blue, and she was surrounded by a black and dark blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, light, spirits, raccoons, phoenixes, and angels, and as she approached Yuga Khan, she left black and dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, light, raccoons, phoenixes, and angels with every step.

Sheila Melbourne Cooper: You made a big mistake coming back to destroy us, Yuga Khan, so that you can destroy Darkseid, that's our job. Now, we'll make sure you never rise again to terrorize the world.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF SHEILA MELBOURNE COOPER WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RACCOON, AND RAINBOW FIRE ANGEL AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE RACCOON, AND RAINBOW FIRE ANGEL WENT BACK TO EARTH AND SHEILA MELBOURNE COOPER GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Sheila Melbourne Cooper was surrounded by a massive vortex of black and dark blue, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, darkness, light, and spirits surrounding the vortex, there are raccoons, phoenixes, and angels flying around the vortex, and in the vortex is a black phoenix with the Cooper Clan insignia on its stomach and blood red eyes glaring at Yuga Khan: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

Lincoln, Sheila Melbourne Cooper, Nico, and I went after Yuga Khan, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Yuga Khan, and they exploded with incredible power as they hit him.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Yuga Khan and he also sucked out all the energy remaining in Yuga Khan's soul and he banished him to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Sheila Melbourne Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Sheila Melbourne Cooper: It's over for you, Yuga Khan, and to this we say good riddance. Thanks for helping me get rid of that evil God, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Sheila.

Me and Nico: Our pleasure, Sheila.

Suddenly, Sheila Melbourne Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sheila Melbourne Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Sheila Melbourne Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Sheila, you transformed and you guys really let that evil God have it.

Me: That's for sure, despite being a powerful God, he didn't stand a chance against us. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Citrine.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Citrine.

Catherine Diamantis: There's only one person who matches this: Cierra Citrine, Avatar and Gene-Slammer of Gem-Knight Citrine, and you guys are going to love meeting her, Cierra Citrine, Avatar and Gene-Slammer of Gem-Knight Citrine, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Citrine gems and crystals. She's known as The Citrine Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this.

Cierra Citrine came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Citrine gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Citrine gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Sarah Marwood, Gene-Slammer of Steelswarm Girastag and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Cierra's parents and her little sister, Claire, in cold blood, and she swore to kill Sarah Marwood and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Cierra lost both her parents and her little sister, Claire, and Sarah Marwood killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She don't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Mysterio: That was purrfect!

Major Disaster (laughs): You said it!

WE LAUGHED!

Me: That was a good one!

Key: And in the end, the good kitty won!

Nico: And the bad kitty was put out with the trash!

Jimbo: Let's have Nergal's pizzas!

Nico: Good idea!

Motor Ed: With smoothies. Seriously!

Qin: Yeah!

Nico: Great job today everyone! You could say this entire day went to the dogs.

Lola: Yeah!

Yugito Nii: (To the viewers) Cats and Dogs are great. But we all won together.

Me: Yep.

We went to have Nergal's pizza and smoothies.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: At least, we stopped Nyancy Chan from trying to take over Bellwood.

Anna Anyanova: Yep, thank goodness we put a stop to that.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Alexander Avalon was out in the city and looking out into the skies.

Alexander Avalon: So, now we got to find the other Dark Clow Cards so Lincoln can suck out their magical powers and take down Alecto Slytherin's minions, so he can absorb them. This is going to be a rough road, but we'll put an end to that snake's scheme once and for all.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was finally on, but we're ready.

Next up is Pyrrha's day and we're going to battle Cinder Fall and make her pay for her crimes.

See you all next time.

Pyrrha Nikos Gets Justice

Pyrrha is going to kill Cinder Fall

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a blood red planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over lava, magma, and volcanoes, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Magmatisaira, a volcano planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Magmatisairans, the males were not only natural born fighters and had incredible superhuman strength, but had powers over lava, magma, and volcanoes, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Crystallumairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: I already know the drill.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Naturaira once inhabited by The Magmatisairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Magmatisaira, wow, it's an intense volcano.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Magmatisaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a neon orange gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of neon orange souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Magmatisaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Magmatisaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over lava, magma, and volcanoes, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and orange aura with magma and lava surrounding him and the rainbow, white,

golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over lava, magma, and volcanoes, and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Magmatisaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Magmatisaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and

the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Magmatisaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Magmatisaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and

massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Magmatisaira, it was one intense volcano planet.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, and The Infernairans laid waste to The Magmatisairans, and there truly is no end to the terror they'd wrought throughout the universe

Lincoln: Arpina's former people were absolute monsters.

Pyrrha woke up to see Thievul staring at her.

Thievul: Morning Pyrrha!

Pyrrha: Oh morning Thievul.

Thievul: Time for breakfast!

She went and got dressed and went to the table and we were having pancakes.

Suddenly, the phone rang.

Lincoln: I'll get it!

He went to the phone and answered it.

Lincoln: Hello Team Loud Phoenix Storm Estate, Lincoln Loud Speaking? Wait, WHAT?! Nico, come on! Your kids are in danger!

Nico: WHAT?!

Lincoln hung up, and he flew out and found some of Nico's eldest kids seriously sick, and they were all beaten up. Then, he found a cupcake, but when he smelled it, he winced from the smell.

Lincoln: Gross! That's Marijuana!

I smelled it.

Me: (Sniffed) WHOA! That Alfalfa smell is marijuana all right!

Nico: What the?! Marijuana laced cupcakes! Who did this?!

Lincoln got Nico's kids to the infirmary and he administered the antidote.

Nico: Thank God you kids are okay now. Videl, how did this happen?

Videl Chan: Some man offered us cupcakes, and we took them. But, as we ate them, we felt seriously unwell, and he had a sadistic grin on his face, and then, he and his friends kicked us in the face before they ran off, and they said something about getting revenge on Dad by trying to kill us with drugs!

WE GASPED!

Me: What the?! An attempt on your lives!?

Nico: What...the...fuck?!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln,

Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was a Mexican male with black hair and he has tanned skin, black eyes full of hatred, and he was dressed in a blood red shirt, black pants, and black boots.

Nico recognized him immediately!

Nico: (GASPS) Gonzalo Aguado, I should've known that shithead was behind this!

Me: You know him?!

Nico: Unfortunately, I do. Gonzalo Aguado is a thug and a lowlife whom Qin, my friends, and I had to deal with. This asshole terrorized New Jersey for years, he's the leader of a local Mexican gang called Los Señores de la Sangre y la Destrucción, in Spanish, it means, The Lords of Blood and Destruction, and they were a violent bunch responsible for numerous assaults on innocent people, destruction of property, vandalism, numerous counts of rape, blackmail, murder, murder for hire, and assassinations.

Me: Oh God!

Qin: But, it gets even worse, his gang were also responsible for drug trafficking from marijuana to cocaine, and even worse, he has connections with a Columbian drug cartel and they're responsible for giving him the drugs. Because of it, he and his gang wound up on the FBI's Most Wanted list. So, we had to get hard evidence for the FBI, and thanks to documented evidence provided by us, Nico and The FBI went after Gonzalo Aguado and his gang and all of them were arrested, and thanks to all the evidence we gathered, it was enough to convict Gonzalo Aguado and his gang and find them guilty of their crimes and his gang were sentenced to death along with Gonzalo Aguado.

Eli: But, didn't they carry it out?

Lincoln: I got a feeling the cartel responsible for giving them the drugs killed the guards and helped them escape.

Nico: If that's true, then, we got to get after them. No one poisons my kids with drugs and tries to beat them to death and gets away with it.

Lincoln: I know, but I still think we should send them all to prison.

Caleb Maxwell was furious!

Caleb Maxwell: Prison?! Screw that! I'm gonna kill every last one of them!

Nico: Whoa!

Cage Blunt: Oh God, I should've known this would happen. Caleb also despises drug gangs with a bloody passion. When he returned to New York back in 1996 and also transformed, he killed many drug gangs and left a trail of dead bodies and spilled blood, but there would be many more when he went after the scattered forces of The Syndicate, the criminal organization that ruled New York in the late 1970s and 1980s.

Jack Howard: But, the organization had finally fallen in 1993 when The Big Claw Gang took over and they used all the journals and dossiers of The Syndicate's operations and Drake Maxwell's expulsion and the four senior members of the gang's expulsions after Caleb's death back in 1985 provided an additional springboard, but when Caleb returned from the dead in 1993, The Syndicate had already fallen.

Roxy Drake: Many would've thought that would've calmed him, but for him, it's not enough: he still had anger in his heart, and the one thing that'll cool his angry heart is the bloody deaths of every last Syndicate member along with his ex-younger brother, Drake Maxwell.

Lincoln: Either way, his bloodlust has risen again, I always knew this would happen. Alright, now let's finish breakfast so we can hunt down Gonzalo Aguado and Los Señores de la Sangre y la Destrucción.

Nico: Poisoning my kids with marijuana laced cupcakes and trying to beat them to death to get revenge on me? Those shitheads are dead, by the time we're done with them, they'll be begging for death.

We finished breakfast, and we headed to New Jersey to help Stellar Flare unlock her Rainbow Power and hunt down Gonzalo Aguado and Los Señores de la Sangre y la Destrucción and send them all to prison, that is if Caleb Maxwell doesn't kill them first.

We were off to New Jersey!

Me: Awesome to be in Jersey.

Nico: It sure is.

Qin: Yeah.

Lola: I'm ready to kick some butt!

Nico: NO ONE Poisons my kids and gets away with it!

May: YEAH!

Nico: Gravity Man, I want to thank you, Burn Dinorex, and your teams for coming.

Gravity Man: No problem Nico. I'm ready to kick some butt!

Pacifica: Same here.

Nico: Pacifica, has anyone adopted you?

Pacifica: No my sister Lori adopted me and is taking care of me.

Me: Your parents got what they deserved.

Pacifica: Yeah they sure did.

Ymir: I can't believe that your parents are that evil. Dipper and Wendy told me all about what they did and it was awful!

Me: What a couple of worthless pieces of shit! I hope they suffer the worst of it every day in prison.

Camie: Yeah!

Nico: You deserved better.

Pacifica: I agree there.

Lincoln: That's what they get for all the crimes they did.

Nico: Yep.

Me: Also after Galactus was destroyed, I banished Bill Cipher to the Black Abyss. I made sure he would never torture anyone ever again.

Nico: Good fucking riddance.

Poromon: Nico had no plans for him

Me: That's a relief. I didn't want to fight him again anyway.

Nico: Me neither.

Pacifica: I'm just glad that my so-called parents are in jail.

Me: I paid to have some of the prisoners torture and maim and beat them up brutally while they suffer in prison

Nico: And they accepted?

I showed a viewing window and it showed the prisoners mangling up the 2 Parents from hell. THEY WERE SCREAMING IN PAIN AND WERE BEING BRUTALLY THRASHED AND RIPPED APART!

Me: Good enough for you?

Nico: Seriously, they accepted?

I nodded.

Nico: Nice.

LOUD FART!

Ed: Ahh.

Eddy: Nice one Lumpy!

Me: Funny. Man yesterday was a day for the cats.

James' Inkay remembered that Meowth could've kissed him

It raspberried and squirted ink on Horsea!

Horsea: HEY!

Inkay: Oops sorry Horsea. Meant to hit Meowth.

Garfield: Seriously, I would never exercise

Jon: But you should.

Me: Jon you know Garfield is too lazy even for that.

Jon: I know.

Mevya: Nyancy Chan learned the hard way that I'm not tasty

Me: She sure did. But the craziest thing of that whole day was finding out that Ed was allergic to cats.

Leni: O.M. Gosh! Man he really was!

Me: And Poromon pecked him and he exploded!

Eddy: You okay now, Lumpy?

Ed: Yep!

Me: Cool. Also Blake your akuma was awesome and she made me that awesome milkshake.

Blake: She sure did. I looked cute like that. And that martini you made for her World's version of Jacques was intense.

Me: It sure was.

Nico: He exploded pretty good

Lisa Loud: And my new explosive formula was a success.

Me: It sure was.

Nico: Yep. All in all it was fun.

Camie: It sure was.

Roger Smith: Hey, guys, Look at this cupcake I bought.

It was a green cupcake.

Me: (Sniffs) I smell marijuana on it.

Roger Smith: Oh it does not have marijuana on it.

Jamesdean5842: Oh it does Roger and you didn't learn your lesson before.

Roger then started feeling the wrath of the Great Cartoonist.

He turned into a shoe heel that said First Class Heel on it.

He then turned into a donkey with the word Jack on his butt!

DONKEY BRAY!

Ymir: What's happening to him?

Crag: This is what happens when you incur the wrath of the author of this story.

Jamesdean5842: And he means yours truly.

Me: The one that made me.

He turned into a STINKY SKUNK!

Roger Smith: Help me you guys! I'm changing into things again!

Nico: You got to give us that cupcake.

Roger Smith: NEVER!

He turned into a crab!

SNAP SNAP SNAP SNAP SNAP!

Then a duck with his face on its butt.

QUACK QUACK!

Then a football.

Then a man in a fire hydrant costume and a dog was about to pee by him.

Nico: Okay, that's enough.

Nico turned Roger Smith back.

Jamesdean5842: Sorry I get a little carried away.

Roger Smith: Wait. It DOES have marijuana in it?

Nico: Yep.

Nico took it and smelled it.

Nico: Oh yeah. The Alfalfa smell in it is Marijuana.

Roger Smith: Gross! I like cocaine! Not Marijuana! You can have it!

Nico: I don't like Marijuana either. Where did you get this?

He pointed to a building that looked abandoned.

Nico: That's the Abandoned Stinky Chicken Shack! I went there years ago but it was shut down by order of the health department.

Me: Was the food good there?

Nico: Some of the best! But they had health code violations up the ass on it.

Lincoln: Okay, guys, we're in for one bloody battle, we're here in New Jersey to help Stellar Flare unlock her Rainbow Power and hunt down Gonzalo Aguado and Los Señores de la Sangre y la Destrucción and send them all to prison, that is if Caleb Maxwell doesn't kill them first.

We had all of TLPS and The MOE with us.

Nico: That asshole's going to pay for poisoning my kids with those marijuana laced cupcakes and trying to beat them to death!

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my

bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive

muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Jackie heard a Pokemon cry

Jackie: Wait where is that?

But then a Skitty came out of nowhere and then...

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP! WHAP!

It slapped May all over the place with its tail and knocked her down!

CRASH!

May: OW!

Manaphy: Mama!

Me: Whoa a Skitty!

Skitty: Oh! Wait I'm sorry guys I thought you were those nasty men.

Me: No we're here to stop them.

May: Boy that one reminds me of my Skitty.

Ash: I remember that.

Pikachu: Me too. That was back in the old days when Team Rocket was after me.

Me: Wow. Also Skitty we're here to get those bad men and bring them to justice.

Skitty: Oh good.

Jackie: Here.

She gave it food and the Skitty ate it.

Skitty: Thank you.

Jackie: Want to come with me?

Skitty: I would like that.

Me: Awesome!

Nico: You should've been with us yesterday

Skitty: Really?

Me: Long story but yeah.

But then...

ZAAAAAAAAAAAAAAAAPPPPPPPPPP!

Ash screamed as he got electrocuted!

Ed: Zappity Zap Zap!

Ash: OW! Pikachu! Why did you do that!?

Pikachu: That wasn't me Ash! Look!

We saw a Mega Plusle and Minun!

Me: Whoa! Mega Plusle and Minun!

Tori (Pokemon): Wow! Looks like we both have some amazing friends.

His Plusle and Minun agreed.

Nico: Where did they come from?

Me: They must be two of Dark Gale's work.

Takumi Inui: Lets see here.

He used telepathy and gasped!

Takumi: Oh man! That Mega Plusle is my sister Tarah and the Mega Minun is a shocker. She's Masato's little sister and Mari's best friend Varerria Kusata!

WE GASPED!

Nico: SAY WHAT!?

Nico's mouth opened so wide that his skeleton fell out!

Mari Sonoda: But she is the polar opposite of him and hates him more than anything.

Me: Oh man! Lets go help them.

Me and Takumi went over.

Takumi Inui: Tarah, Varerria, it's me Takumi!

They used Thunderbolt And I deflected the lightning back and hit them.

Me: Okay then.

I snapped my fingers and they reverted back.

Tarah was a girl with red hair and green eyes and had rose angel wings and had Mega Plusle on her forehead and she had a Fairy with the 555 Symbol and the Orphnoch symbol on her arm as a cutie mark.

Varerria was a girl with blue hair and purple eyes and blue angel wings and had Mega Minun on her forehead and had a mermaid with the Kaixa symbol and a blue version of the Orphnoch symbol on her arm.

We wrapped them in blankets and brought them over.

Me: Wait are they Orphnochs too?

Takumi: Half Orphnoch. They were turned into that after they were attacked by the Horse Orphnoch. They used their sheer willpower and reigned in their humanity and the power of the Orphnochs.

Me: WHOA! Very strong willed.

Nico put his skeleton back in.

Nico: I hate it when that happens.

They woke up.

Tarah: (Groan) What hit me?

Varerria: Yeah.

Takumi: Are you girls okay?

Mari: We were worried.

Tarah: (GASP) Takumi!

Varerria: Mari!

They hugged them.

Tarah: Wow thank goodness.

Varerria: I was afraid something happened.

Mari: Well we're fine.

Me: You two were both turned into a Mega Plusle and Mega Minun by Dark Gale.

Varerria: Dark Gale?

Tarah: Who are they?

Me: Oh they were a villain organization for Pokemon we took down a while back. Who were you facing when you got changed?

Tarah: We were battling the Wolf and Horse Orphnochs.

Varerria: Yeah.

Me: WHOA! Varerria I know it's a sore subject but I killed your brother Masato.

Varerria: (GASP) You did?

Me: Yeah.

Nico: Twice

Me: I killed him in Japan.

Cassidy: And I killed him in the park in Gotham Royal York.

Varerria: (Tears up) My brother was an absolute monster. He hurt and killed so many people and even hurt me a lot. He hated me and wanted to kill me too! (CRYING) What he did was pure evil!

I went and hugged her and comforted her.

Me: He's gone now Varerria. He's gone.

Tarah: Masato was an absolute menace to us.

Nico: That is an understatement.

Lola: Yeah. We hated his guts.

Cassidy: Yeah. Tarah your brother is an amazing force to be reckoned with. For my big day mission... uhh I forgot who it was we fought.

Nico: We fought the Orphnoch King.

Eli: And Kamen Rider Psyga.

Qin: Yeah.

Tarah: Oh man! That explains what that massive explosion was that blasted out of the abandoned Smart Brain building.

Qin: Yeah. It was intense

Cassidy: It sure was.

Varerria calmed down.

Poromon: What are your rider names?

Tarah: I am Kamen Rider 313 also known as Kamen Rider Fairiz. I'm a Fairy Kamen Rider for Faiz.

Varerria: And I'm Kamen Rider 713 also knownas Kamen Rider Merva.

Me: That is amazing.

Camie: It sure is.

Ymir: Yeah.

Me: Varerria tell you what, in the future we can do a battle and you can get some shots in on Masato. It'll be in the simulator or on a rescue.

Varerria: I would like that.

Me: Also we have a Universe 666 version of him that is much nicer and better than the prime universe version.

Universe 666 May: It's true.

Varerria: Really?

Laney: Yeah it's true. He's in the M.O.E.

Universe 666 May: I fought him a few times and he put up a good fight.

Me: Long story on that.

Varerria: Oh wow.

Me: Want me to send for him?

Varerria: Sure.

I called him in and out of the Kaiza symbol came Universe 666 Masato.

Universe 666 Masato: I got your call guys. May!? Oh man I heard how you were saved from yourself.

Universe 666 May: I was. Good to see you again Masato.

Universe 666 Masato: You too.

He saw Varerria.

Universe 666 Masato: So you are the sister of the prime universe version of my counterpart.

She looked at him with a NASTY GLARE!

Me: Varerria calm down. This is his universe 666 counterpart. Long story like I said. A year and a half ago we battled Nico's Universe 666 self and Universe 666 Masato helped us many times too.

Nico: They were one of the first we met from that universe.

Varerria: Oh man. So you are my brother from there?

Universe 666 Masato: Yep. I was absolutely disgusted with the way my prime universe counterpart was treating everyone and I wanted to redeem my name by helping in the M.O.E.

Me: Yeah.

Varerria: I see.

Tarah: Yeah we hated Masato. He was a REALLY Nasty piece of work.

Me: Yes he was.

Rarity: Lets get you both some new clothes darlings.

The Fashion Brigade gave them new clothes. Tarah's were red and she had a fairy sword and Takumi gave her rider belt to her.

Varerria's were blue and she had a mermaid sword and Mari gave her rider belt to her too.

Varerria: We look amazing.

Me: You sure do.

Cassidy: Also Takumi is my brother as well.

Tarah: So that makes me your sister as well.

Nico: That's right.

Me: Yep.

Universe 666 Masato: Mind if I help you guys with this?

Me: Sure.

Universe 666 Masato: Cool. Nico I'm sorry about your kids getting sick. I hope they will get better.

Nico: It's fine. But did you eat any cupcakes?!

Universe 666 Masato: No! I only got here 3 minutes ago.

Nico: Oh. Sorry.

Me: Well we got some druggies to bring down!

Lincoln: (Sensed for Gonzalo Aguado) AHA! Gotcha! I just spotted Gonzalo Aguado, he's 20 yards away, and he and his gang are already engaging in a shootout with New Jersey authorities!

Gonzalo Aguado: (Spanish Accent) DIE, YOU FUCKING PIGS! DIE!

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLES!

Alexander Maxwell and Tyler Maxwell charged at Gonzalo Aguado and his gang, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at them, and Tyler Maxwell also attacked them with swings of his massive warhammer and he even shot at them with his machine guns, while Alexander Maxwell slashed at them with his massive greatsword and shot at them with his guns.

Me: OH SHIT! HE'S GONNA GO WILD!

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Gonzalo Aguado and his gang with silver bullets from his guns and he blasted him with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Gonzalo Aguado and his gang as they got hit and we all heard Caleb's wicked and insane laughter as he shot at Gonzalo Aguado and his gang with darkness and malice. Qin: You braindead, heartless drug-dealing shithead! So, you're the one who's been selling marijuana laced cupcakes?!

Nico: I should've known you'd be up to your old tricks again, Gonzalo. Oh, and by the way, my kids are okay after Lincoln administered the antidote, so your plan to kill them to try and break me as part of your revenge failed.

Gonzalo Aguado: (ENRAGED SCREAM)(Speaking in Spanish)(To his gang) ¡ESTÚPIDOS IDIOTAS! ¡IMBÉCILES! ¡LES DIJE QUE SE ASEGURARAN DE HACER BIEN EL TRABAJO! ¡ESO SIGNIFICA QUE TAMBIÉN DEBERÍAN HABERSE ASEGURADO DE ROMPERLES TODOS LOS HUESOS DEL CUERPO, ROMPERLES EL CUELLO Y VOLARLES LAS CABEZAS! ¡TODO ESTO ES CULPA DE USTEDES!

Me: In any case, you pissed us off big time with what you did in attacking one of our own, and for that, you just bought yourselves a one way trip to Hell!

Gonzalo Aguado: (Spanish Accent) We'll see about that! GET OUT HERE RIGHT NOW, BOYS!

Gonzalo Aguado's thugs came out numbering in the septillions, and then, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and their shirts ripped off and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 50'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of soldiers, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the thugs began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the thugs except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

That alone pissed off Gonzalo Aguado big time!

Gonzalo Aguado: (Spanish Accent) YOU FUCKING FREAKS! YOU'RE DEAD!

Then, Lincoln fired five massive balls of fire from his left hand and they orbited around Gonzalo Aguado and his gang, and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

He even slashed him in the stomach with his left hand's gold-armored dragon claws leaving bloody and brutal claw marks on his stomach, and he was bleeding heavily!

Arpina Infernaira: Ooh! Now, that's just brutal.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and it sunk into the ground unleashing a storm of lightning bolts and raging blue fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS THE PILLAR ROSE INTO THE AIR AND THE EXPLOSION HITS GONZALO AGUADO AND HIS GANG, AND SEVEREAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT THEM AND THEY GOT BURNED SEVERELY!

Inside a rainbow sphere with intense flames and elemental forces, Stellar Flare then underwent an intense and amazing transformation! Stellar Flare had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow flames on her forearms, she also got rainbow lines on her hair and tail. She then had her Cutie Mark change into many rainbow flames, and her massive angel wings had intense rainbow fire on them.

Nico: OH NO!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with

Lincoln went at Gonzalo Aguado and his gang and he began brutally smashing them all over the place with his massive godly superhuman strength, and it was even more brutal than ever. Then, he punched them hard in the faces and kicked them in the stomach and he sent them flying into a rock formation, they got back out, but before they could attack, Lincoln fired streams of fire at them and they got hit and burned.

Suddenly, we heard a loud howl, and we saw an army of 50'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the

chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER! THIS IS THE END FOR YOU AND YOUR GANG ONCE AND FOR ALL!

Lincoln, Nico, and I did one final powerful energy slash that hit Gonzalo Aguado and his gang hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Gonzalo Aguado and his gang were on their last legs and they were really really mangled.

Then, Lincoln and Nico threw the cuffs on Gonzalo Aguado and his gang, and the New Jersey cops came in to grab them.

Cop: We also heard everything. Now, you bastards are dead, tonight is where your miserable lives end.

The cops shoved those shitheads into the cars and they screamed at us swearing revenge, but Nico, May, Qin, and their friends including Nico's kids, gave those shitheads the middle finger, and they all screamed in pure rage as the cars drove off. We cheered as we holstered our weapons and powered down.

Me: You guys are getting the death penalty for all this!

Sheila: They sure will! We'll make sure they do.

Nico: Those fucking drug-dealing assholes are done for. They're not getting off that easy.

Me: Especially with what's going to happen tonight.

Lincoln: Their execution will happen later on tonight, and they're also going to be sent to The Black Abyss when this is all over.

Me: That is for sure!

Horsea: What's next? Brownies with weed?

Me: Weed is pretty much the same thing Horsea.

Horsea: Oh. Sorry.

Camie: Yeah.

Nico: No one poisons my kids and gets away with it.

I then got a phone call.

Me: (Answers) Hello?

Maria Santiago: J.D. it's Maria. We pumped Videl and her sisters stomachs and got the marijuana cupcakes out of them. There was no damage done to their organs or all that.

Me: That's good news. Thanks Maria.

Maria Santiago: Anytime J.D.

I hung up.

Me: Your children are going to be okay Nico. They pumped their stomachs and got all the Marijuana out of them.

Nico: (Sighs in relief) (FAINTS)

FWOMP!

Me: NICO!

Laney used Smelling Salts and woke him up.

Nico: WHOA! Just glad they are going to be okay.

Skitty: Same here.

Nico: Nice job Skitty!

Skitty: Thanks Nico. Got any beer?

Poromon: YAY! Here you go!

He gave Skitty one and he drank it down.

I reverted him back

Nico: You guys doing anything later?

Poromon: We got something planned but it's a surprise.

Me: Oh boy.

Qin: Get the Anti-Mascots Shananigans Countermeasures revved up.

Nico: Oh, Gravity Man, what do you like to do in your free time?

Gravity Man: Oh I like helping out at the new Zero Gravity simulator at the museum and it's fun.

Qin: Cool!

Xenia: Sweet!

Nico: And now for the Anothers

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Pyrrha.

Pyrrha: Another Me? Wow.

Lincoln: Your day to shine has come. This means, Cinder Fall's finally going to get it.

Eli: Lincoln's right, that heartless murderer's going to get it. Whoa, and one of The Anothers is The Avatar of The Fly Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Qin: Nice! Gravity Man, Pacifica Northwest, Mabel Pines, Dipper Pines, Wendy Corduroy and Gianna Gravi are up and we have Another Burn Dinorex, Goliad, Glitch (Monster Legends),Plesio (Mega Man), Evil Sandwich Maker and Murkey.

Nico: Yep.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and

Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Goliad, Glitch (Monster Legends), Plesio (Mega Man), Evil Sandwich Maker and Murkey!

Nico: WHOA!

Qin: This is gonna be awesome.

Another Goliad: It sure will.

They reverted back and were the gene-slammers of Lightning Dragon (MTG), Galaxy-Eyes Photon Dragon, Clear Ice Dragon, Clear Vice Dragon and D/D Savants Copernicus, Einstein, Dirac, Newton, Thomas, Schroedinger, Galilei, Kepler and Nikola. We were introduced to Ayla Lightning, Gina Galaxia, Callia Clear, Callisto Clear, Nadia Newton, Celine Copernicus, Heidi Kepler, Talia Edison, Kira Tesla, Gianna Galileo Galilei, Elaine Einstein, Eden Schroedinger and Diana Dirac

Kira Tesla: Great to see you Nico.

Heidi Kepler: Same here.

Nico: You too girls.

Nicole: Wait are you girls related to the great inventors and astrophysicists?

Heidi Kepler: We sure are.

Celine Copernicus: It's awesome.

Nicole: Oh wow! Your ancestors were some of my favorite scientific heroes that got me into the worlds of Astronomy and Astrophysics.

Nadia Newton: Yes that is true.

Elaine Einstein: And figuring out the mass of a proton and a neutron is just as awesome as multiplying the atomic mass of 1.67262192 × 10^-27 as well as 1.674927 x 10^-27 kilograms.

Nico's head started sparking and he was drooling.

Eli kicked Nico on his butt.

Nico: WHOA! Um OW!

Me: All that mathematical and quantum physics stuff really hurts Nico's head.

Kira Tesla: I can see why.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Ayla Lightning: Friendly but the Another Pyrrha is REALLY Crying hard.

Me: Uh oh. How come?

Callia Clear: She misses Pyrrha because she thinks she's dead.

Me: Oh noy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE OF A SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now we wait.

Me: We don't have to wait long!

We saw Another Burn Dinorex and Another Pyrrha!

Me: WHOA!

Qin: This will be awesome!

Another Burn Dinorex: (In a girls voice) It sure will.

She reverted back and was the Avatar of The Fly Card!

Lincoln: Farrah Fly!

Farrah Fly: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Farrah Fly, Avatar of The Fly Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of the wind, the sky, flight, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Windy Clow Card, and the magic of Clow Reed. She's The Wind Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Farrah Fly is a master of the powers of The Fly Clow Card and she's a powerful master of wind, the sky, flight, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Farrah Fly came to Royal Woods where she met Lincoln, and she taught him how to master the powers of wind, the sky, flight, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Fly Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of the wind, flight, the sky, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Fly Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan and it always ended with those five getting blown back into their rooms.

Me: Whoa! That is cool!

Xenia: I'll say!

Farrah Fly: Yep it sure is and flying is the best way to get around.

Me: Ain't that the truth.

Farrah Fly: Yep. And I have Burn Dinorex's powers too.

Me: Cool!

Qin: Awesome!

Burn Dinorex: It sure is awesome.

Nico: And your friend?

Another Pyrrha: (Crying hard) Pyrrha knows me!

Pyrrha: (GASP) That voice!

She reverted back and was a younger version of her.

Pyrrha: (GASP) Veila!

She ran and hugged her.

Veila: (CRYING HARD) I'VE MISSED YOU SO MUCH SIS! I THOUGHT I WOULD NEVER SEE YOU AGAIN!

Pyrrha: I know sis. I'm back now.

Me: Your sister no doubt.

Pyrrha: Yeah.

Me: She must've been devastated because of Cinder Fall killing you.

Pyrrha: Yeah she was.

Me: I can see why.

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead.

They got weapons from said teams.

Farrah Fly: Not for me but for Veila yes.

Veila: I wanted to kill Cinder Fall for killing Pyrrha.

Me: She will get what's coming.

Sakura Knudson: What she did to so many people on Remnant is unforgivable.

Camie: Yeah.

Ymir: She will rue the day she messed with us and more.

Me: Yep.

Sougo (gets out Operation Overdrive Ridewatch): You shouldn't underestimate Cinder though.

Geiz (gets out Mystic Force Ridewatch): It's why your sister died in the first place

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor

Me: But she is not going to make the same mistake again. This time we've gotten more powerful than ever since then.

Qin: Yeah.

Pyrrha: It's true sis and I'm not going to let her destroy me anymore.

Veila: Thank goodness.

Me: Lets separate you girls first.

We did so.

Me: Lets dance.

Nico: (Gets out Burn Dinorex's Ridewatch) BURN BABY BURN!

Pacifica: (Gets out Goliad's ridewatch) Time for this Sphinx to pounce!

They used the powers of Burn Dinorex, Goliad, Glitch (Monster Legends), Plesio (Mega Man), Evil Sandwich Maker and Murkey and blasted the Anothers down!

Poromon: YEAH!

Then Valstrax, Rusted Kushala Daora, Phyrexian Pegasus, Homelander, Motaro and Rador (Monster Legends) came.

Me: WHOA!

Nico: Nice team Valstrax!

Valstrax: Thanks Nico!

Me: Jet Stingray and his team up next.

Jet Stingray: Got that right!

Me: Yep.

Then vortexes of lightning, darkness and fire came out! Out came Numbers 16, 15, 14 and 13!

Me: WHOA! Number 16: Shock Master, Number 15: Gimmick Puppet Giant Grinder, Number 14: Greedy Saramaya and Number 13: Embodiment of Crime!

Nico: COOL!

Number 16: (In a girls voice) It sure is.

Number 15: (In a girls voice) This is gonna be cool.

Number 14: (In a girls voice) I am excited.

Number 13: (In a girls voice) You got that right.

Nico: Hayley Proteus, Ellia Gimmick, Serenity Sarajevo and Nattia Misfortune!

They reverted back.

Nattia Misfortune: Good to see you again Nico.

Hayley Proteus: We got this. 16 LIGHTNING BURSTS!

Ellia Gimmick: 15 SMASHING BOMB PUPPETS!

Serenity Sarajevo: 14 GREEDY FIREBLASTS!

Nattia Misfortune: 13 MISFORTUNATE BLASTS!

They fired waves of energy and elements and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Hayley Proteus: Thanks! That was fun.

Ellia Gimmick: It sure was!

Serenity Sarajevo: I haven't had that much fun in a while.

Nattia Misfortune: Same here.

Me: Yep.

Pacifica: Do you girls have any good memories of Nico?

Hayley Proteus: We sure do. Mine is where me and saved an entire town from a deadly meltdown at the nuclear power plant after the core went critical. My father is a nuclear power plant safety engineer.

Homer: (LAUGHS) Just like me there.

Me: Cool!

Ellia Gimmick: Mine is where I made one of the bullies a chocolate milkshake and it had cockroaches and spiders in it and they came crawling out of her mouth and we were laughing so hard we almost fainted.

All of us: EW!

Lana: COOL!

Me: That is disgusting! But it serves that bitch right.

Nico: Yep.

Serenity Sarajevo: Mine is where we found a treasure in Austria and it was enough to make me and my family rich.

Me: Awesome!

Nattia Misfortune: Mine is where me and Nico went after a bunch of bullies and I used my powers of bad luck and we hit them with everything including the kitchen sink.

Me: Even cruise ships, busses and airplanes?

Nattia Misfortune: Yep.

Me: Funny!

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Nattia Misfortune: Same here.

We went back home.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in New Mexico, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're here to take down the clone of ApocalypticHuanglongmon who has The Dark Fly Clow Card in his hands, and once Lincoln sucks out the powers of The Dark Fly Card, Lincoln's also going to absorb the clone of ApocalypticHuanglongmon.

Now, it's in the hands of the clone of ApocalypticHuanglongmon.

Lincoln: And he's a frightening one, ApocalpyticHuanglongmon is the hypothetical Akuma of Huanglongmon, and he's a master of the powers of light, darkness, earth, fire, water, wind, and the stars. He's a 7 headed dragon and has intense power! He is the strongest out of the Akumas of the Sovereign Digimon. He possesses the power to DESTROY ENTIRE GALAXIES IN AN INSTANT! He is also a Dark Sovereign and a terrifying force of destruction. He is The Dark Sovereign of the Center! He is one of The Dark Sovereigns of Doom!

Lincoln got out his sketchbook and we saw him: he was a 7-Headed Dragon of intense power and he's the strongest out of the Akumas of the Sovereign Digimon!

Me: Oh shit! This is going to be one apocalyptic battle with him.

Nico: Damn! He's really strong!

Lincoln: That's why once I suck out the powers of The Dark Fly Card and Alex, Serenity, Sarah, and Sakura dispel it, I'm going to absorb the clone of ApocalypticHuanglongmon.

Gravity Man: We'll need to bring him down to Earth and fast.

Regina Fesstertox: That's for sure. Oh, Lincoln, I also got something to show you, Nico, J.D. Eli, Ymir, and everyone. (Sensed it) I'll show you during our workouts, he's here!

We then saw the clone of ApocalypticHuanglongmon, and he was causing apocalyptic havoc in the deserts of New Mexico. Then, Lincoln fired a blast of rainbow energy that knocked the clone down and forced out The Dark Fly Card, and Lincoln fired a blast of wind that formed into a chain and it tied The Dark Fly Card up, and Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Fly Card and he began sucking out all his wind powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long

brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Fly Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Fly Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Fly Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of ApocalypticHuanglongmon.

The clone of ApocalypticHuanglongmon roared at us with anger and he fired extremely powerful blasts of light, darkness, earth, fire, water, wind, and stars, and Lincoln absorbed them, and it made him stronger than ever.

Lincoln: WHOA! This is awesome!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of ApocalypticHuanglongmon and he also sucked out all the immense energy remaining in the clone of ApocalypticHuanglongmon and it vanished forever, and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Fly Card and the clone of ApocalypticHuanglongmon.

Me: That was one dangerous battle we fought with him.

Lincoln: That's for sure. But, so far so good, and our journey to get The Dark Clow Cards back and foil Alecto's plan is going good.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long orange hair, blue eyes, massive orange angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, orange blue sleeveless strapless top, aqua blue skirt with Gem-Knight Citrine, white bridal gloves, orange blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Citrine, she has a fire greatsword, and with her are the four girls.

Lincoln: (GASPS) Cierra Citrine, Avatar and Gene-Slammer of Gem-Knight Citrine.

Cierra Citrine: That's right, and I got the girls away from the clone of ApocalypticHuanglongmon and The Dark Fly Card, those two were really dangerous.

Me: That they were.

Lincoln: But, we took care of both of them when I absorbed them. (To Cierra Citrine) And it's so good to see you again, Cierra.

Cierra Citrine: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Cierra Citrine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Cierra Citrine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Cierra Citrine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Cierra Citrine's waist and hugged her, and Cierra Citrine is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Cierra Citrine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Cierra Citrine, Avatar and Gene-Slammer of Gem-Knight Citrine, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Citrine gems and crystals. She's known as The Citrine Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Cierra Citrine came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Citrine gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Citrine gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Sarah Marwood, Gene-Slammer of Steelswarm Girastag and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Cierra's parents and her little sister, Claire, in cold blood, and she swore to kill Sarah Marwood and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Cierra.

Lincoln with his massive muscular arms still wrapped around Cierra Citrine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Cierra Citrine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Cierra Citrine with citrine gems on the gold lightning bolts and citrine crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Cierra Citrine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Cierra Citrine.

Cierra Citrine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Cierra Citrine's waist, and he leaned down to her face and kissed her on the lips, and with Cierra Citrine's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Cierra Citrine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Cierra Citrine: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The four girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Yui Tachibana from Natsu ga Owaru made The Animation, Kaya from TRUE BLUE Gaiden, and Kanako Shiraishi and Makoto Kanou from Tsuma Netori ~Onnakyoushi no Choukyou Nisshi~.

Lincoln: Oh whoa, it's Yui Tachibana from Natsu ga Owaru made The Animation, Kaya from TRUE BLUE Gaiden, and Kanako Shiraishi and Makoto Kanou from Tsuma Netori ~Onnakyoushi no Choukyou Nisshi~.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're voluptuous.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Yui Tachibana: Yes, we're okay, thanks to you

Then, when Yui Tachibana and the other three girls saw who it was that saved them from the clone of ApocalypticHuanglongmon, their faces turned atomic red upon seeing the 12'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty

Yui Tachibana: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white

angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Yui Tachibana: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yui Tachibana, Kaya, Kanako Shiraishi, and Makoto Kanou with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto Slytherin's minions.

May: Yep.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long orange hair, orange eyes, massive fire-colored angel wings, she has on an orange two piece bikini, and in her hand is a greatsword.

Lincoln: (GASPS) Merapi Magmatisaira, Queen of The Magmatisairans of Planet Magmatisaira.

Nico: The only surviving Magmatisairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Merapi Magmatisaira, Queen of The Magmatisairans of Planet Magmatisaira, she's Lincoln's Guardian Angel from the planet of Magmatisaira in The Forbidden Zone. She was the Queen of the Magmatisairans who ruled the planet of Magmatisaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over lava, magma, and volcanoes, and the ability to grow even stronger, but she was also born with angel wings, the powers of volcanoes, lava, molten earth, and magma, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Merapi Magmatisaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of lava, magma, and volcanoes, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of lava, magma, and volcanoes, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Magmatisairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them burned to death with the power of Magmatisaira.

Merapi Magmatisaira: And I knew Lincoln absorbed the souls of the male Magmatisairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Merapi Magmatisaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Merapi Magmatisaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Merapi Magmatisaira with orange gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Merapi Magmatisaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Merapi Magmatisaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Magmatisairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Fly Card of all its powers and absorbed the clone of ApocalypticHuanglongmon after he and all of us took him down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Cierra Citrine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Cierra Citrine: My God, I was right that Lincoln's really grown into a 12'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Cierra, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Cierra Citrine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really

huge, really strong, and really powerful wolf man we know today.

Cierra Citrine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Regina Fesstertox: Okay, now here's something I wanted to show you guys.

Regina Fesstertox typed in a code on her computer, and then, we saw seventeen massive glass jars come down from the ceiling, and inside the glass jars were gallons of golden yellow-colored serum, and it also had traces of rainbow colored serum, and it was above Lincoln as the tubes were then latched onto his shoulders, forearms, back, thighs, pecs, and stomach, same with me, Nico, Eli, and all the males and females on the team.

Me: Okay, what's that?!

Regina Fesstertox: I went through another of my father's journals, and it turns out Project: Perfect Gene-Slammer wasn't the only project he had planned on Lincoln. I combed through the journal, and I found about a project called Project: Perfect God, it's a project that'll turn Lincoln Loud into a Perfect True God: A True God with all the immense divine powers of God, the Angels, and Archangels of Heaven, The Egyptian Gods and Goddesses, The Greek Gods and Goddesses, The Chinese Gods and Goddesses, The Japanese Gods and Goddesses, The Aztec Gods and Goddesses, The Mayan Gods and Goddesses, The Incan Gods and Goddesses, The Roman Gods and Goddesses, The Norse Gods and Goddesses, The Celtic Gods and Goddesses, The Hindu Gods and Goddesses, The Mesopotamian Gods and Goddesses, The Buddhist Gods and Goddesses, The Proto-Indo-European Gods and Goddesses, The Slavic Gods and Goddesses, The Native American Gods and Goddesses, The Philippine Gods and Goddesses, The Hawaiian Gods and Goddesses, The Polynesian Gods and Goddesses, and The Australian Gods and Goddesses, and The Gods of Strength, Fire, Water, Wind, Earth, Lightning, Light, Darkness, Love, Fertility, Verility, Sex, War, Peace, Victory, Death, Destruction, Agriculture, Art, Beauty, Chaos, Dawn, Creation, Fate, Time, Justice, Fortune, Health, Household, Hunting, Knowledge, Liminal, Lust, The Moon, Nations, Nature, The Night, Psychopomp, Rain, Resurrection, The Sky, Smithing, The Sun, Trickery, Tutelary, Vegetation, Volcano, Weather, and Wind.

WE GASPED IN PURE SHOCK!

Nico: OH MY GOD! I knew your dad was fucked up, but this?! Oh man!

Me: Damn!

God: (Through Lincoln's Third Eye)(Divine Heavenly Godly Voice) Your father was indeed playing with fire, this proves he's beyond redemption and deserved to be sent to The Black Abyss. So, you are planning to do this not only to help Lincoln with his battle with Dark Chase Young, but also, with Anti-Monitor and his remaining minions?

Regina Fesstertox: Yes, My Lord. But, it's not just them, there's also other dangerous villains out there in the world.

Me: You're right about that.

Lincoln: That's true.

Regina Fesstertox: I also added in for the males my patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions, and even more, and for the females: brain growth serums and potions, strength potions and serums, fertility growth serums and potions, and many more. Ready, Lincoln?

Lincoln: Ready!

Regina Fessterox pressed the red button, and the Perfect True God serum began pumping into Lincoln's body, and he felt the serum being pumped into him and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power and intelligence boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold

Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels so good! RRGH!

Lincoln then reigned in the immense divine powers of God, the Angels, and Archangels of Heaven, The Egyptian Gods and Goddesses, The Greek Gods and Goddesses, The Chinese Gods and Goddesses, The Japanese Gods and Goddesses, The Aztec Gods and Goddesses, The Mayan Gods and Goddesses, The Incan Gods and Goddesses, The Roman Gods and Goddesses, The Norse Gods and Goddesses, The Celtic Gods and Goddesses, The Hindu Gods and Goddesses, The Mesopotamian Gods and Goddesses, The Buddhist Gods and Goddesses, The Proto-Indo-European Gods and Goddesses, The Slavic Gods and Goddesses, The Native American Gods and Goddesses, The Philippine Gods and Goddesses, The Hawaiian Gods and Goddesses, The Polynesian Gods and Goddesses, and The Australian Gods and Goddesses, and The Gods of Strength, Fire, Water, Wind, Earth, Lightning, Light, Darkness, Love, Fertility, Verility, Sex, War, Peace, Victory, Death, Destruction, Agriculture, Art, Beauty, Chaos, Dawn, Creation, Fate, Time, Justice, Fortune, Health, Household, Hunting, Knowledge, Liminal, Lust, The Moon, Nations, Nature, The Night, Psychopomp, Rain, Resurrection, The Sky, Smithing, The Sun, Trickery, Tutelary, Vegetation, Volcano, Weather, and Wind, and Regina's patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions, and even more were really pumping him up!

When the process was done, all of the serum was pumped into Lincoln as he removed the tubes.

Me: Lincoln, how do you feel?

Lincoln felt it for himself as he put down the weights.

Lincoln: I feel...incredible. (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Oh man, this feels so awesome! (GROWLS) RRGH! Oh man, I also feel something else about to happen!

Suddenly, Lincoln grew from 12'9" to 14'11" in height, his abnormally massive and powerful upper and lower body muscles covered in brown fur grew much larger for his new body and he still has twelve-pack abs covered in tan fur and the pronounced crimson red markings covering his face, tan muzzle, and body became even more pronounced on the hulking wolf hunk.

Suddenly, Lincoln felt a sharp pain on his wider muscular back, and then, his enormous white angel wings with orange, golden yellow, and aurora tips on the large white feathers with an enormous wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" grew larger and his 104 sets of large white angel wings with colored tips on the feathers underneath his massive white angel wings with wingspans of 899,999,999,999,999,999'0", 799,999,999,999,999,999'0", 699,999,999,999,999,999'0", 599,999,999,999,999,999'0", 499,999,999,999,999,999'0", 399,999,999,999,999,999'0", 299,999,999,999,999,999'0", 199,999,999,999,999,999'0", 9,999,999,999,999,999'0", 8,999,999,999,999,999'0", 7,999,999,999,999,999'0", 6,999,999,999,999,999,999'0", 5,999,999,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999,999,999'0", 2,999,999,999,999,999'0", 1,999,999,999,999,999'0", 999,999,999,999,999'0", 899,999,999,999,999'0", 799,999,999,999,999'0", 699,999,999,999,999'0", 599,999,999,999,999'0", 499,999,999,999,999'0", 399,999,999,999,999'0", 299,999,999,999,999'0", 199,999,999,999,999'0", 99,999,999,999,999'0", 89,999,999,999,999'0", 79,999,999,999,999'0", 69,999,999,999,999,999'0", 59,999,999,999,999'0", 49,999,999,999,999'0", 39,999,999,999,999'0", 29,999,999,999,999'0", 19,999,999,999,999'0", 9,999,999,999,999'0", 8,999,999,999,999'0", 7,999,999,999,999,999'0", 6,999,999,999,999'0", 5,999,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999'0", 2,999,999,999,999'0", 199,999,999,999'0", 9,999,999,999'0", 8,999,999,999'0", 7,999,999,999'0", 6,999,999,999'0", 5,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999'0", 2,999,999,999'0", 1,999,999,999'0", 999,999,999'0", 899,999,999'0", 799,999,999'0", 699,999,999'0", 599,999,999'0", 499,999,999'0", 399,999,999'0", 299,999,999'0", 199,999,999'0", 99,999,999'0", 89,999,999'0", 79,999,999'0", 69,999,999'0", 59,999,999'0", 49,999,999'0", 39,999,999'0", 29,999,999'0", 19,999,999'0", 9,999,999'0", 8,999,999'0", 7,999,999'0", 6,999,999'0", 5,999,999'0", 4,999,999'0", 3,999,999'0", 2,999,999'0", 1,999,999'0", 999'0", 899'0", 799'0", 699'0", 599'0", 499'0", 399'0", 299'0", 199'0", 99'0", 89'0", 79'0", 69'0", 59'0", 49'0", 39'0", 29'0", 19'0", 9'9", 8'9", 7'9", 6'9", 5'9", 4'9", 3'9", and 2'9" with eyes with rainbow irises on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings underneath grew larger same with his 105 massive and long brown wolf tails with rainbow tips and rainbow markings and phoenix feathers on them.

Travis Tackett: Whoa, now I feel really incredible, and I got a feeling we're gonna transform soon.

Suddenly, the males who'd transformed already grew from 12'11" to 14'11" in height, their abnormally massive and powerful upper and lower body muscles grew much larger for their new bodies and they still have twelve-pack abs.

Lily the Mermaid: Your father's twisted research is now being used as your greatest weapon, Regina, Anti-Monitor is so doomed along with Dark Chase Young in the near future along with Queen Opaline.

Pyrrha: Along with Cinder. I can't wait to really pummel that bitch!

Lincoln: We'll let J.D. piss her off big time first, then, you can transform, but don't kill her just yet, we also want to have a little fun as well. Time we showed her we're not the same as before.

Me: I like the way you think, Lincoln.

Nico: Yeah, you're right about that. Cinder Fall's gonna regret coming back from the dead.

We got a shower, and then, Lincoln, Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katase are heading to Orange Ocean, and joining them are Clyde McBride and Bingo Heeler.

Lincoln snapped his fingers, and the 14'11", handsome and extremely muscular wolf man had on his large orange and white swim trunks with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Clyde McBride was in blue swim shorts.

And Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katase were dressed in colored two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble, and Bingo Heeler was dressed in an orange swimsuit.

Plus, we found out Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia

Orcus, Murayama, and Katase had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, but they had to watch out: Alecto Slytherin had sent a clone of Inferno Incinerator Phoenix after them.

Clyde: Wow, we're here in Orange Ocean, this is so awesome!

Lincoln: You said it, buddy, but Alecto's going to try to ruin our dates and kill us.

Bluey: We know when that happens, we'll take cover immediately.

Lincoln, Clyde, Bingo Heeler, Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katasedived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katase also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katase a deep tissue massage, and when he was done with that, she relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katase got an extremely massive and deep atomic red blush on her faces when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Sona Sitri: (Swooning) What a handsome and manly wolf hunk.

Suddenly, they saw the clone of Inferno Incinerator Phoenix.

Clyde: That's Inferno Incinerator Phoenix, or a clone of him.

Lincoln: Yep, he's the Hypothetical Akuma of both The Eternal Phoenix and Kamen Rider Falchion and a master of ultimate fire and a deadly power that is as old as the beginning of the universe itself. He was made because of people poisoning the power of life and vowed to destroy all pollution and more with the powers of fire.

Lincoln got out his sketchbook, and they saw it was a phoenix with six wings, massive sets of tails with feathers, and the Falchion symbol on its stomach.

Bingo Heeler: Wow.

Clyde: But, he's still dangerous.

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the

clone of Inferno Incinerator Phoenix and he began absorbing him, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of Inferno Incinerator Phoenix, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and The Eternal Phoenix and the deadly power that's as old as the beginning of the universe itself merged with him and he let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katase and he hugged them in his abnormally massive and powerful muscular arms, and Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katase placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katase with purple gems on the gold lightning bolt links and purple crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with thirteen white and gold-accented Elemental Thunderbird Choker of Eternal Love on their necks.

Lily the Mermaid: Wow, now Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katase are in your harem, Linky.

Bluey Heeler, Sona Sitri, Tsubaki Shinra, Momo Hanakai, Reya Kusaka, Tomoe Meguri, Tsubasa Yura, Ruruko Nimura, Rossweisse, Ingvild Leviathan, Bennia Orcus, Murayama, and Katase showed the marks Lincoln made on the right side of their trapezius.

Jenna: You had no trouble at all.

Bingo Heeler: Unfortunately, we did.

Clyde: Alecto Slytherin sent a clone of Inferno Incinerator Phoenix after us.

WE GASPED!

Nico: That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into his chest, and then, I sucked out and absorbed all his powers of fire. Then, I sucked out every bit of energy from his soul and as the clone faded, The Eternal Phoenix and the deadly power that's as old as the beginning of the universe itself merged with me.

Me: Aw, I missed out on the chance to fight him.

Selene Arcangela: When Storious shows his ugly face, you can face Inferno Incinerator Phoenix.

Bluey Heeler: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Cinder Fall starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: We sure did.

Then we heard tools being used.

Me: Sounds like the mascots are building something.

Me, Universe 666 Cinder Fall and Pyrrha went to check it out.

We went to our park and found them with a machine of sorts.

Pyrrha: What are you guys doing now?

Me: What's that you guys built?

Poromon: This is our alien communicator. We're trying to find aliens.

Me: Aliens?! Whoa!

Pyrrha: I hope there are friendly.

Me: Lets give it a go.

They pressed a button and it sent out radio waves into space.

Universe 666 Cinder Fall: Wait. Don't we know lots of aliens already?

Me: LOTS of them but there are countless more lifeforms out there waiting to be found.

Universe 666 Cinder Fall: I see.

Poromon: We should be getting a response.

But then an ALIEN SPACESHIP landed in our park!

Me: WHOA!

Everyone heard the commotion and came!

Nico: What in the!? Poromon, what did you guys do this time!?

Me: They contacted life from an alien planet!

Misfire: You guys did what?!

Shanan: That ship looks familiar.

It opened and out came 3 aliens! They had grey skin and weird heads and black slanted eyes.

Shanan: (GASP!) Oh my gosh they are the Nevvroronans from the planet of Nevvroros!

Me: WHOA! Greetings and welcome to the planet Earth Omega. We are Team Loud Phoenix Storm.

Alien: (Speaking in Alien Language)

Me: Oh one second.

I turned our translators on.

Me: Okay you were saying?

Alien 1: We have received your signal from your little friends.

Me: The mascots wanted to find new creatures for the world to know about.

Dexter then gasped and recognized those aliens!

Dexter: Oh no! Those are the aliens I tried to contact and they took Dee Dee!

Pointblank: Really now?!

Me: Wait Dexter you've seen these aliens before?

Dexter: I sure have.

Dexter told us about it.

On the rooftop, Dexter has set up an Alien Communicator to make contact with aliens, but the machine wasn't working. He then sees Dee Dee inside having a tea party with her stuffed animals. After sending his sister away, Dexter activates the machine which sends a signal to outer space. After a few minutes, the aliens beamed down much to Dexter's joy. Dexter then begins to show the aliens his laboratory. As he was giving them a tour, the aliens begin to analyze the boy genius. The aliens want to take Dexter for experimentation. Just as Dexter feared for his life, Dee Dee comes into his laboratory and meets the aliens. Seeing this as a chance to get rid of her, Dexter claims that the aliens are his friends that are going on a trip to Candyland. Excited, Dee Dee joins the aliens as they beamed up on their ship and fly off into space.

Dexter is happy that Dee Dee is finally gone. But just as he was working in his lab, he begins to imagine that Dee Dee is being experimented on. After being called down to dinner by Mom, Dexter begin to imagine Dee Dee being dissected as he was in the kitchen even when he was setting the table. Not feeling hungry, Dexter asks to be excused from dinner. Going back to his laboratory and looking outside his room, Dexter begins to regret giving Dee Dee to the aliens. After imagining Dee Dee begging for his help, Dexter becomes determined to get his sister back.

Dexter found the ship and saved Dee Dee and the Aliens gave her back because she was causing trouble on their ship.

Alien 1: Ah yes we remember the ones called Dexter and Dee Dee. She made a mess while trying to find something called candy.

Me: I see.

Nico: Dexter!

Dexter: I know I know. I learned a big lesson that day.

Nco: Good.

Me: I Apologize for all the trouble our little friends caused.

Poromon: We regret nothing!

Alien 1: We'll join your organization called the Masters of Evil to show our understanding of you Earthlings.

Me: Thank you.

They went back to the living room and went down to the park on the surface to get some fresh air. But some of us had a stern look on our faces.

Nico: Well you want to explain yourselves!?

Poromon: We wanted to meet some aliens!

Poliwag: We regret nothing!

Me: Poromon already said that.

Nico: What were you thinking?

Poromon: We wanted to meet more aliens.

Me: Well Nico it is a REALLY HUGE universe out there and like I told Universe 666 Cinder we've only begun to scratch the surface of how many creatures and more are out there. And there are MANY MORE of them out there waiting to be found.

Nico: Well you're right on that. But Poromon you and the mascots could have gotten Earth in trouble!

Poromon: Sorry guys.

Me: But at least your Alien communicator worked perfectly.

Dexter: I'm impressed guys. Well done.

Manaphy: We regret nothing!

Me: Guys we get it.

Nico: Yeah.

Manaphy: Oh sorry.

Me: I was just really shocked that Dexter met these aliens before.

Horsea: Me too. That is cool!

Dexter: (Sheepish Laugh) Yeah I learned a big lesson that day.

Me: Never have your sister get abducted by aliens to get some peace and quiet.

Dexter: Yes that's right.

Horsea: We regret-

Eddy: We get it!

Horsea: Oops.

Me: But you did get us another archenemy.

Nico: Yep. But Poromon and the mascots as punishment for this you are to give Patrick a much needed bath.

SpongeBob: Yeah Patrick as been rolling around in LOTS of garbage lately.

He showed that PATRICK WAS REALLY FILTHY!

LIGHTHOUSE FOGHORN!

Mascots: (SCREAMS) (FAINTS)

FWOMP!

Kingler: I'm sorry. But you need to do this

Lily: Yep.

Poromon: Okay okay.

Nico: Good and make sure he is SQUEAKY clean! Or else NO BEER for a week!

THEY GASPED AND GOT TO CLEANING HIM!

Me: That was a silly one.

But then we heard a screech and then saw in the sky, A MEGA AERODACTYL!

Me: WHOA! A Mega Aerodactyl!

Nico: How did that get here?

Me: Must be one of Dark Gale's work.

Connor McKnight: Lets see.

He used Telepathy and gasped!

Connor McKnight: It's my sister Abigail! She is the Archaeopteryx Teal Ranger!

Me: WHOA! Lets go help her.

We went to help her.

Connor McKnight: Abigail calm down. It's me Connor!

She used Ancient Power on Horsea but she put her clone in front of her.

SMASH!

The clone was smashed down!

Me: WHOA! Okay then!

I snapped my fingers and she reverted back and was a girl with teal hair and blue eyes and had brown angel wings and had Mega Aerodactyl on her forehead and had the Dino Thunder symbol and an Archaeopteryx on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: WHOA! Awesome.

She woke up to see Horsea's smiling face.

Abigail McKnight: Huh? A Horsea?

Horsea: You hit my clone!

Abigail McKnight: What?

Maria picked Horsea up.

Me: Long story.

Connor: Hey sis.

Abigail McKnight: Connor!

She hugged him.

Abigail McKnight: I'm glad you're safe! Dr. Oliver and Kira, Ethan, Trent! You're all here!

Tommy Oliver: That's right.

Ethan James: Glad you're back.

Kira Ford: Same here.

Me: You were turned into a Mega Aerodactyl by Dark Gale.

Abigail McKnight: Dark Gale? Who are they?

Me: Oh they were a Pokemon Villain organization we destroyed a while back. What were you doing before?

Abigail McKnight: I was fighting a... I don't know. He looked like a gecko with a flower on his head.

Eli: (GASP) That was Trinoid #24: Abarengecko.

Me: That's a Japanese monster! That one was from the 20th Anniversary movie of the Abarangers. Came out last year.

Abigail McKnight: Oh wow! I didn't know that.

Me: Lots of Japanese monsters have been appearing in many of our usual battles. Also you'll be happy to know that both Mesogog and Zeltrax are both dead. We killed them both.

Nico: We defeated Zeltrax recently.

Connor: We killed both Mesogog and Zeltrax on my day to shine.

Me: Mesogog was one UGLY S.O.B.

Abigail McKnight: He sure was.

Me: Yeah. But they got what was coming to them both.

Tommy Oliver: They sure did.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new Teal Clothes and a Star Sword and Connor gave her Teal Dino Gem back.

Abigail McKnight: I look amazing.

Me: You sure do.

Connor: Abigail is the Teal Dino Thunder Ranger and she has mastery over the sky with the powers she has. She can sprout wings at will.

Me: Cool! Archaeopteryx was the VERY First bird that lived around 150 million years ago. It's said to be the dinosaur that started birds.

We went back home.

We went back home and were watching TV.

Armada Cyclonus: The team I'm in is tomorrow!

Me: Yep it sure is.

I got to thinking.

Me: Hmm. What could be the organization of Loan Sharks that Krusty mentioned?

Nico: Good question.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Cinder Fall, she's at it again and she's murdering a lot more people in Remnant. When we saw it, we knew it meant trouble!

Lincoln, me, and Nico: SO, YOU'RE AT AGAIN, CINDER FALL! YOU MUDEROUS SCUMBAG!

Eli: So, she's on the move once again, is she?

Lincoln: And she's on another murderous rampage.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Cinder Fall, she's at it again and she's murdering a lot more people in Remnant.

EVERYONE GASPED!

Pyrrha: That heartless bitch. I knew she would be back for more.

We then explained Cinder Fall's history to those who hadn't joined before, and when we were done, many of them were absolutely pissed off at her, especially Caleb Maxwell.

Caleb Maxwell: That...sadistic bitch! She's gonna die a horrific death by being burned alive by the fires of Hell! She's like a female version of that piece of shit, Drake Maxwell, my younger brother! I refuse to let any resemblance of that piece of shit live any longer!

Me: We're gonna make her suffer big time for this, Caleb.

Nico: That's right, she's not going to live any longer. Alright, team, let's get to Remnant, Cinder Fall, your time is finally up!

Lincoln: Time to send her straight to The Black Abyss forever, where she rightfully belongs!

The previous group came

Man Ray: Can me, Captain Cold, Cantwell, Common Cold, Cluemaster, Mysterio, Major Disaster, Key, Springfield Bullies, and Motor Ed go with you guys?

Dolph: And what was that UFO we saw?

Me: That was the Mascots making contact with aliens from Another Planet.

Nico: We'll tell you on the way to Remnant. And yes you all can come with.

Lola: Yeah.

Dolph: Cool!

June: Nico, which Gene Slammer do you think you'll meet next?

Kearney: I hope it's strong.

NIco: Numbers 12, 11, 10 and 9 next.

Me: Cool! Crimson Shadow Ninja, Big Eye, Illumiknight and Dyson Sphere.

Nico: Yep.

Qin: Sweet.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 104 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Necrom, the Marvel Villain whom Damian Alaister and The Church of Necrom, worshipped, and he's come back for revenge. When we saw it, we knew it meant trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Necrom, the villain whom Damian Alaister and The Church of Necrom worshipped, and he's come back for revenge.

Nicholette Torrington: It's been two years since you drained him dry of his life force and his powers and sent him to The Black Gates, Lincoln.

Annika Jansen Cooper: And now, he's back for more. But, this time, he doesn't have Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna to defend him.

Lincoln: That's for sure. Now, we'll send him to join those Satanic psychos in The Black Abyss forever.

Nico: After you absorb him and assimilate his powers that is. Alright, team, let's get to Remnant and end Cinder Fall for good.

Lincoln: This is the last time we ever have to deal with her, and once we get done with her, you're next, Necrom.

Annika Jansen Cooper: After what your human worshippers had done, they got what they deserved, and so will you.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Remnant to kill Cinder Fall and send her to The Black Abyss for what she's done in killing Pyrrha and killing The Fall Maiden, and once we get done with her, Annika Jansen Cooper and Lincoln are going to destroy Necrom and send him to The Black Abyss after Lincoln absorbs him.

WE WERE OFF TO REMNANT

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14063.7: The U.S.S. Valorous Phoenix is en route to Remnant for a big adventure. We're going to battle Cinder Fall and make sure she gets the Black Abyss forever and make her pay for her crimes against Remnant and for murdering Pyrrha Nikos.

Lola: Yeah!

Common Cold: Lets call Radioactive Man. (SNEEZES)

Me: Bless you. Okay.

We did so.

Radioactive Man: This will be fun.

Qin: I agree.

Pyrrha: Cinder Fall will pay for everything she did to me and to Remnant.

Varie: What she did was horrible!

Mysterio: Which Heartless Robots should I summon?

Nicole: How about those Assault Rider Heartless.

Mysterio: Awesome choice.

Me: Nice. And I know just the imps to help us with this. PAIN!

Pain came.

Pain: Coming your most Lugubriousness!

He tripped and rolled and landed on the point of AncientMermaidmon's trident.

POINK!

Pain: AAAAGH!

Me: PANIC!

Panic came too.

Panic: I'm sorry! I can handle it!

Pain got off and Panic tripped over Pain and they rolled and Panic skewered Pain's butt.

Pain: (SCREAMS IN AGONY) PAIN! (GROANS)

Panic: And Panic!

Both: REPORTING FOR DUTY!

Me: (LAUGHS) That always cracks me up boys.

Paragus: Why are they here?

Me: Just for laughs. Fine, fine, fine. Just let us know the instant our weapons are ready for this.

Panic: Oh. They are ready!

Me: (FLARES UP FIRE EXPLOSIVELY LIKE HADES) (PISSED OFF) WHAT?! THE WEAPONS ARE READY AND YOU DIDN'T TELL ME!?

Pain and Panic: (Grovelling and Crying) WE ARE WORMS! (TURNS INTO WORMS) WORTHLESS WORMS! (CRYING)

Me: Memo to me. Memo to me: Maim you both after we're done here. (LAUGHS) You guys don't know HOW LONG I've been wanting to do that!

Key: Seriously, why are they here?

Me: Just to give us a few laughs.

Pain: It's true. We are J.D.'s comic relief. Hades lets us give him laughs just in case.

Me: And I imitate good lines from Hades.

Anna Knudson: (LAUGHS) Yeah Hades is funny.

Nico: He sure is! (LAUGHS) Also that was really good.

Me: Thanks. Good job boys.

Panic: Thanks.

They went back to M.O.E. HQ.

Me: Whew. Needed that.

Nico: Never get tired of those Pissed off moments from Hades.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Remnant.

Me: We're here.

We landed and we were outside of Atlas.

Me: Atlas again.

Nico: Yep.

Blaster Tron: Scanning for signs of Cinder Fall

He got to scanning for her.

Blaster Tron: Cinder Fall located. 50 miles north northwest.

Me: Good. Gives us time to prepare.

Dolph: So what are these aliens that we saw?

We told them everything that happened.

Motor Ed: You could've opened the door for another invasion. Seriously!

Poromon and the mascots were cleaning Patrick.

Poromon: We know! We're already paying the price for it.

Poliwag: (Popping Patrick's back barnacles) EW!

Horsea: (Scrubbing Patrick's pits) So gross!

Qin: Patrick really needs to clean up every day.

Squidward: That's what we keep telling him but you know how he is.

Horsea: But we regret nothing!

Me: Yes we know. You keep saying that you'll sound like Professor Pester.

Poromon used his beak to pop the barnacles

POINK POINK POINK POINK POINK!

Patrick: Ahh that feels great!

Me: The mascots also sometimes work at the Ponyville Spa to earn some money.

Lotus: (Eastern Europeon Accent) They make really amazing mud baths and massage masseuse's.

Me: That is cool Lotus.

Nico: Yep.

Sunny Starscout: Want some smoothies guys?

Me: Oh sure Sunny.

We had some.

Me: (Slurps) Ahh! Blue raspberry watermelon. Yummy.

Horsea had some

Horsea: (Slurps) Ahh Green Apple Strawberry.

Poromon had some too.

Poromon: (Slurps) Banana Coconut. Delicious. Perfect for getting the taste of back barnacles out of my mouth.

Poliwag had some

Poliwag: (SLURPS) Ahh grape blueberry ripple. Yummy.

Manaphy: (Slurps) Ahh. Chocolate vanilla banana swirl.

Me: Ooh yummy.

Sunny Starscout: I also make milkshakes too.

Me: Nice.

Nico tried some.

Nico: (SLURPS) Mmm! Cookies and Cream Swirl.

Sunny Starscout: Yep. (LAUGHS) Made that special.

Me: Boy these are great Sunny.

Ymir: I agree.

Mevya tried some

Mevya: (Slurps) Yummy! Blueberry Marionberry.

Me: Oregonian flavor. I like that.

I finished mine.

Me: Ahh. Needed that. Thanks Sunny.

Sunny Starscout: You're welcome.

But then i sensed something.

Me: WHOA!

I jumped and a girl with red hair and red eyes in a red bikini and red wings with Pyrrha's emblem on her belly swooped in and punched the ground I was on.

Me: HOLY SHIT!

Avenging Amazon: WHERE IS SHE!?

Nico: WHOA!

Lincoln: Oh my god! That's Pyrrha's Akuma, Avenging Amazon! The Hypothetical Akuma of Pyrrha Nikos and she has intense fire powers and superhuman strength and warrior spirit. She was made because of Cinder Fall killing her and she returned from the dead to get revenge on her.

WE GASPED!

She fired a massive blast of intense fire at me and I absorbed it and it supercharged me!

I punched her and knocked her down!

Me: WHOA! She is really fast and strong!

Burst Man: I can do better!

He fired bombs and blasted her.

She went at me and I grabbed her fists and stopped her.

Me: Holy crud! Pyrrha is that you?

Avenging Amazon: Yes it's me!

Me: Man you are really hot tempered like this!

Nico: No shit!

Me: Look Pyrrha I get you want to kill Cinder Fall and I promise she will pay for her crimes but for now just calm down and save your anger till we battle her. Please?

Jimbo: But we don't blame you for wanting payback

Avenging Amazon: Then come and stop me!

Me: Okay then.

I punched her down!

POW!

She got up and went at me and I blocked her punches and kickes.

Me: WHOA! She is fast and deadly like Wonder Woman!

She fired more blasts of fire but I absorbed them intensely!

Radioactive Man: Have some of this!

He fired atomic beams and she dodged them.

Avenging Amazon: MY TURN!

She fired massive intense extremely long blasts of fire and I absorbed them for over 30 minutes!

When I emerged I WAS INTENSELY SUPERCHARGED!

Me: HOLY CRUD!

I teleported and kicked her down!

Me: YEAH!

She was knocked out!

Me: That's that.

Harley Quinn: Now, let's put that fiery bitch out!

Me: YEAH!

Nico: You think she's noticed us yet?

Me: No but she will.

We heard the murderous and insane laughter of Cinder Fall as she's killing innocent people that she has come across! THERE WAS AN OCEAN OF BLOOD AND DEAD BODIES IN HER WAKE ALONG WITH FLAMES AS SHE ALSO BEGAN BURNING OTHER INNOCENT PEOPLE AS WELL!

Nico: THAT FUCKING BITCH!

Suddenly, the spirits of the creatures of fire appeared and they attacked Cinder Fall with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and Then...

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared and that pissed Cinder Fall off!

Me: You got some fucking nerve showing your face again, Cinder Fall!

Nico: And you're also at it again by killing innocent people and burning them alive as well?! You're still a bitch as always!

Lincoln: That's an understatement, but that ends here!

Suddenly, Lincoln flew up into the sky and his enormous white angel wings and 104 sets of large white angel wings underneath his enormous white angel wings spread out and a massive fire aura surrounded him and it rose up into the skies and it turned into a massive phoenix of fire that flew across the skies of Remnant and began resurrecting and restoring to life all those whom Cinder Fall had murdered in cold blood.

Cinder Fall: WHAT ARE YOU DOING?! HOW DARE YOU BRING THOSE WEAKLINGS BACK! THEY DESERVE TO STAY DEAD!

Me: Shut your mouth, you bloodthirsty psychopathic bitch!

Finally, the phoenix rammed into Cinder Fall and it removed the powers of The Autumn Maiden that she'd stolen from in the past and gave them back to Amber restoring her to full strength, but she became even stronger and massive brown angel wings grew and sprouted out of her back.

Nico: WHOA!

Finally, the phoenix disappeared and Lincoln landed.

Me: Lincoln, that was so awesome!

Lincoln: I'd saved that little trick for whenever we come across something like this.

Cinder Fall: Time to finish what I started. (to Pyrrha): Do you believe in Destiny?

Cinder forms an obsidian bow and arrow. She then fires the arrow at Pyrrha's chest

Lincoln went wild on Cinder Fall as he punched, kicked, and slashed at her like a wild beast, and he left scars on her.

Then, Lincoln held out his left hand and fired five massive balls of fire at Cinder Fall, and they collided and exploded as they hit her, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much

more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT CINDER FALL AND SEVEREAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HER AND SHE GOT BURNED!

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into ruin once more. Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Cinder Fall and we all found ourselves not only in Heaven, but also, in space.

In fact, if you're anything like Dio Brando, this is where your raging, fire burning, dull and ugly ass gets sent to The Black Abyss where you belong, you fucking whore! Prepare your ass for defeat and one last thing?

Ed Cowart punched Cinder Fall all over then he uppercut her right into the air, then he punched her down into a massive crate of TNT which explodes! Then, he performs the Seismic Toss on Cinder Fall, then he smashed her head with a hammer and a mace, then he kicked her straight into another massive crate of TNT which explodes launching her to a demolition site where Dynamite Anton and Dynamite Annie were doing demolition work which got them to beating the crap out of her. Then, Ed Cowart joined in and they launched her in the sky, then they performed a dynamite version of The Seismic Toss on Cinder Fall which made the demolition site completely explode, and then, they finished by turning Cinder Fall into a villain pretzel!

Abigail was surprised as her body started trembling. She yelled out in surprise as her body started expanding. Same with Tarah and Vareena!

Abigail: NO! We control the power! It doesn't control us.

They concentrated and reigned in the powers of Mega Aerodactyl and Mega Plusle and Mega Minun and they transformed and blasted her all over the place.

Me: YEAH!

Emerald Sustrai: I was a fool for being your friend Cinder!

Me: You didn't care about Mercury Black, you didn't care about Arthur Watts or anyone. It was all about yourself!

Emerald Sustrai: I've cast many ilusions. But one of them was on myself for ever thinking you cared about me!

Cinder Fall: BECAUSE I HATED YOU EMERALD! I HATED HOW YOU WERE ALWAYS A MISTAKE!

POW!

I punched her!

Me: Don't you dare fucking talk to her like that!

Thievul charged at her and bashed her own.

Qin kicked Cinder in the face.

Me: Your alternate self has the one thing you lack above all others! And that is a heart!

Cinder Fall: What do you mean?!

Universe 666 Cinder Fall: He means me!

She went over to her.

Cinder Fall gasped!

Cinder Fall: You're me!

Universe 666 Cinder Fall: I may be you but I will NEVER KILL MY FRIENDS or those I love! Because I love everyone unlike you!

Poromon shook a beer bottle and smashed it on her head!

Poliwag and Skitty slapped her all over with their tails.

Manaphy bashed her with a headbutt.

Horsea Squirted ink.

Then Pete, Doctor Octopus, Springfield Mafia, Cargill, Vreedle Brothers, Krusty, Kalin, Private HIVE, Control Freak, and Abis Mal came.

Nico: Pete, Doctor Octopus, Springfield Mafia, Cargill, Vreedle Brothers, Krusty, Kalin, Private HIVE, Control Freak, and Abis Mal.

Krusty: HEY HEY KIDDIES! (GOOFY LAUGHTER)

Cinder Fall: (SPITS)

POW!

They punched her in her face and knocked her down.

Me: At least she didn't say anything to you. I'll hold her off more. You guys have fun.

I went at her.

Krusty was REALLY BEAT UP AND IN A BODY CAST!

Qin: GOOD GOD KRUSTY! What the hell happened to you!?

Krusty: I was beaten up by those Ghost Pepper Loan Sharks.

Nico: Holy Crap! We better find those loan sharks and deal with them soon.

Doc Ock: Yep. Boy this was explosive! I ate all my popcorn before Pyrrha transformed.

Nico: I can see that!

Pete: You didn't even share with us!

Doctor Octopus: I'm sorry, okay!

Fat Tony: I wanted that popcorn.

Nico: Okay guys that's enough.

Cargill: (to Nico) We heard you fought drug dealers.

Nico: We sure did and it was an old enemy from my past.

Krusty: (to Jackie) You should take care of that Skitty. And can one of you make sure that I'm at least in a condition to be in the usual battles?!

Varie: Sure.

She went and did so.

Varie: You're good to go.

Krusty: Great!

?: Awesome!

A figure came and it was SPIKAKA from episode 32 of Lost Galaxy!

* * *

Both Spikaka and Ironite were drawn away from the shack where Runtus was by Kai's fake bird call and were immediately beaten and tied up. Afterward, with the help of Spikaka, Deviot set up the trap for the Galaxy Rangers on the planet Kirassa, using a hidden explosive device with a trigger disguised as the hilt of the missing sword.

When the trap was sprung, both Spikaka and Deviot planned to do away with the Rangers when they were attacked by Karone (who'd managed to reclaim the saber on Onyx). Once the Pink Galaxy Ranger powers were passed to Karone by the spirit of Kendrix Morgan, Spikaka was left behind to distract the Rangers while Ironite attacked Terra Venture. However, the Rangers easily destroyed him with the Lights of Orion Power-Up Mode attack.

* * *

Karone: Spikaka!

Spikaka: Been a while Karone!

Nico: I remember you! You were sent to set up a trap on planet Kirassa and you used an explosive disguised as a sword!

Karone: And I defeated you for the first time as a pink ranger after Kendrix passed on her power to me.

Spikaka: I remember that! That was intense! Also good memory.

Nico: Thanks. Just as sharp as J.D.

Spikaka: (to Kendrix) It's good to see you alive, honestly.

Kendrix: I know! And also Trakeena is dead too.

Spikaka: Good! I never liked her.

Nico: No one did. LETS GET IT ON!

May: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

They got the battles underway.

Penny: They were selling cupcakes laced with Marijuana and it was nasty. Also the one that lead all that was an old enemy of Nico. His name was Gonzalo Aguado.

THEY GASPED!

Pete: WHOA! I know him! He terrorized New Jersey for years, he was the leader of a local Mexican gang called Los Señores de la Sangre y la Destrucción, in Spanish, it means, The Lords of Blood and Destruction, and they were a violent bunch responsible for numerous assaults on innocent people, destruction of property, vandalism, numerous counts of rape, blackmail, murder, murder for hire, and assassinations. But, even worse, his gang were also responsible for drug trafficking from marijuana to cocaine, and even worse, he has connections with a Columbian drug cartel and they were responsible for giving him the drugs. He and his gang wound up on the FBI's Most Wanted list, and thanks to documented evidence provided by you and your friends, Nico and The FBI went after Gonzalo Aguado and his gang and all of them were arrested, and thanks to all the evidence you guys gathered, it was enough to convict Gonzalo Aguado and his gang and find them guilty of their crimes and his gang were sentenced to death along with Gonzalo Aguado.

Cody: (Australian Accent) That's right mate! They escaped from prison a while back!

Spirits: GUILTY!

The kanji for abyss appeared on her forehead and she had black flames consume her!

Cinder Fall: NO NO! THIS IS NOT HAPPENING! DAMN YOU ALL TEAM LOUD PHOENIX STORM! DAMN YOU PYRRHA NIKOS! DAMN YOU AAAAAALLLL! (FADES)

She was gone for good and she was sent to The Black Abyss forever! GOOD GODDAMN RIDDANCE TO THE BITCH OF REMNANT FOREVER!

We cheered as we holstered our weapons and powered down, and Pyrrha's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large red planets orbiting around her legs, one-hundred smaller red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized red planets orbiting around her wrists and ankles, and massive red angel wings and ninety-nine sets of large red angel wings underneath her massive red angel wings are permanent.

Nico: And that is that.

Me: You said it. Cinder Fall is finally gone forever.

Lincoln: It has been a long time coming, but it's over for her. Now, there's one last thing to do and one last loose end to tie up: Necrom.

We then turned our attention to Necrom who was still in suspended animation.

Necrom: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU!

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death. Necrom, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Time to die, you evil sorcerer!

Lincoln, Annika Jensen Cooper, Nico, and I went after Necrom, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Necrom, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Annika Jensen Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Annika Jensen Cooper, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Necrom even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Necrom and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Necrom and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 14'9" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Necrom and he began absorbing him and assimilated Necrom's Vast Magical Powers, Summoning, Energy Projection, Force Fields, Levitation, Longevity added to his True Immortality and Invincibility, Telepathy, Necromancy, Golem Creation, his Anti-Phoenix was purified into The Phoenix Force, Elasticity, Life Force Absorption, Telepathy, Superhuman Durability, Self Sustenance, Geokinesis, Telekinesis, Gravity Manipulation, and Flight, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Necrom and he also sucked out all the energy remaining in Necrom's soul and he banished him to The Black Abyss and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Annika Jansen Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine

sets of large black angel wings underneath her massive black angel wings are permanent.

Annika Jansen Cooper: It's over for you, Necrom, and to this we say good riddance. Thanks for helping me get rid of that evil sorcerer, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Annika.

Me and Nico: Our pleasure, Annika.

Suddenly, Annika Jansen Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Annika Jansen Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Annika Jansen Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Annika, you transformed and you guys really let Necrom have it.

Me: That's for sure, he didn't stand a chance against us even back then, and he didn't stand a chance even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Crystal.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Crystal.

Catherine Diamantis: There's only one person who matches this: Crystal Cristales, Avatar and Gene-Slammer of Gem-Knight Crystal, and you guys are going to love meeting her, Crystal Cristales, Avatar and Gene-Slammer of Gem-Knight Crystal, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Crystal gems and crystals. She's known as The Crystal Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this.

Crystal Cristales came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Crystal gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Crystal gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Heather Herodias, Gene-Slammer of Steelswarm Longhorn and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Crystal's parents and her little sister, Clara, in cold blood, and she swore to kill Heather Herodias and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Crystal lost both her parents and her little sister, Clara, and Heather Herodias killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She don't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Rhomboid: We blew her up real good!,

Kalin: We sure did.

Me: Yeah!

Private HIVE: She got a dishonorable discharge!

Control Freak: You said it!

Nico: With an execution to boot!

Abis Mal: (to Weiss) You glad Cinder's dead now?

Weiss: Yes I am.

Blake: Me too.

Qin: She deserved it.

Me: You said it. WOW! This was REALLY explosive!

Varie: It sure was!

Nico: Yep. Great job today everyone.

Pyrrha: (To the Viewers) Man what a battle! Cinder Fall is now a forgotten memory.

Me: Thank goodness.

We went back to Earth Omega and celebrated our victory at Camille's deli.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Cinder Fall is gone forever.

Anna Anyanova: That's for sure.

Arianna Salem Rose: You said it. Cinder Fall became the next one of Remnant's big enemies to die, and soon, Jacques Schnee will join her and Tyrian Callows in The Black Abyss.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, Alexander Avalon was out in the city and looking out into the skies.

Alexander Avalon: So far so good. We took down The Dark Fly Card, but tomorrow, I got the feeling we're going to take on the dark version of The Shadow Card, and that one was a scary capture since Sakura also had to deal with the shadows of the other students along with The Shadow Spirit, but we'll be ready for them.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, but we're ready.

See you all next time.

Mercury Black Downfall

The Fall of Mercury Black on Emerald Sustrai's big day has come

---

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a volcano planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over volcanoes, lava, molten earth, and magma, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Lavaira, a volcano planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Lavairans, the males were not only natural born fighters and had incredible superhuman strength, but had powers over volcanoes, lava, molten earth, and magma, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Lavairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: I already know the drill.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Lavaira once inhabited by The Lavairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Lavaira, wow, it's an intense volcano planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Lavaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a neon red gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of neon red souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Lavaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Lavaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over volcanoes, lava, molten earth, and magma, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and red aura with magma and lava surrounding him and the rainbow, white, golden

yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over volcanoes, lava, molten earth, and magma, and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Lavaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Lavaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the

rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Lavaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Lavaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and

massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Lavaira, it was also another intense volcano planet.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) You said it, and The Infernairans laid waste to The Lavairans, and there truly is no end to the terror they'd wrought throughout the universe

Lincoln: Arpina's former people were absolute monsters.

Emerald woke up to see Zorua staring at her.

Emerald Sustrai: Oh morning Zorua.

Zorua: Morning Emerald! Time for Breakfast.

She went and got up and got dressed and went to the table.

Me: Morning Emerald. Made something good for you.

They were green pancakes.

Me: Spearmint white chocolate pancakes.

Emerald Sustrai: Oh boy!

She got to eating.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was the Hot Sauce Ghost Pepper loan sharks that beat the living crap out of Krusty the Clown yesterday.

Nico: Oh crap, that was...!

Lincoln: The Hot Sauce Ghost Pepper loan sharks that beat the living crap out of Krusty the Clown yesterday, and I also found out about their leader.

Lincoln got out the picture of a woman with brown hair and a sleeveless dress, but despite her looks, she was ruthless.

Lincoln: Her name is Cajun Queen, she's the leader of El Fuego Naga Jolokia Hermandad de las Especias Salsa Picante Tormenta de Fuego, that's Spanish for The Fire Naga Jolokia Brotherhood of the Spice Hot Sauce Firestorm and she's a deadly and fiery Cajun girl that loves all fire and nuclear hot fiery food. But, don't let her looks fool you, she's a deadly cartel leader and will make sure you pay your fees on time or face the consequences and mercilessly beat you until you're black and blue!

Me: In other words, don't mess with her! And I've heard about them, they are dangerous and fiery with spice and hot sauce and more.

Lincoln: We'll drink a gallon of her NUCLEAR hot spicy hot sauces, let's see what it'll do to our power.

Nico: Oh boy, then we'd better duck and cover!

Caleb Maxwell: Oh, that's it! That's the last straw! I'm gonna show that brutal cartel leader that if she crosses me, I'm gonna send her and her entire cartel of hot sauce ghost pepper loan sharks straight to Hell for this, and there is nothing she and her gang can do to stop me! I'm gonna make her suffer! Oh, by the way, here's the footage of last night's execution.

Caleb Maxwell showed us the footage of last night's execution. Last night, after we got back home and went to bed, Caleb Maxwell went down to New Jersey, and he arrived in time to see Gonzalo Aguado and his gang, Los Señores de la Sangre y la Destrucción, chained up to posts.

Caleb Maxwell: You drug-dealing shitheads crossed a serious line, you fed Nico's kids cupcakes laced with marijuana and they got seriously ill, and then, you tried to beat them to death to get revenge on Nico for throwing you guys on death row years ago. You make me sick, it's bad enough you're thugs, but to also find out you're drug dealers. At first, I wanted to put guys like you away in prison for good to protect society, but I now realize there are guys like you who will never learn and you're still gonna continue committing heinous crimes, and many of your crimes had led to the loss of innocent lives in the process. Well then, there is only one punishment for animals like you.

Caleb Maxwell raised his twin guns.

Caleb Maxwell: ROT IN HELL, YOU PIECES OF SHIT! DIE!

MULTIPLE GUNSHOTS!

Caleb Maxwell shot Gonzalo Aguado and his gang all over their bodies, and they died in a pool of their own blood, and he sent them all to Hell for good as the footage ends.

Nico: Can't say we saw that coming. They were either going to die on the streets or die in prison, but you chose the second one: execute them in prison.

Travis Tackett: Normally, they're shot dead on the streets by Caleb and found the next morning in an alley by the cops, it's rare that Caleb kills them in prison.

Lincoln: Either way, they deserved it. Alright, let's head out and take down Cajun Queen and send her to The M.O.E. and send her gang, El Fuego Naga Jolokia Hermandad de las Especias Salsa Picante Tormenta de Fuego, to prison.

Nico: Let's do it.

Me: I know where their hideout is. It's located on the south side of town in the slums.

Nico: Oh boy.

Poromon: I hope we don't run into any hookers there. We don't want to be used as Sex Toys again!

Me: We'll watch out for them.

We were off to the slums on the South Side of town.

Me: Boy this place has REALLY Seen better days.

Sheila: I know.

Qin: But this will be fun.

Lola: Yeah.

Jet Stingray: I'm ready to fly and smash.

Camie: Same here!

Lana: Yeah!

Nico: Jet Stingray, I want to thank you, Valstrax, and your teams for coming.

Jet Stingray: No problem Nico. This will be fun.

Me: It sure will.

Armada Cyclonus: I'm ready for action boss.

Nico: Love that spirit Cyclonus.

Xenia: Yeah!

Nico: Hey, Cyclonus. How's your Crumplezone?

Armada Cyclonus: He's doing great thank you.

Nico: Awesome and cool.

Varie: Yep.

Armada Cyclonus: Yeah that is for sure. Also I'm glad that everyone became part of the team and we stopped the war.

Ymir: What war?

Me: The Great War for Cybertron. It lasted for over 8 million years and it was intense.

Ymir: Oh man!

Armada Cyclonus: Yeah the War on Cybertron took a nasty toll on everyone on Cybertron.

Nico: Keep your Crumplezone close to you. You might never know when you'll need it

Armada Cyclonus: Will do boss.

Me: Cool.

Nico: Holy fucking shit! That was intensely explosive!

Me: WOW! No kidding! The battle with Cinder Fall was the most explosive ever.

Lola: Geez! It sure was!

Nico: Wow! It sure was! J.D. you did really well against her.

Me: So did all of us! I don't deserve all the credit. Everyone did great. Pyrrha you and Amber and everyone on Remnant must be really glad that Cnder Fall is gone right?

Pyrrha: Honestly, yes.

Me: Good.

Emerald Sustrai: Looking back, I can't believe that I was friends with her.

Varie: Some friend she was.

Laney: She had no right to call herself a friend like that.

Nico: Yeah no kidding.

Qin: Yeah.

Nico: Radioactive Man already killed her when his radiation reached her brain.

Me: Yep. But to make it worse than overkill we banished her to the black abyss after Lincoln and his harem delivered the final blow with their final smash.

Lincoln: I agree there.

Varie: That was awesome.

Camie: It sure was.

Nico: Yep and Pyrrha your akuma was brutally powerful.

Pyrrha: Yeah no kidding there!

Qin: Wow! She was tough and also smoking hot.

Camie: You're right on that.

Ymir: I agree.

Jaune: I'll say!

Varie: Yeah.

Me: Wow. Either way that's another one of Remnant's Big Bad Baddies gone for good.

Qin: I agree there. We just have Jacques to deal with. Then Remnant will be free.

Eli: Yeah no kidding. And then we'll punish the God Brothers later on.

Nico: Are we forgetting someone?

Me: Mercury. We have him to deal with too.

Emerald Sustrai: That's right.

Nico: That's better.

Qin: Yep. But we're not going to kill him. It's the M.O.E. For him.

Camie: Yep.

We walked through the slums and it was a messed up place.

Me: Boy this is a messed up place.

Qin: Yeah.

Nico: So where is the hideout?

Me: Over there.

I pointed to a factory.

Me: That's the Abandoned Gotham Royal York Pepper and Hotsauce Factory. It was shut down years ago because one of their workers drank all the hot sauce and ate all their peppers.

Nico: He shouldn't have been employed.

Me: Well it was actually part of a workplace dare they did. They dared him to do it and he did. Resulting in the entire factory being shut down and abandoned.

Ymir: Geez! What happened to the guy?

Me: He died of a stomach ulcer and bled to death in the hospital.

Nico: YIKES!

Qin: Yeah. That was stupid.

Nico: Yeah.

Me: Well the guy really was dumber than Billy and Cheese combined.

Nico: Oh boy.

Me: Yep.

Lincoln: Okay, guys, we're in for one fiery battle, we're here in the south side of town to help Sweet Leaf unlock her Rainbow Power and take down Cajun Queen and send her to The M.O.E and send her gang, El Fuego Naga Jolokia Hermandad de las Especias Salsa Picante Tormenta de Fuego, to prison, that is if Caleb Maxwell doesn't kill them first.

We had all of TLPS and The MOE with us.

Nico: This is going to be one fiery and spicy battle.

Me: My kind of battle.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my

bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive

muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Aquaman heard a Pokemon cry.

Aquaman: Look guys.

We saw a Qwilfish in a barrel of water.

Me: A Qwilfish!

Aquaman picked it up.

Qwilfish: Thanks! Cramped in there.

Aquaman: No problem.

He gave it apples.

Qwilfish: Thanks.

It ate them.

Qwilfish: Thanks.

Aquaman: Want to come with?

Qwilfish: I would like that.

Poromon: Yay!

Nico: Did you drink anything here?

Qwilfish: No just water.

Me: Okay.

We heard a howl!

Me: Whoa!

Laney: It was from that! Look!

We saw a Mega Arcanine!

Me: WHOA! A Mega Arcanine.

Nico: Where did it come from?

Me: One of Dark Gale's work.

Ryotaro: Lets see.

He used Telepathy and gasped!

Ryotaro: It's my sister Rin! You will get a great surprise from her.

Me: Oh man! Lets go help her.

We went over.

Ryotaro: Rin it's okay. It's me Ryotaro.

She used Flamethrower on Horsea but she put her clone in front of her

It got burned to a crisp!

Horsea: HA! Nice try!

Me: Ouch. Okay then.

I fired waves of water and blasted her.

I snapped my fingers and she reverted back and was a girl with orange hair and had red eyes and had fire angel wings and Mega Arcanine on her forehead and had a cutie mark that looked like the Kamen Rider Den-O symbol with the Phoenix Fullbottle symbol with wings on it on her arm.

We wrapped her in a blanket and brought her over.

Me: Wow she is intensely hot.

Ryotaro: She sure is and wait till you hear her story.

She woke up to see Horsea's smiling face.

Rin Nogami: (Groans) Huh? A Horsea?

Horsea: You hit one of my clones!

Rin Nogami: Oh man.

Ryotaro: Hey sis. Thank goodness you're okay.

Rin Nogami: (GASP) Ryo!

She hugged him.

Rin Nogami: I'm glad you're okay.

Ryotaro: Same here.

Me: You were turned into a Mega Arcanine by Dark Gale.

Rin Nogami: Oh man! But I never heard of them.

Me: They were a Pokemon Villain Organization we destroyed. What were you doing when you were slammed by them?

Rin Nogami: Well I was battling this Wacko nutcase that was always spazzing about Fairy Godparents about how he wanted nothing more than to kill you guys and he was REALLY INSANE!

WE GASPED!

Me: That was Denzel Crocker!

Rin Nogami: Oh man! I heard how much he gave you guys so much trouble over the years.

Me: Yeah! He was a nasty thorn in our side for years. He hates our guts. Funny thing too on Takanuva's big day back in 2022 we saw how he became like that. On March 15th, 1973 we saw how he was essentially reprogrammed and became the most fucked up fairy obsessed lunatic we hate and loathe. The train we were on showed us. The Den-O train.

Nico: It's actually called the DenLiner.

Me: Oh right.

Rin Nogami: Oh man! And he was like that for over 51 years?! That's crazy!

Me: I know.

Nico: He would've become that no matter what happened.

Qin: Yeah.

Ryotaro: Rin is the Phoenix Themed Den-O Rider, Kamen Rider Hououvega. She absolutely hates and loathes the atrocities that Negataros did as well as Kai.

Me: WHOA! We killed Kai on Takanuva's big day in 2022.

Takanuva: We sure did. Also he gave us a really big fight.

Nico: Yep.

Rin Nogami: Wow! I'm glad you guys killed him.

Me: Well he is coming back on Takanuva's big day. Anti-Monitor is to blame for it.

Nico: Yep.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new orange and black clothes and a phoenix sword and Ryotaro gave her Rider Belt to her.

Rin Nogami: I look amazing.

Me: You sure do.

Nico: Now, let's teach those jerks not to mess with Krusty!

Jackie: Big time!

Lincoln: (Sensed for Cajun Queen and her gang) AHA! There she is! I just spotted Cajun Queen and her gang, they're 20 yards away and they're at the old hot sauce factory, and she and his gang are already engaging in a shootout with the cops!

Me: Appropriate for their operations.

Nico: Time to put an end to those fiery loan sharks.

We then took off to take down Cajun Queen and El Fuego Naga Jolokia Hermandad de las Especias Salsa Picante Tormenta de Fuego.

We were flying in the air, and there, we saw Cajun Queen and most of El Fuego Naga Jolokia Hermandad de las Especias Salsa Picante Tormenta de Fuego engaging in a shootout with the authorities.

Caleb Maxwell: You pieces of shit...! (DEMONIC VOICE) TIME TO DIE!

Suddenly, the sclera of Caleb's eyes turned red and his crimson red eyes turned brighter, and he flew down and unleashed pure Hell on them firing at them like crazy, and we heard his demonic laughter echoing in the air, and the gang ran back inside.

Jack Howard: Okay, now for the hard part.

We kicked the door down, and we saw it: the factory was full of Cajun Queen's NUCLEAR hot spicy hot sauces, and they were really hot.

Me: WHOA! Looks like the Abandoned Gotham Royal York Pepper and Hotsauce Factory, it's up and running once again.

Lincoln: Because of Cajun Queen.

?: I'm glad you think so.

Suddenly, we saw our target: Cajun Queen and El Fuego Naga Jolokia Hermandad de las Especias Salsa Picante Tormenta de Fuego.

Nico: So, we meet at last, Cajun Queen and El Fuego Naga Jolokia Hermandad de las Especias Salsa Picante Tormenta de Fuego.

Me: So, you were the one who sent your gang to beat Krusty up.

Cajun Queen: I always get the guys who sign my loan contracts to pay up, no matter what the cost.

Caleb Maxwell: Spoken like a real loan shark. Well, you know what I do to loan sharks like you?

Caleb Maxwell raised his guns.

Caleb Maxwell: Loan sharks like you belong dead on the streets in a pool of your own blood and in a coffin where you belong!

Cajun Queen: (Smirks) Dark threatening words, let's see how you deal with this. Come on out, boys!

Suddenly, we saw clones of Sun King and Last Sun come out.

Lincoln: Clones of Sun King and Last Sun! (GROWLS) Alecto Slytherin...!

Lincoln bearhugged the clones of Sun King and Last Sun and he began absorbing them into his body through his skin, and when he was done absorbing them, he also assimilated Sun King's Heliomancy,

Pyrokinesis, Nigh-omnipotence, Magic powers, Astral projection, Superhuman strength, Ergokinesis, Immortality, Great intelligence, Possession, Psychic abilities, Megethoskinesis, Soul absorption, Chronokinesis, Flight, Sufficient ability to consume entire universes, and Last Sun's Energy draining, Superhuman strength, Superhuman durability, Superhuman speed, Superhuman reflexes, Invulnerability, Pyrokinesis, and Flight, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura flared up extremely, and he had an orange fire aura with raging fire and flame surrounding him!

Me: WHOA! That's intense!

Lincoln: You said a mouthful. (Smirks) Let's how much more intense it'll get when I do this!

Lincoln grabbed a gallon of Cajun Queen's nuclear hot spicy hot sauces, and...!

HE DRANK THE WHOLE GALLON OF CAJUN QUEEN'S NUCLEAR HOT SPICY HOT SAUCES IN ONE GO! THEN...!

KRABOOM!

A MASSIVE EXPLOSION ERUPTED AS LINCOLN'S RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARED UP EVEN MORE EXTREMELY, AND THE ORANGE FIRE AURA WITH RAGING FIRE AND FLAME SURROUNDING HIM GREW EVEN MORE INTENSE!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and neon red blood came out of his pepper tattoo on his left shoulder and sweat was coming off him like a water fall, and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles and fire exploded out of his massive biceps and pecs!

OUR JAWS DROPPED!

I fired waves of fire and blasted her men all over.

Homer: No one messes with that boy except me!

Cajun Queen: HA! No wonder your wife dumped you! She thinks you're a stupid ugly idiot from a dumb stupid town full of doo-doo brained dunderheads!

Marge: For your information, me and Homer reconciled!

Cajun Queen: Maybe you should have stayed dead you old hag!

Me: Let me tell you something you spice crazed bitch! Homer and his friends and family have been through SHIT because of Burns and Quimby over the last 35 years and they do not need YOU Adding to their despair because of Springfield!

I punched her and bashed her in her face and stomach!

My stomach grumbled!

Me: UH OH!

Then...

Nico: (GAGS AND COUGHS)

Lincoln: GEEZ!

Qin: HE FARTED!

Me: Well pardon my anatomy!

Lisa Loud: Excellent my new cheese works!

Nico: What cheese?

Lisa Loud: My new super flatulence cheese. It's made with super powerful laxatives that make extra powerful flatulence that is 100,000 times more stinky than normal.

Me: So that's what that cheese was. Well it really works.

I then shoved Cajun Queen's face in my butt and then...

LOUD NASTY SUPER HORRIBLE POWERFUL LONG STINKY FART!

Nico: When did you eat that?!

Me: I had it on my eggs.

Nico: Oh.

LOUD NASTY SUPER HORRIBLE POWERFUL LONG STINKY FART!

Edd: I CAN'T BREATHE!

Qin: IT SMELLS WORSE THAN ED'S FEET!

Nico: Jesus!

Rin Nogami: Now watch this!

She got her belt ready.

She activated it and the symbol lit up.

RIn Nogami: HENSHIN!

She turned into a Falchion-esque version of Kamen Rider Den-O! She became Kamen Rider Hououvega!

Rin Nogami: THE FLAMES OF THE PHOENIX OF HELL! KAMEN RIDER HOUOUVEGA!

She was ready for action!

Rin Nogami: I heard all about that! So cool!

Me: It sure is.

Poliwag used Water Gun and drenched her.

Poromon: How about this too? (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted Cajun Queen and her men.

Bart fired a stone from his slingshot and it hit Cajun Queen in her face!

BAP!

Cajun Queen: OW!

Bart: Insult me, will you?! WHY YOU LITTLE!?

He strangled Cajun Queen.

Cajun Queen gagged and coughed!

Homer: That's my boy there!

Marge: He's my son too!

Marge punched Cajun Queen and bashed her in her face!

Xenia: Nice one!

Horsea used Water Gun too.

SPLASH!

She got drenched.

I gave Cajun Queen a present.

Me: Present for you.

Cajun Queen: Oh thank you!

She heard ticking noises and I ran.

Then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

It exploded in her face!

It was a bomb in a present.

Nico: HA!

Me: Dark tried that trick on me and it didn't work.

Nico: I remember that.

Mevya hopped over to her and belched in her face!

Cajun Queen: (GAGS AND COUGHS) YOUR BURPS SMELL WORSE THAN J.D.'S FARTS!

Me: Well he smells like rotten onions! What did you expect.

Camie: He's right.

Me: Also you know what is more obnoxious than nails grinding on a chalkboard? This!

LOUD CRUNCH!

I Cracked my Knuckles loudly!

Cajun Queen screamed in horror!

Ed: WHAT A PEST!

Edd: That's disgusting!

Ed: MAKE HIM STOP!

Manaphy hopped over to her and head butt her!

Me: Also you know what hurts more than your tongue getting set on fire?

Cajun Queen: What?

I signaled for her to turn around.

CACTUS MAGISWORD!

Me: This!

POINK POINK POINK!

Cajun Queen: YEEEEEEOOOOOOOOOOOOOOOOOOOWWWWWWWWW!

SHE WENT FLYING HIGH INTO THE SKY!

She then fell to the ground and then...

KRASMASH!

She smashed into the ground with devastating force!

QIn: OOH! Ouch that had to hurt!

Nico: No kidding.

She got up and spit blood and teeth out.

Lincoln charged at Cajun Queen and her gang and he punched, kicked, and slashed at them like a wild beast, and he left bleeding scars on her men.

Me: WHOO! GET THEM, LINCOLN! TEAR CAJUN QUEEN AND HER GANG TO PIECES!

Then, Lincoln fired five massive balls of fire from his left hand and they orbited around Cajun Queen and her gang, and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the powers of the Ancient Gods and Goddesses.

He even slashed the gang members in the stomach with his left hand's gold-armored dragon claws leaving bloody and brutal claw marks on their stomachs, and their wounds got cauterized because of the intense heating up of his gold-armored dragon claws and his left hand's finger claws!

Arpina Infernaira: Ooh! Now, that's just brutal.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and it sunk into the ground unleashing a storm of lightning bolts and raging blue fire, and...!

We can't make a rainbow without all the colors

And we can't make a friendship without one another

So let your magic run wild

Let your magic run wild

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

Inside a rainbow sphere with intense flames and elemental forces, Sweet Leaf then underwent an intense and amazing transformation! Sweet Leaf had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow leaves on her forearms, she also got rainbow lines on her hair and tail. She then had her Cutie Mark change into many rainbow leaves, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW JUNGLE MASTER OF HEALING!

EVERYONE GASPED!

May: WHOA! WHAT POWER!

Sweet Leaf: Okay, time to take these guys down.

Suddenly, we heard a loud howl, and we saw an army of 50'0" tall massive musclebound werewolves heading right

for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to

The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Eli: Seriously, who keeps on sending creatures after us?

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, SUFFER FOR ALL ETERNITY! THIS IS THE END FOR YOU AND YOUR GANG ONCE AND FOR ALL!

Lincoln, Nico, and I did one final powerful energy slash that hit Cajun Queen and her gang hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Cajun Queen and her gang were on their last legs and they were really really mangled.

Then, Lincoln and Nico threw the cuffs on Cajun Queen's men and while I sent Cajun Queen to The M.O.E., they threw her gang into the police cars that took them away to prison. We cheered as we holstered our weapons and powered down.

Nico: Now, that was one spicy battle.

Me: And we took down a gang of hot sauce loan sharks for good.

Lincoln: That's for sure. But, I'm still feeling fired up, absorbing the clones of Sun King and Last Sun along with guzzling down a gallon of Cajun Queen's nuclear hot spicy hot sauces really fired me up.

Me: WHOO! You're not kidding!

Asuka Amaterasu: I believe this is due to your powers rapidly evolving further, Lincoln, and being my reincarnation, your powers over The Sun, Cosmic Photokinesis, light, energy, life nourishment, purification, Cosmic Pyrokinesis, fire, flames, wolf fire, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the wolf have rapidly evolved even more and increased infinite fold, and I have a feeling that you're going to transform when Dark Chase Young shows himself.

WE GASPED!

Amaterasu: (Through Lincoln's third eye and rainbow thunderbird) My daughter's right, soon the final part of the prophecy will be fulfilled.

Lincoln: That day will come soon.

LOUD NASTY HORRIBLE LONG FART!

Me: Pardon me!

Nico: I'm doing something about the farts later!

I got down on my back and the mascots were hopping on my stomach.

NUMEROUS LOUD NASTY HORRIBLE SUPER FARTS!

Me: Ahh!

Qin: Whoa that is really powerful cheese.

Camie: You're not kidding.

Me: Would you rather see me eat Lisa's cheese or a bean made by Flint Lockwood that made him Level 7 gassy and almost fart with devastating force that it destroys the city?

Nico: Lisa's cheese.

Qin: Yeah.

LOUD NASTY SUPER HORRIBLE LONG FARTS!

Nico: Nice job, Qwilfish!

Qwilfish: Thanks! That was fun!

Poromon: Want some beer?

Qwilfish: No thanks. But you got any snake rice wine?

Me: You mean Vietnamese rượu rắn? That is really potent stuff.

Qwilfish: It is.

I pulled out a bottle and it was rice wine with a cobra in the bottle.

I gave him some.

Me: Here we go.

He drank it and he got drunk with INTENSE POTENTCY!

SNAKE HISS!

Me: What still amazes me how they managed to put an Egyptian Cobra into that bottle like that.

Nico: That is cool.

Poliwag: Sing the ABCs!

Qwilfish: (Singing) Oh I would rather date Mr. Sparkle than do that.

WE LAUGHED!

Me: (LAUGHS) That's funny! See how potent it is?

Poliwag: Boy it sure is.

Kumiko: (Japanese Accent) My father drank some of that stuff and it got him to realize that Jeff was perfect for me. (Season 25 Episode 10)

Me: Wow! All it took was a swig of that stuff for him to realize that.

Kumiko: That's right.

Homer: I remember drinking that stuff. We saw the city turn into a wonderland based on Studio Ghibli's films (specifically Spirited Away, My Neighbor Totoro, Ponyo, Princess Mononoke, Howl's Moving Castle, Kiki's Delivery Service, and Porco Rosso.)

Me: WHOA! Good times. Those were all so fun and cool.

Lola: They sure were.

Qin: Yep.

Nico: Let's go on a treasure hunt later.

Nicole: I have just the quarry for us to go after.

She pulled out a map. It lead to an underground temple under the ancient Malenque Ruins in Colombia.

Nicole: You'll love the quarry.

Nico: Sweet!

Jet Stingray: I'm looking forward to it.

Nico: Oh, Jet Stingray, what do you like to do in your free time?

Jet Stingray: Oh I work at the airport and help make sure that all the airplanes are safe. I fix them up.

Me: Cool!

Qin: Nice.

Lola: Yep.

Nico: Good job.

Lincoln: Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Emerald.

Emerald: Another Me? Wow.

Lincoln: Your day to shine has come. This means, Mercury Black is going to get it.

Eli: Lincoln's right, that monster's going to get it. Whoa, and one of The Anothers is The Avatar of The Shadow Clow Card.

Sakura Avalon: Another of Serenity's friends is here.

Lincoln: That's awesome.

Qin: So we got Another Valstrax, Rusted Kushala Daora, Phyrexian Pegasus, Homelander, Motaro and Rador (Monster Legends)

Nico: Yep. And Jet Stingray, Armada Cyclonus, G1 Thundercracker, Thunderblast, Cybertron Mudflap and Cybertron Lugnutz are up.

Me: Cool! Okay guys I think I'm good.

Poromon: Okay.

They got off me and Nico snapped his fingers and delayed my farts till later.

Nico: That will hold your farts for a while.

Eli: (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news:

they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each

corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Poromon: There they are!

We saw Another Rusted Kushala Daora, Phyrexian Pegasus, Homelander, Motaro and Rador (Monster Legends)!

Me: WHOA!

Qin: This is gonna be awesome!

Another Rusted Kushala Daora: (In a girls voice) It sure will be.

Sarah Shadow: It sure is.

Tyra Nano: Yep and I went to Nico's tech club too.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Me: Lisa's experimental cheese. She put it on my eggs for breakfast and now I'm farting up a storm.

Sarah Shadow: I can see why. Man what happened here? This place looks like it was bombed with napalm.

Me: (Whistles innocently)

Poliwag bounced on my stomach.

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in Seattle, and I know what we're going to do here, not only am I going to rescue the three girls here, but we're here to take down the clone of DarkSaturn who has The Dark Shadow Clow Card in her hands, and once I suck out the powers of The Dark Shadow Card, I'm also going to absorb the clone of DarkSaturn.

Now, it's in the hands of the clone of DarkSaturn.

Lincoln: And she's a tough one, DarkSaturn is the Hypothetical Akuma of Sailor Saturn and a master of darkness. She was made because of all the crimes of Pharaoh 90 and more, and she vowed to kill the Bureau of Bad Behavior and end their existences.

Lincoln got out his sketchbook and we saw her: it was the planet Saturn with an aura of darkness surrounding her and a scary face.

Nico: Yikes!

Me: That is so scary!

Owl Man: And if she has The Dark Shadow Card, she may pop out of nowhere!

Lincoln: Exactly, and once I suck out the powers of The Dark Shadow Card and Alex, Serenity, Sarah, and Sakura dispel it, I'm going to absorb the clone of DarkSaturn.

Suddenly, we saw the clone of DarkSaturn appear in front of us and many of us got scared. Then, Lincoln fired a blast of rainbow energy that knocked the clone down and forced out The Dark Shadow Card, and Lincoln fired a blast of wind that formed into a chain and it tied The Dark Shadow Card up, and Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Shadow Card and he began sucking out all his darkness powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head

and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Shadow Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Shadow Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Shadow Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of DarkSaturn.

The clone of DarkSaturn roared at us with anger and she fired extremely powerful blasts of darkness and Lincoln absorbed them, and it made him stronger than ever.

Lincoln: WHOA! This is awesome!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at the clone of DarkSaturn and he proceeded to brutally smash her hard into the ground with his massive godly superhuman strength, slashed at them with his gold-armored dragon claws and his massive greatsword, and he fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON THE CLONE OF DARKSATURN! HE WAS REALLY GOING APESHIT ON HER!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT THE CLONE OF DARKSATURN WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED BLASTS OF HEAVENLY LIGHT THAT HIT HER!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of the pain you're going to experience before Lincoln absorbs you.

Then, Andre Lupeau went after the clone of DarkSaturn and he fired extremely powerful blasts of dark blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at her with his massive greatsword and shot at her with his silver-plated guns.

Then, Abaddon Aeternus went after the clone of DarkSaturn and he fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, demons, dragons, vampire bats, wolves, phoenixes, and angels at her, and he even slashed at her with his massive greatsword which really hurt like Hell!

Then, Skippy balanced himself on his tail and delivered a hard kick to the clone of DarkSaturn, and she screamed in agonizing pain.

Lincoln continued smashing the clone of DarkSaturn hard with his extremely massive godly superhuman strength, and he was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the clone of DarkSaturn and he began absorbing her and assimilating DarkSaturn's powers of darkness, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone of DarkSaturn and he also sucked out all the immense energy remaining in the clone of DarkSaturn and it vanished forever, and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Shadow Card and the clone of DarkSaturn.

Me: That was one dangerous battle we fought with her.

Lincoln: That's for sure. But, so far so good, and our journey to get The Dark Clow Cards back and foil Alecto's plan is going good.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long blue hair, blue eyes, massive blue angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, blue sleeveless strapless top, aqua blue skirt with Gem-Knight Crystal, white bridal gloves, blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Crystal, she has a light greatsword, and with her are the three girls.

Lincoln: (GASPS) Crystal Cristales, Avatar and Gene-Slammer of Gem-Knight Crystal.

Crystal Cristales: That's right, and I got the girls away from the clone of DarkSaturn and The Dark Shadow Card, those two were really dangerous.

Me: That they were.

Lincoln: But, we took care of both of them when I absorbed them. (To Crystal Cristales) And it's so good to see you again, Crystal.

Crystal Cristales: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Crystal Cristales had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Crystal Cristales was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Crystal Cristales: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Crystal Cristales' waist and hugged her, and Crystal Cristales is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Crystal Cristales: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Crystal Cristales, Avatar and Gene-Slammer of Gem-Knight Crystal, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Crystal gems and crystals. She's known as The Crystal Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Crystal Cristales came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Crystal gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Crystal gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Heather Herodias, Gene-Slammer of Steelswarm Longhorn and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Crystal's parents and her little sister, Clara, in cold blood, and she swore to kill Heather Herodias and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Crystal.

Lincoln with his massive muscular arms still wrapped around Crystal Cristales' waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Crystal Cristales: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Crystal Cristales with crystal gems on the gold lightning bolts and crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Crystal Cristales: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Crystal Cristales.

Crystal Cristales had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Crystal Cristales' waist, and he leaned down to her face and kissed her on the lips, and with Crystal Cristales' hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Cierra Citrine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Crystal Cristales: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The three girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the three girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the three girls are Izumi Nogami, Minako Sanada, and Sae Hinata from Bullied ~Revenge Hypnosis~.

Lincoln: Oh whoa, it's Izumi Nogami, Minako Sanada, and Sae Hinata from Bullied ~Revenge Hypnosis~.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, they're voluptuous.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Izumi Nogami: Yes, we're okay, thanks to you.

Then, when Izumi Nogami and the other two girls saw who it was that saved them from The Dark Shadow Card and the clone of DarkSaturn, their faces turned atomic red upon seeing the 14'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-

Izumi Nogami: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white

angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Izumi Nogami: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Izumi Nogami, Minako Sanada, and Sae Hinata with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto

Slytherin's minions.

May: Yep.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long neon red hair, red eyes, massive fire-colored angel wings, she has on a neon red two piece bikini, and in her hand is a fire greatsword.

Lincoln: (GASPS) Lexxra Lavaira, Queen of The Lavairans of Planet Lavaira.

Nico: The only surviving Lavairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Lexxra Lavaira, Queen of The Lavairans of Planet Lavaira, she's Lincoln's Guardian Angel from the planet of Lavaira in The Forbidden Zone. She was the Queen of the Lavairans who ruled the planet of Lavaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over volcanoes, lava, molten earth, and magma, and the ability to grow even stronger, but she was also born with angel wings, the powers of volcanoes, lava, molten earth, and magma, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Lexxra Lavaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of volcanoes, lava, molten earth, and magma, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of volcanoes, lava, molten earth, and magma, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Lavairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them burned to death with the power of Lavaira.

Lexxra Lavaira: And I knew Lincoln absorbed the souls of the male Lavairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: That's true, and Lincoln 2 of The Ebonwu Squadron told us, And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Lexxra Lavaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Lexxra Lavaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins

formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lexxra Lavaira with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Lexxra Lavaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 14'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man

with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Lexxra Lavaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Lavairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Shadow Card of all its powers and absorbed the clone of DarkSaturn after he and all of us took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Crystal Cristales saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Crystal Cristales: My God, I was right that Lincoln's really grown into a 14'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white

angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Crystal, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Crystal Cristales: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Crystal Cristales: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Cuffs Lane got out a videotape, but it had a black and red aura surrounding it.

Me: Oh crud...!
